The Legend of the Knight

The Legend of the Knight represents many things to the students at Woodlawn High School. It symbolizes in writing various traditions which have been upheld at Woodlawn for a decade. Among these traditions are service to others, a thirst for knowledge, diligence, sportsmanship, loyalty, and a devotion to God, Country, and friends.

Just as the knights of old served their lord, so do the Knights of Woodlawn serve others. Service clubs and organizations can be found in almost every facet of school life. Not only can there be found the more noticeable assistance to others by these organizations, but the unheralded service of one student to another in need has always been evident.

Woodlawn is a place of scholars, those who reach out for knowledge. The Knights of Woodlawn continuously strive for knowledge, recognizing its great value to their future life.

Knights of old spent much of their time practicing for mounted battle. Likewise, the students of Woodlawn strive for perfection. They devote much time and effort in improving what they do.

During the age of the knights, chivalry was probably at its highest peak. Now, this old-time chivalry exists at Woodlawn through sportsmanship. This colorful form of courtesy has been one of the reasons for Woodlawn's standing among other schools.

Loyalty to Alma Mater is evident everywhere. It is in the faces of the students singing the Alma Mater, in the spirited rivalry between schools, and in the respect for the school and faculty the students display.

Of all the traditions at Woodlawn, the devotion to God, Country, and friends is perhaps that which has contributed most to our decade of memories. There are untold thousands of these memories, each student having his own, yet sharing some with fellow students. Many, many of them have been thrilling and triumphant. Nevertheless, all of them are what Woodlawn has been and will be.

Legend of The Knight

Since medieval times, the Knight has represented honor, valor, loyalty, and chivalry. His shining armor was worn with pride. Each piece of it had a symbolic meaning. The golden spurs symbolized diligence; the spear, truth and strength; the helmet suggested modesty. The shield protected the Knight's body, so he in turn used his own body as a shield to protect his lord. The sword represented protection of the helpless. The Knight's charging horse, carrying him to battle, was his tireless and devoted friend. In tournaments, his endurance, athletic ability, and sportsmanship were always evident as he fought to win honors for his favorite lady.

Though formal Knighthood is no longer in existence, the qualities that it represented are as applicable today as they were in the Middle Ages. These objectives of Knighthood - respect for church, truth, bravery, obedience, courtesy, service, sports participation, aid to others, and a quest of knowledge - should be incorporated by the students into their very being. When these things have become a part of their lives and actions, they will be prepared to accept with pride the accolade given as the final preparation for Knighthood. Then, they will be ready to accept the charge, "Be brave, ready, and loyal," as they officially become Knights of Woodlawn.

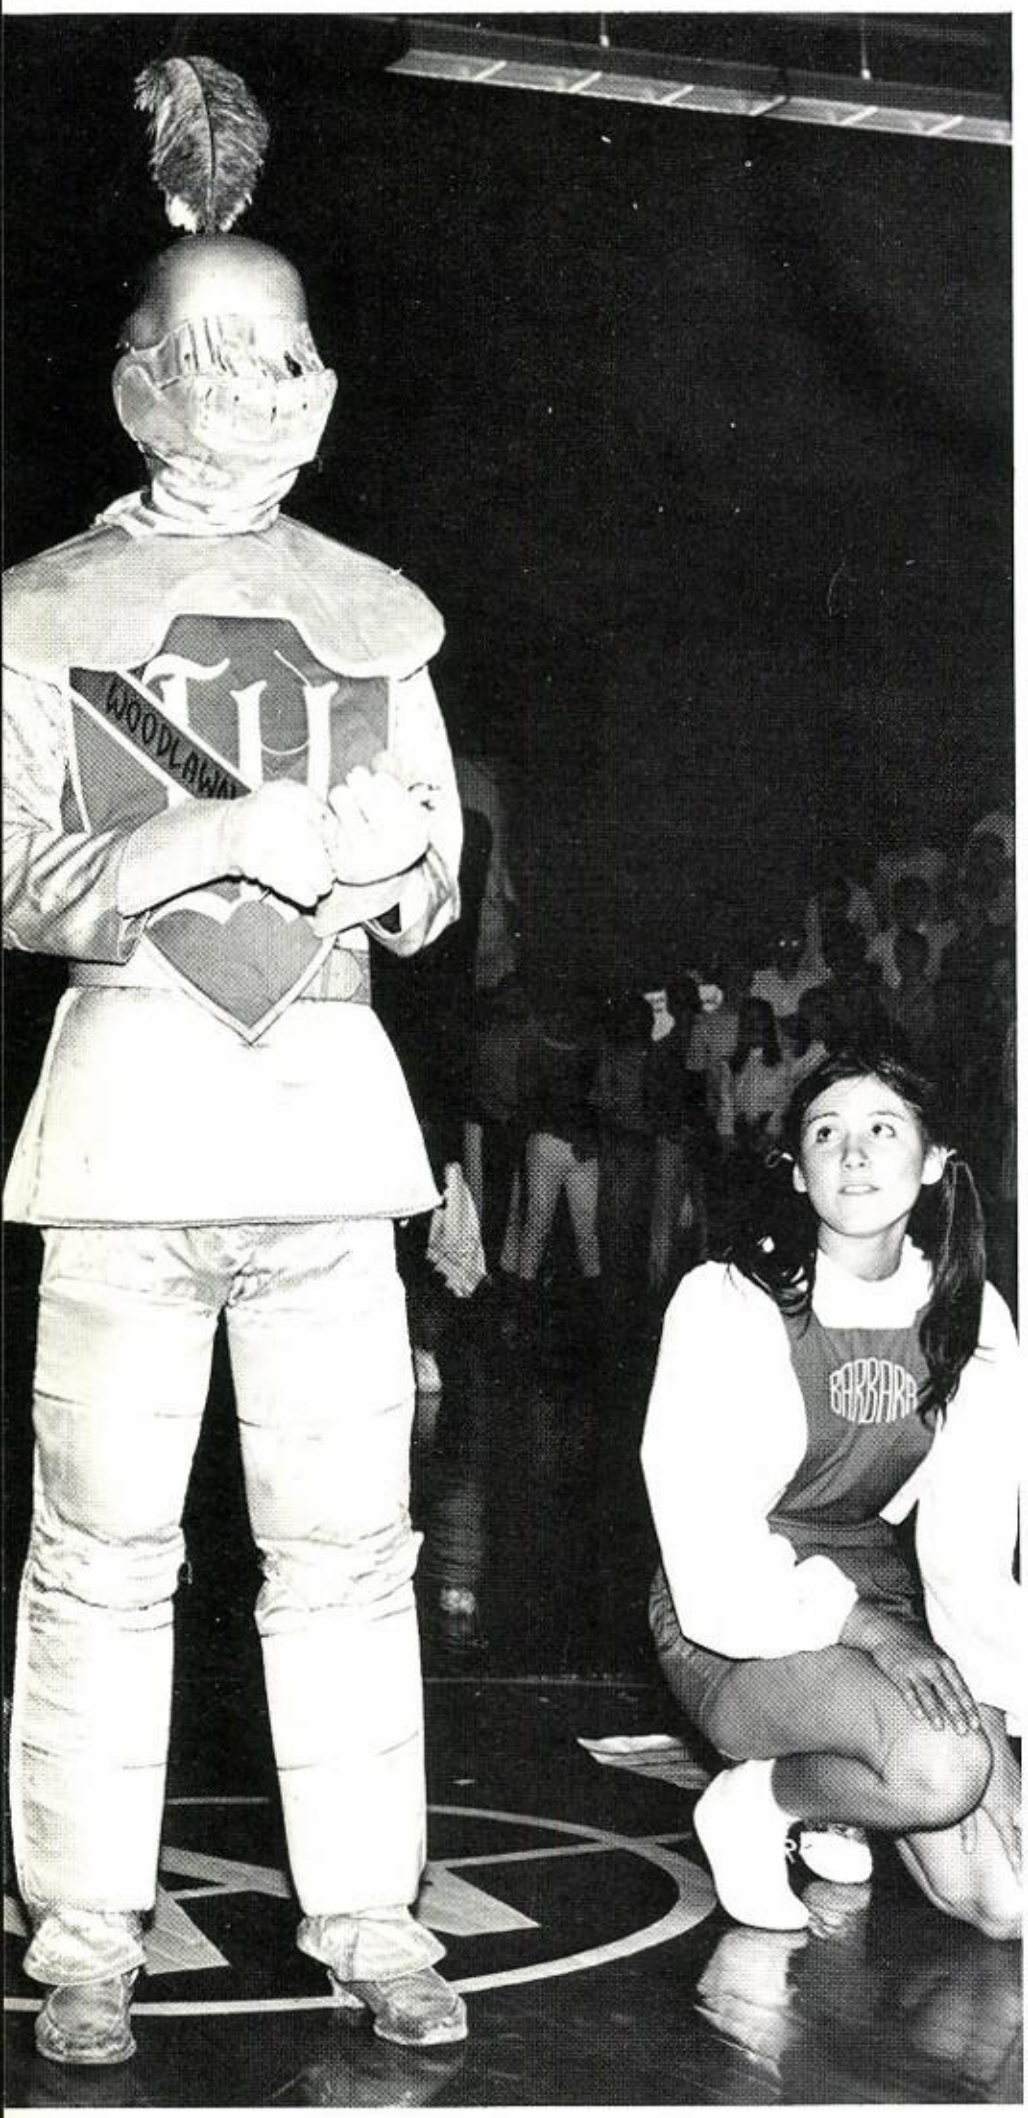
The Alma Mater Inspires Loyalty



ABOVE: Junior cheerleader Barbara Fong knelt respectfully before Sir Knight during a pep rally. In this fashion, she showed her loyalty to our symbol of Alma Mater.

RIGHT: Pep Squad member Kathleen Jones added to the enthusiasm typical of Woodlawn students. This spirit raised at the games went with each player onto the field.

The Alma Mater is sung by WHS students at each pep rally.

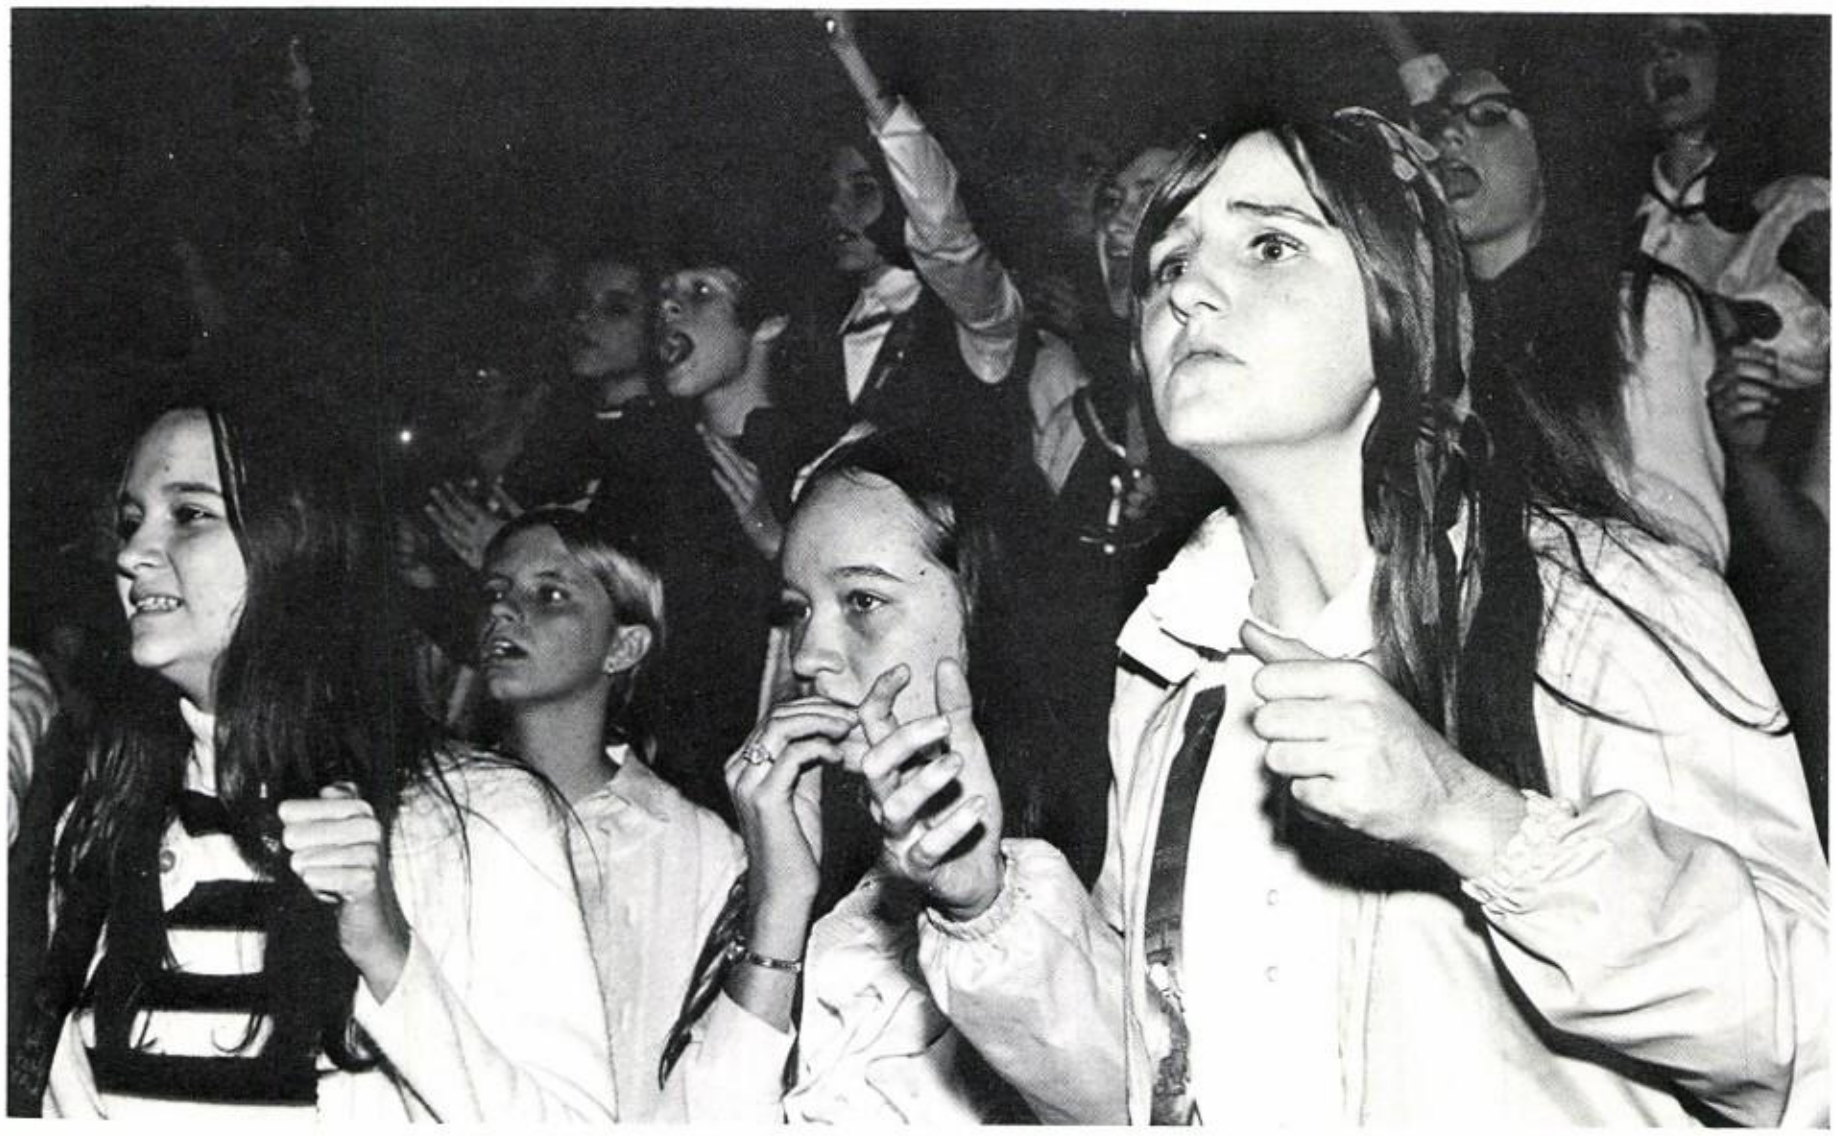
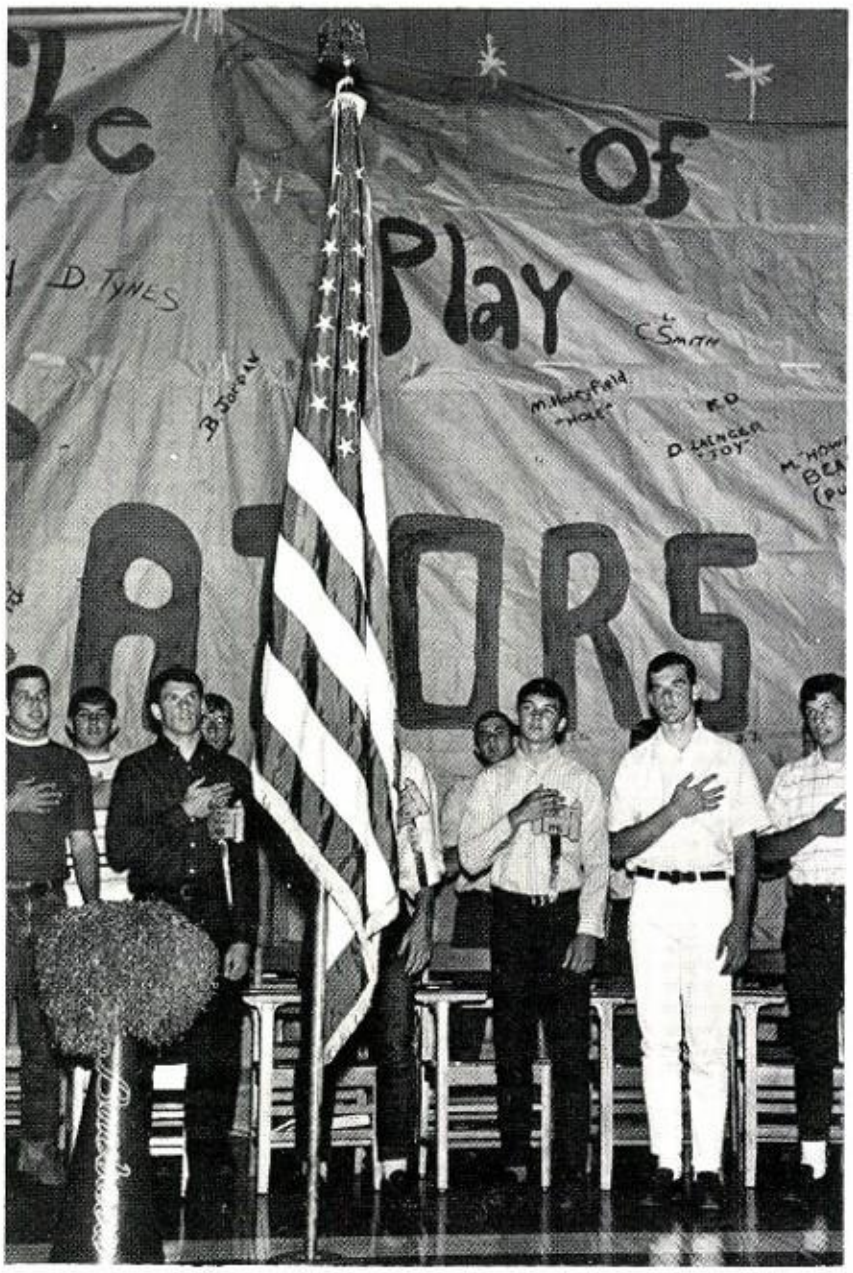
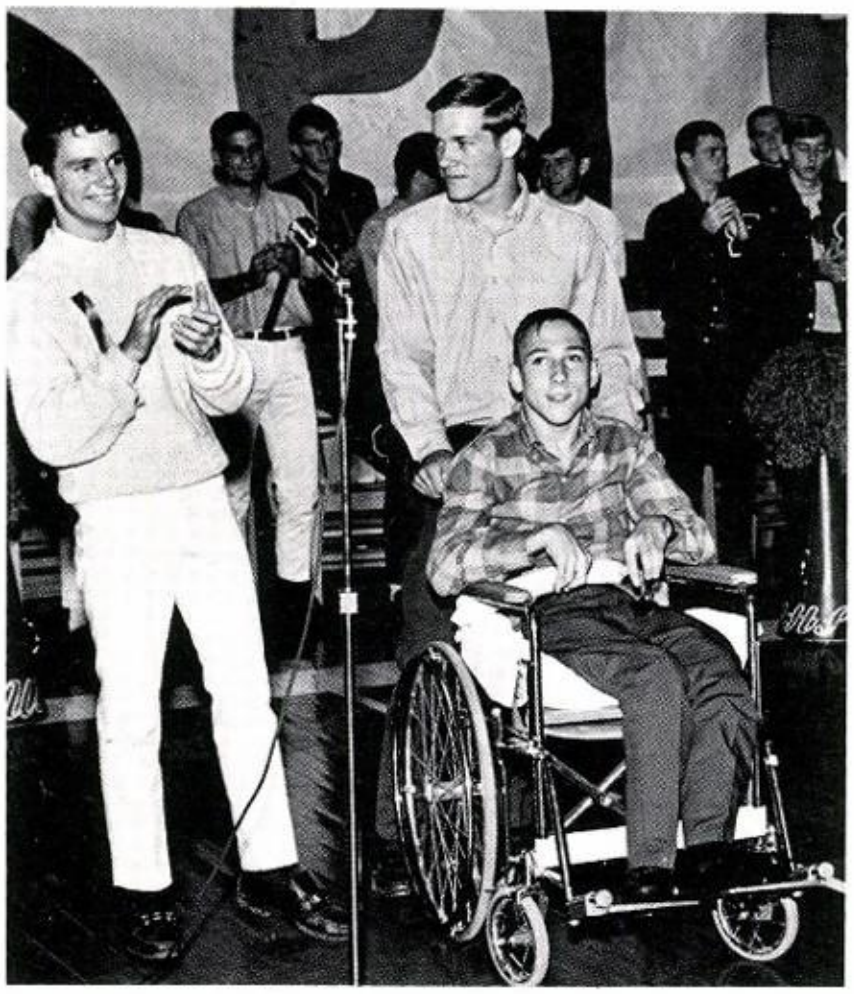
BELOW: Woodlawn High School possesses many zealous spiriters. These energetic supporters of our football, basketball, baseball, and track teams comprise what the students of Woodlawn proudly call "The Twelfth Man," an essential component of every team.



Devotion to God, Country, and Friends



ABOVE: At each pep rally and sports event a proper respect for the flag was given. At the pep rallies this tribute to the nation was in the form of a Pledge of Allegiance.



ABOVE: A friend to Woodlawn, Johnny Marlowe, came to a pep rally to promote spirit. As can be expected of the Woodlawn Knights, the students welcomed their friend back.

A group of thoughtful students worked hard this fall to reconstruct an old abandoned park — now Woodlawn Knight's Park.

Legend of the Knight

Since medieval times the Knight has represented honor, valor, loyalty and chivalry. His armor was worn with pride. Each piece of it had a symbolic meaning. The golden spurs symbolized Mercury, the speed, truth and alertness; the helmet suggested modesty. The shield protected the Knight's body, as he in turn used his own body as a shield to protect his lord. The sword represented protection of the home. The Knight's charging horse, carrying him to battle, was his loyalty and jeweled friend. In tournaments his prowess, athletic ability and sportsmanship were tested as he fought to win honors for his favorite lady.

Though formal Knighthood is no longer in existence, the qualities that it represented are as applicable today as they were in the Middle Ages. These objectives of Knighthood respect for church, loyalty, bravery, obedience, courtesy, service, sports such as jousting, and feathers, and a spirit of knowledge should be incorporated by the students into their everyday being. When these things become a part of their life and actions, they will be prepared to accept with pride the accolade given as the final preparation for Knighthood. Then, they will be ready to accept the charge, "Be brave, ready, and loyal," as they officially become Knights of Woodlawn.

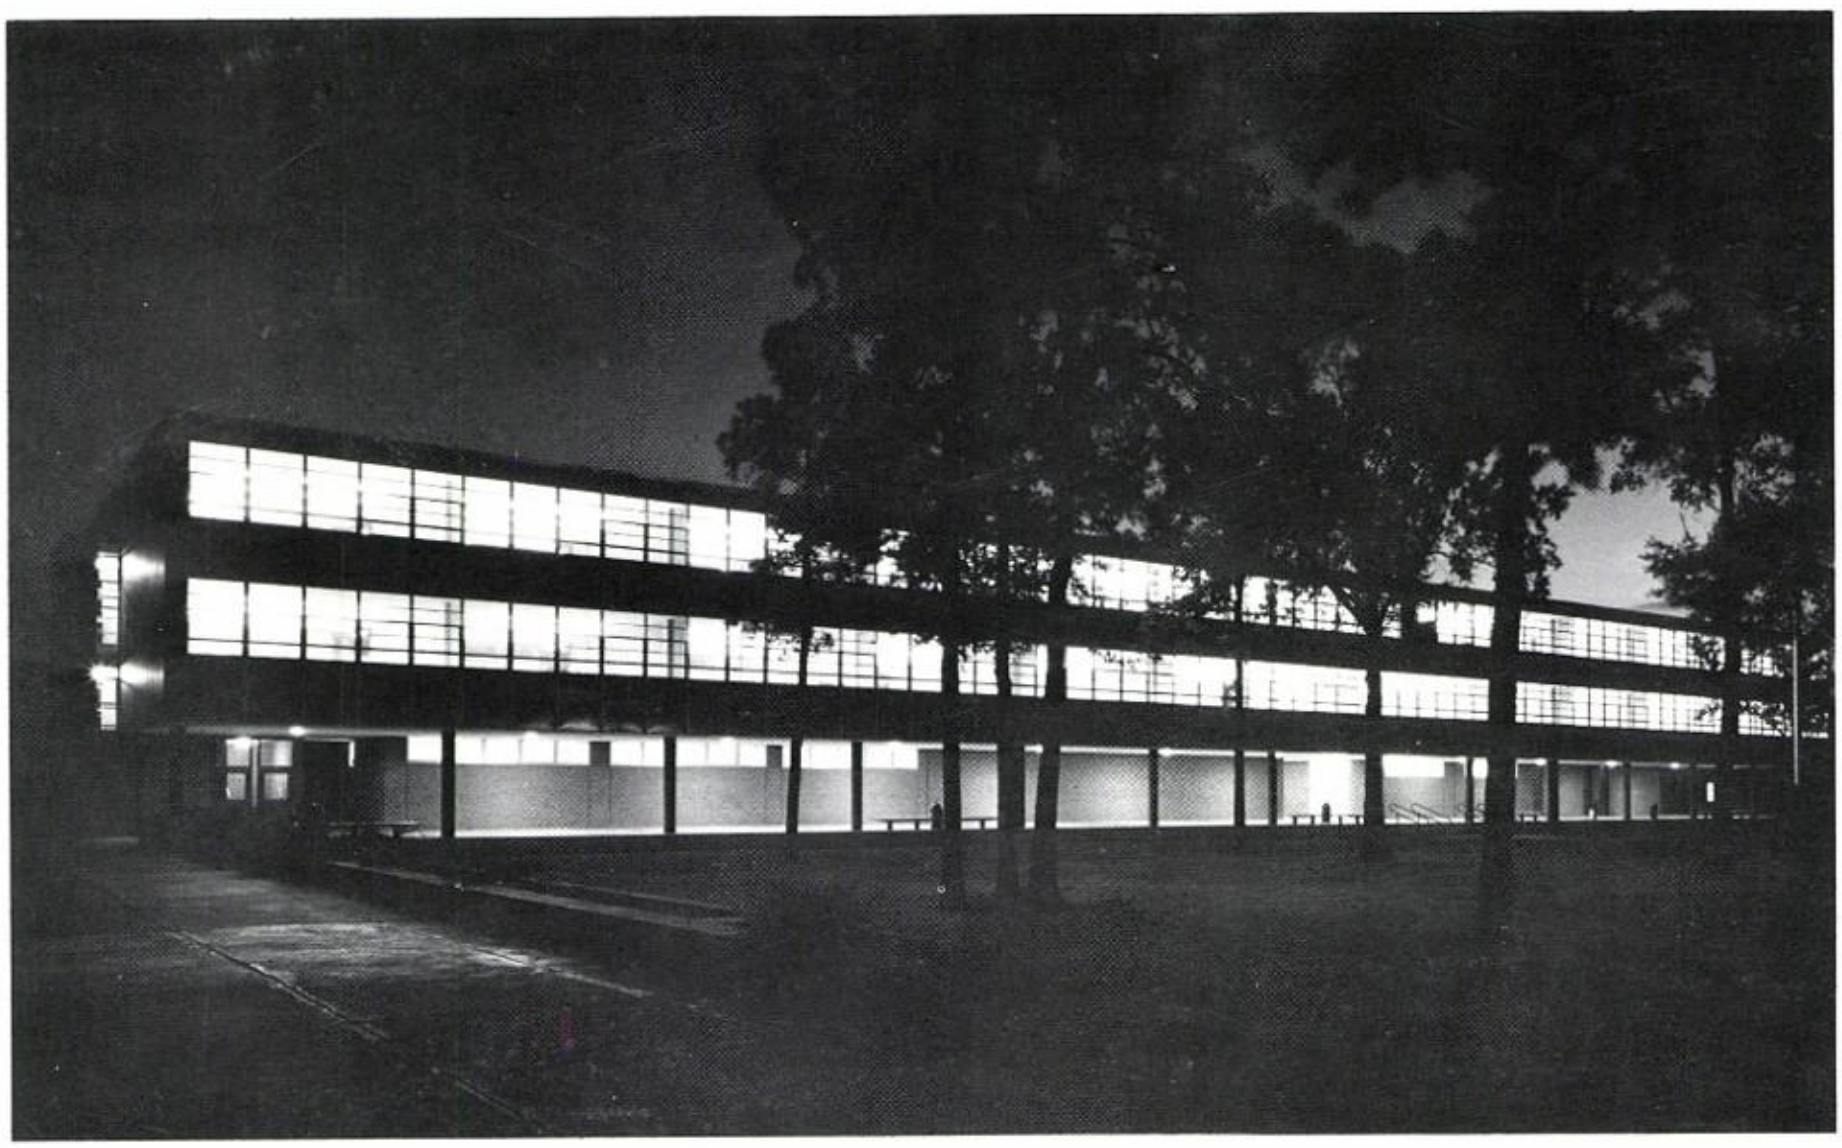
To a True Knight . . .

We thank you. Ten years ago a legend was beginning. Dr. James Earl Turner made this a reality. He has guided the students and faculty to achieve the high standards of Knighthood. Through Dr. Turner's ceaseless efforts, Woodlawn has taken it's place among the top-ranked high schools in Louisiana.

Woodlawn will soon feel the absence of this great man, but his influence will always remain. We thank you for a legend to remember, and wish you all the luck in the legend you will soon begin.



After a Brief Period of Absence

Being an avid Woodlawn Knights' fan, Dr. Turner attends most sports events such as this WHS basketball game.

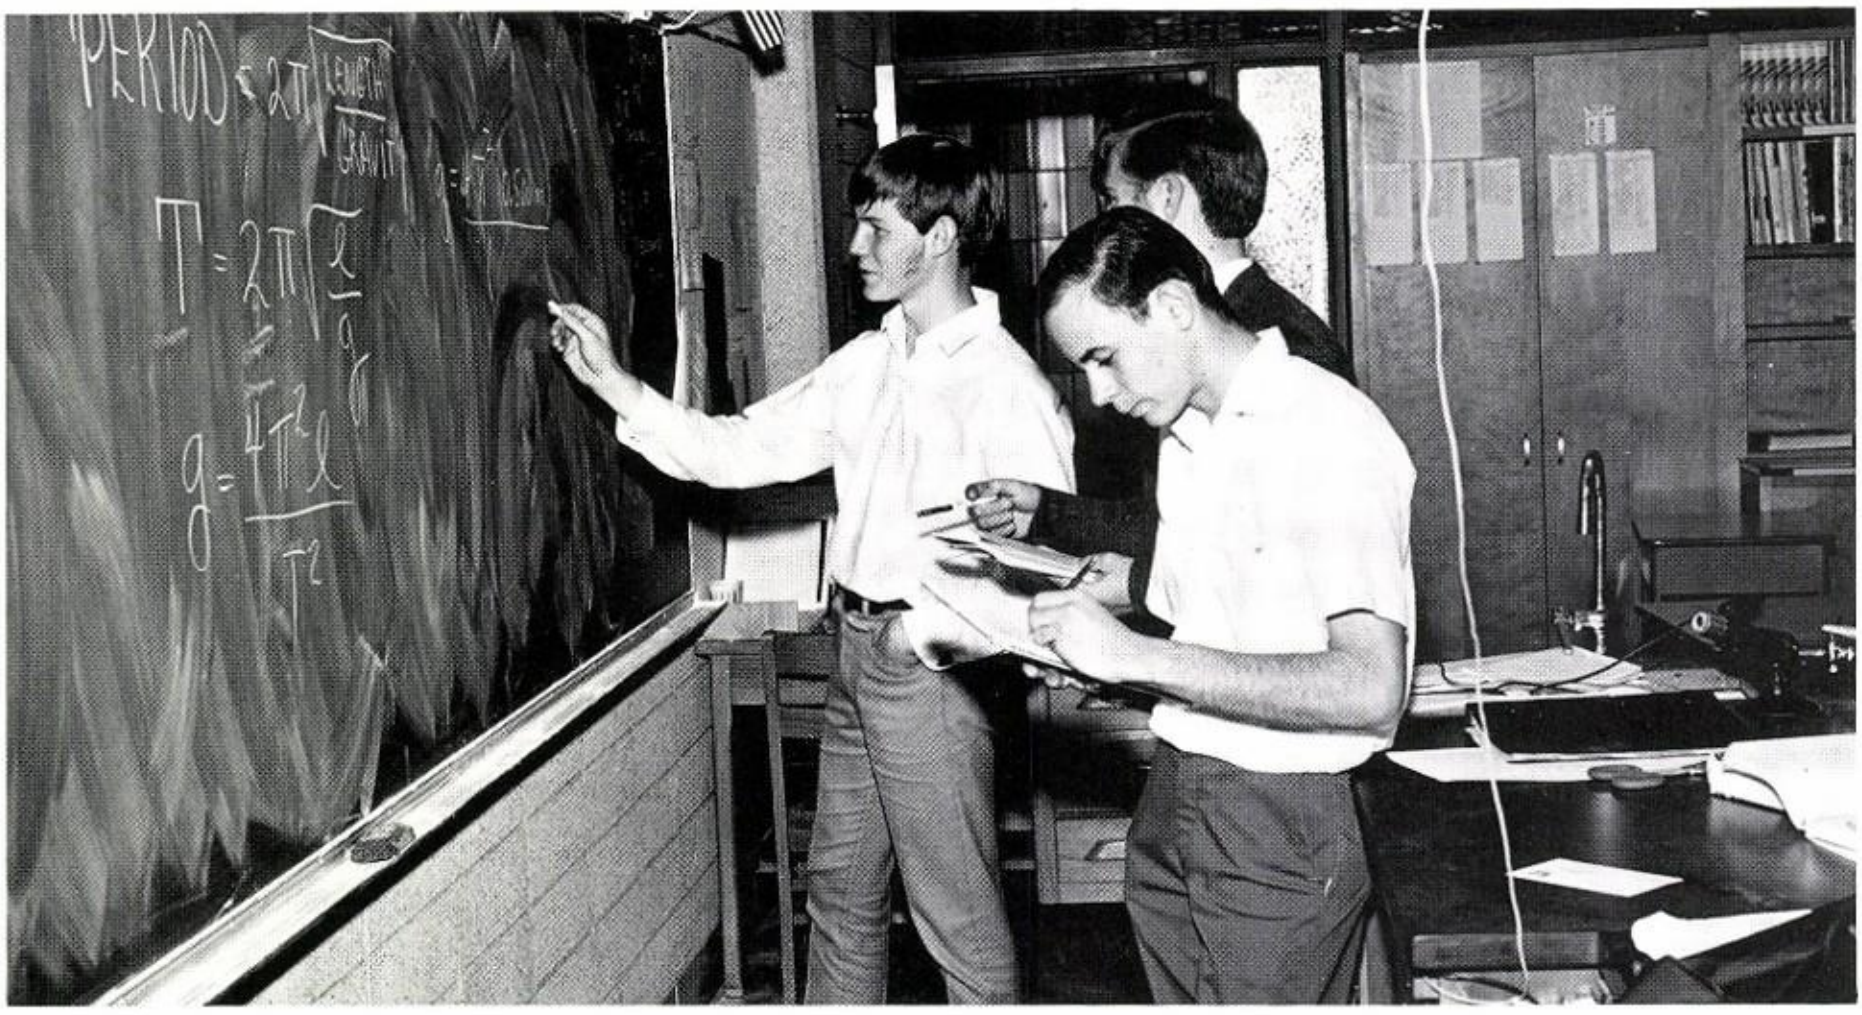
ACADEMICS

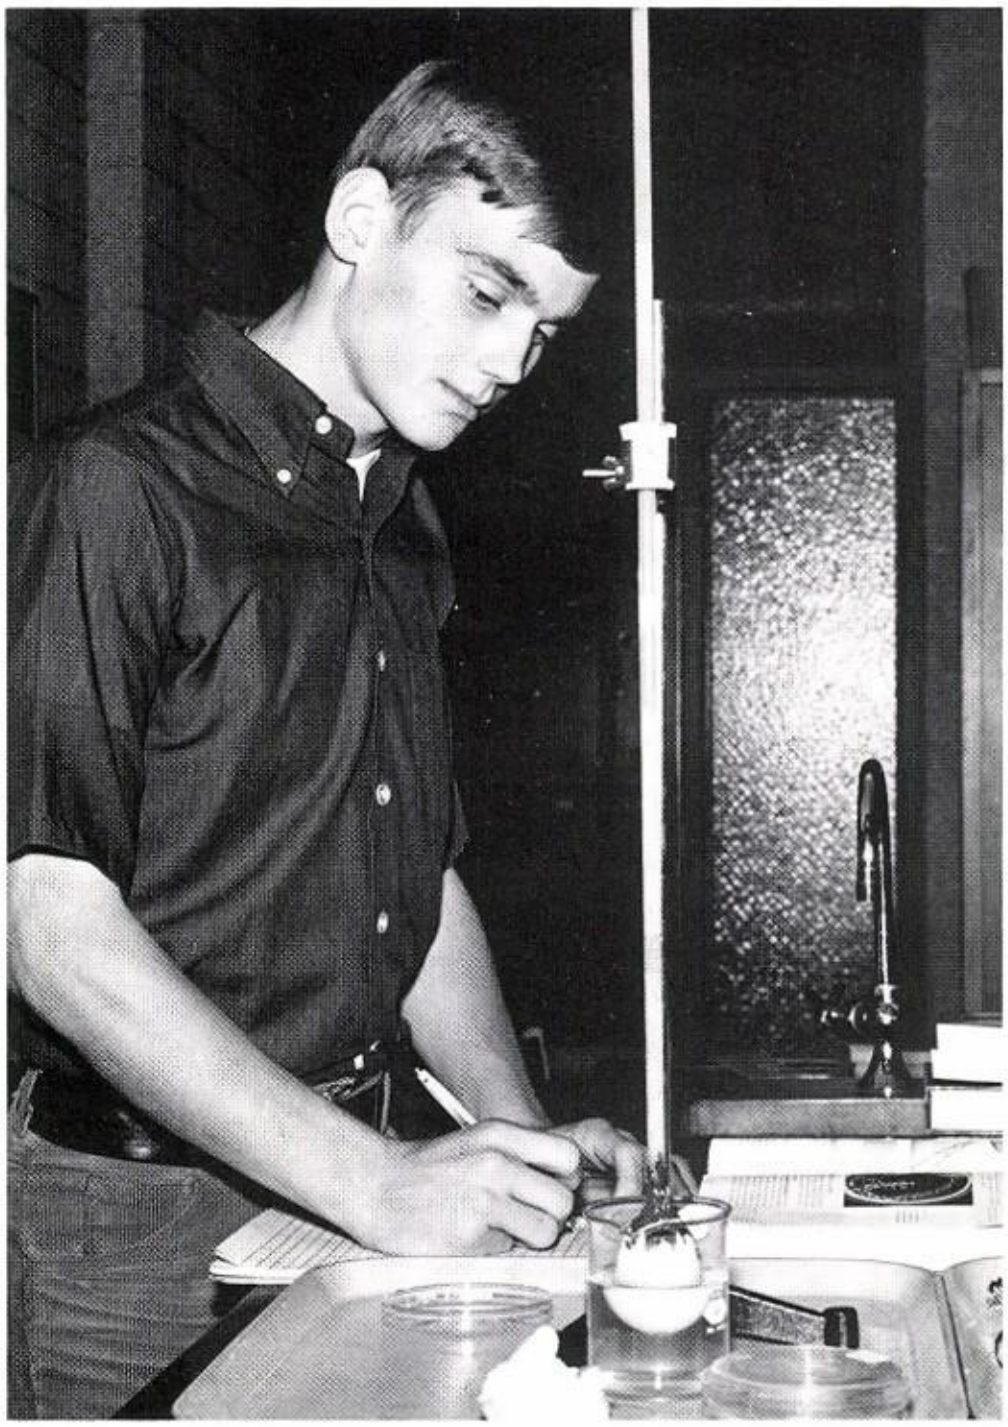


Physics students find math courses come in handy as Steven Carlburg, Bill Michaels, and Kirby Needles do in solving experiments.

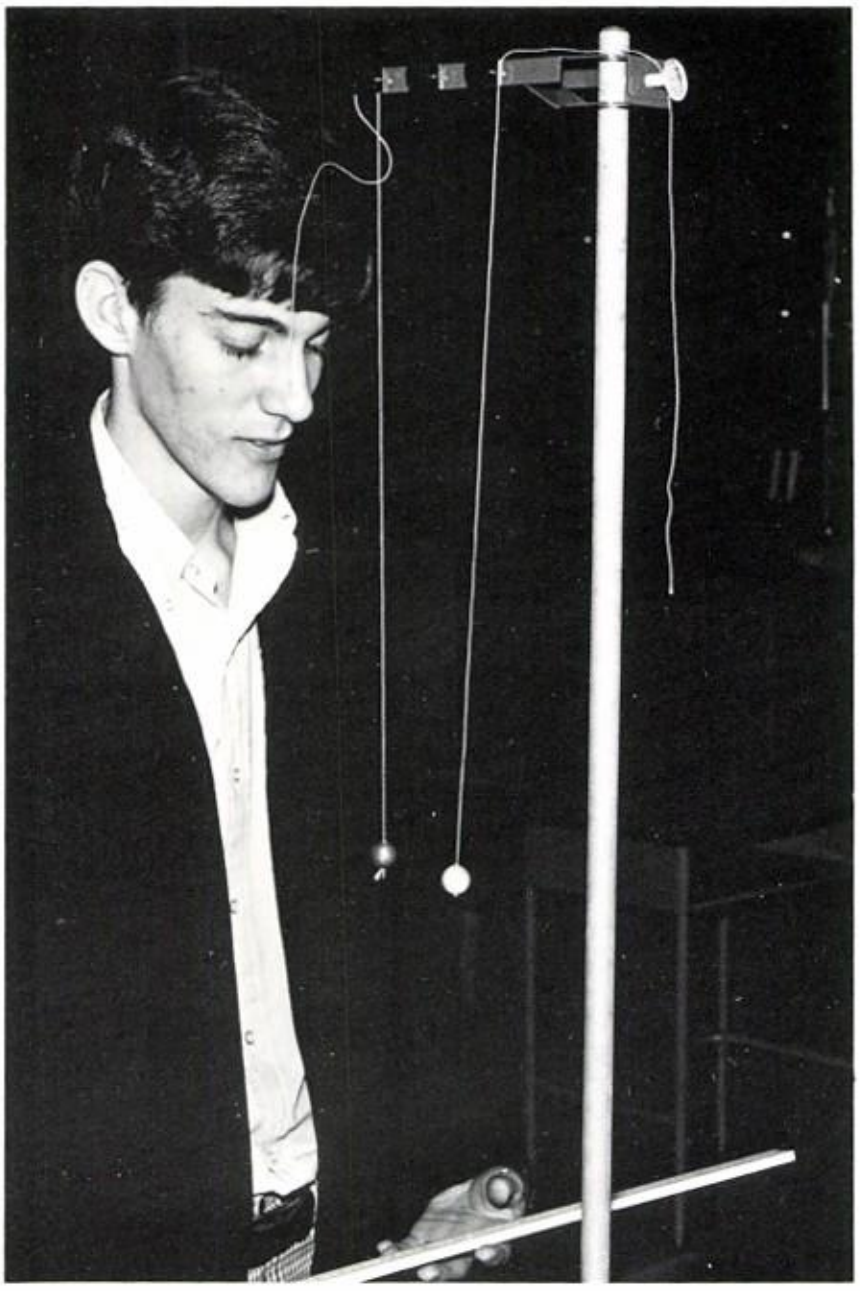
Challenges of Science

The purpose of Science is to give the student an appreciation of life. Science prepares him to solve problems through a scientific approach. Study guides are prepared for the basis of different discussions. Students develop scientific concepts by actively participating in laboratory investigations designed to develop certain concepts. Through the use of visual aids students can understand scientific principles and experiments more clearly.

The Science Department offers Biology, General Science, Physics, and Chemistry. This year the Biology class is planning a field trip in the spring to study ecological relationships of plants and animals both on land, woods, field, and water.

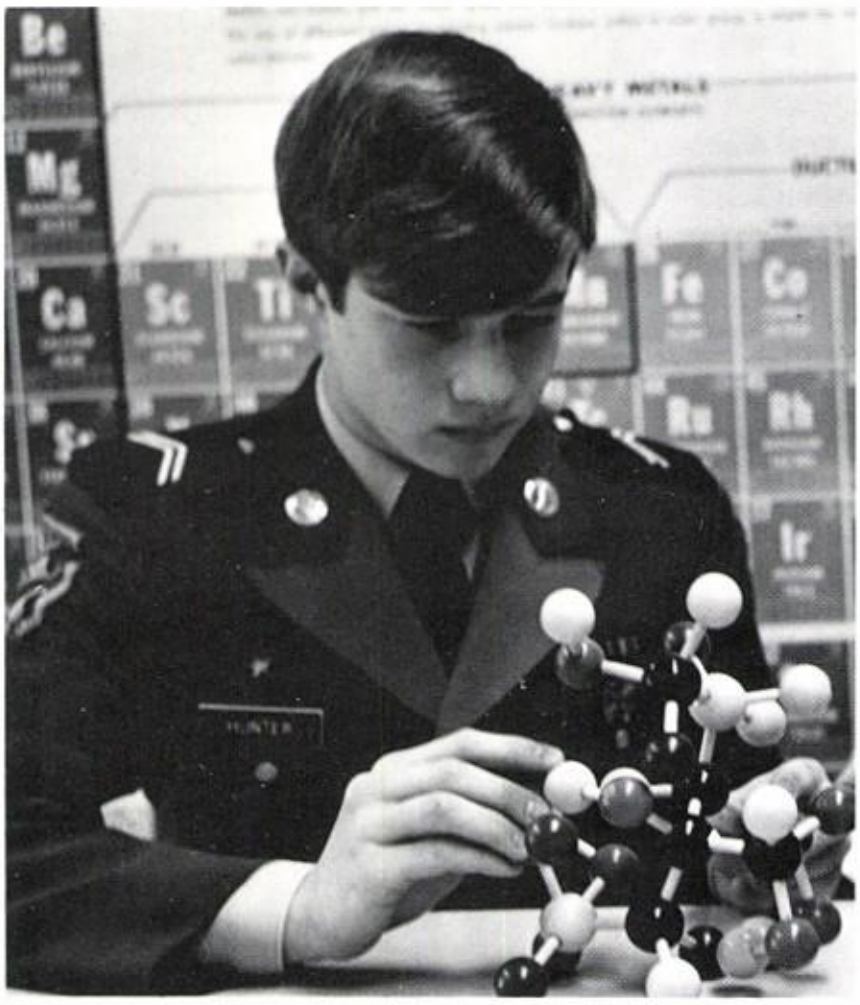


RIGHT: Eddie Sanders records daily changes of an experiment of an egg in his data book.



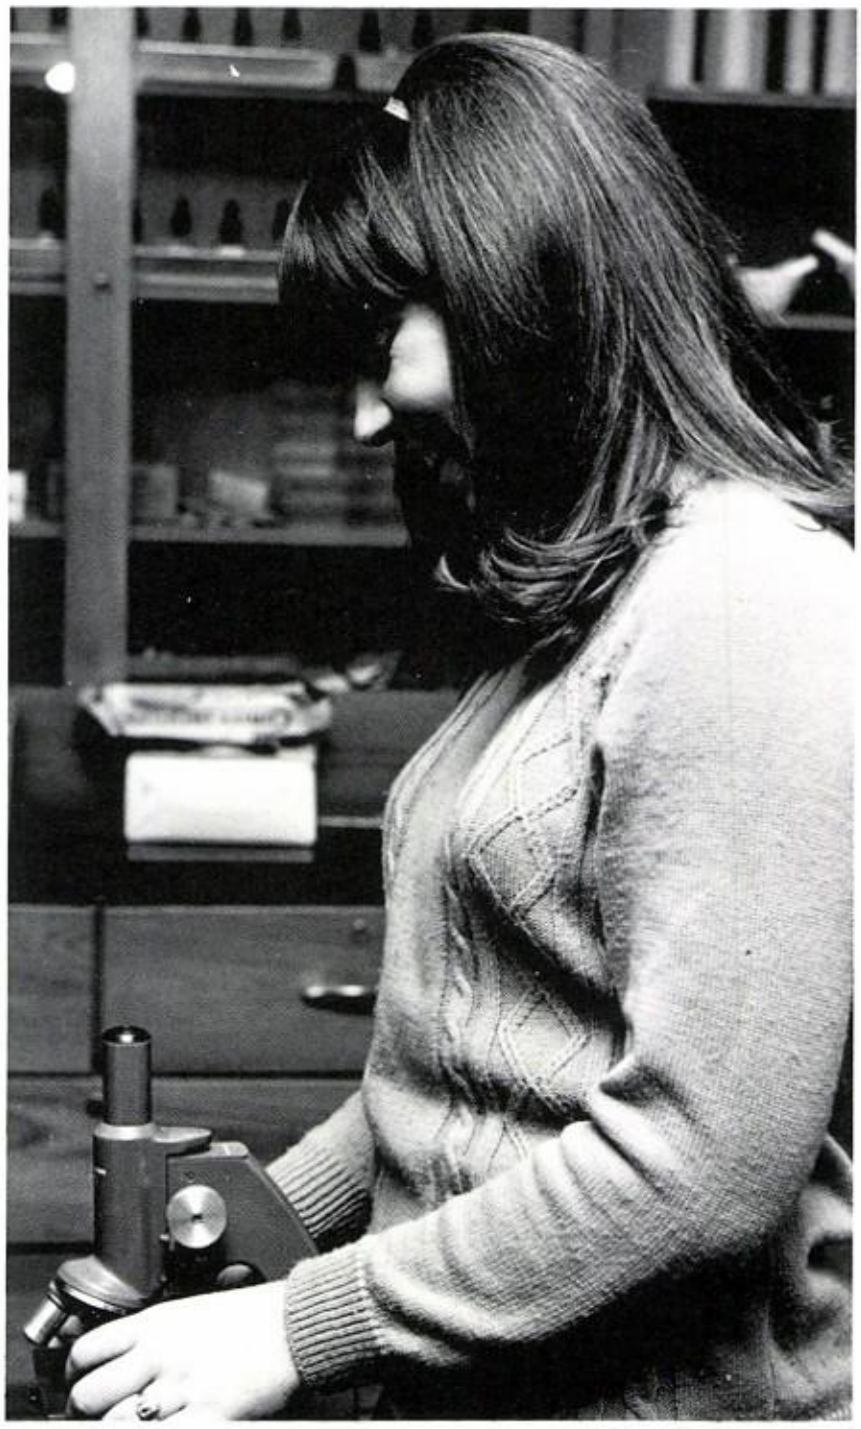
ABOVE: Curtis Welborn spent much time studying and experimenting before setting up the Physics demonstration before his class.

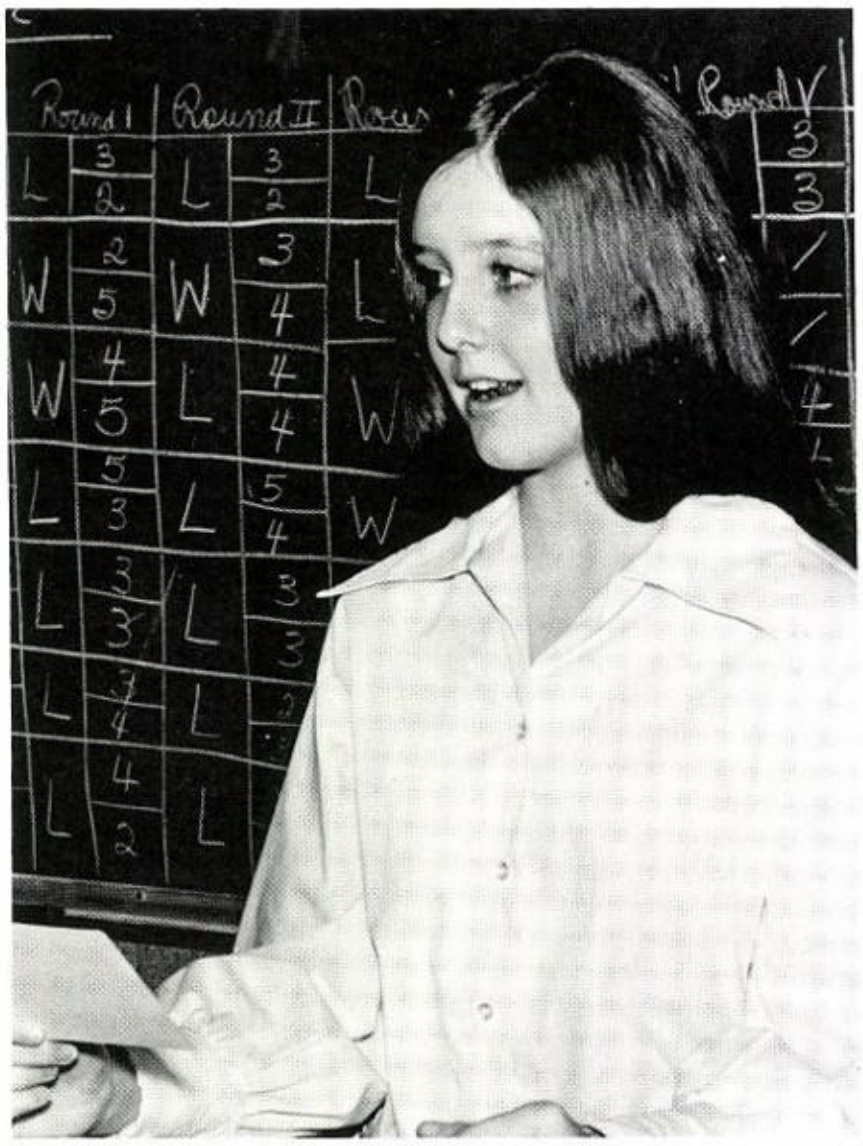
BELOW: Doyal Hunter use molecular models to illustrate Isomerism in carbon compounds.



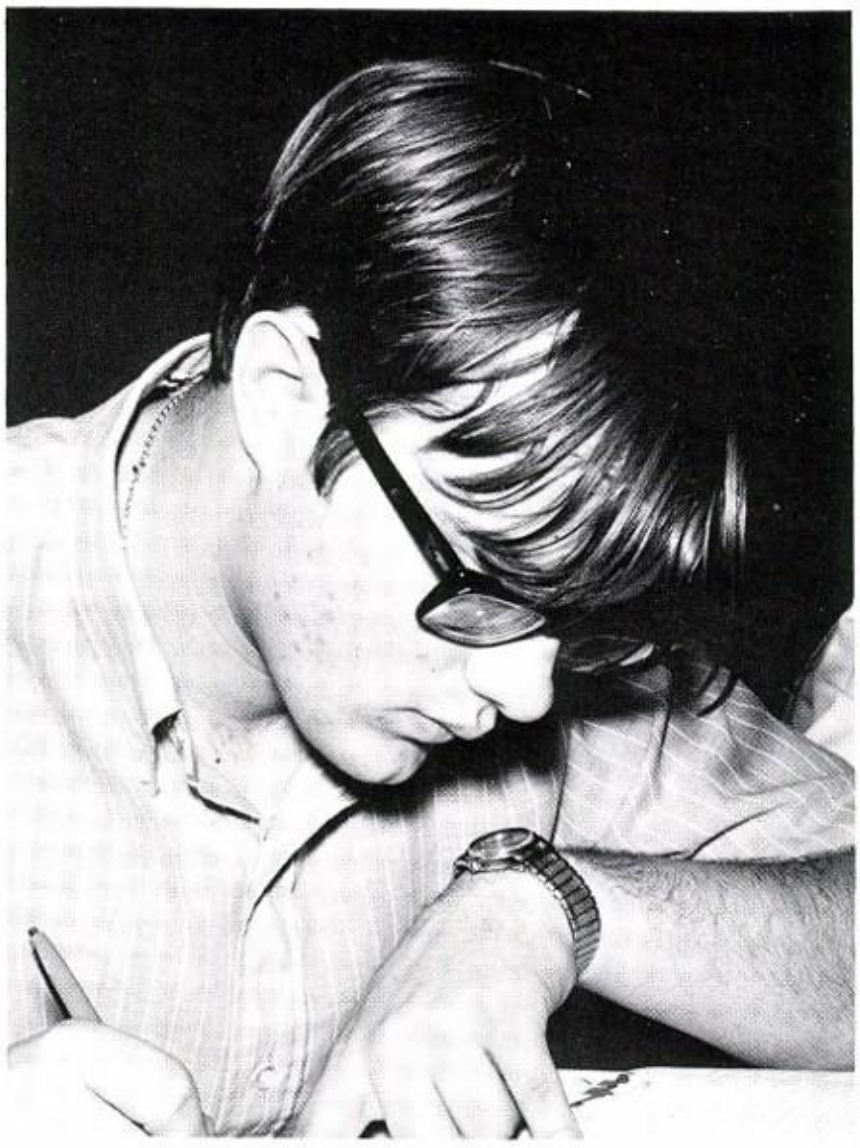
ABOVE: Gayle Bridges find subject matter comes to mean more than just words in a textbook in General Science.

BELOW: Debbie Thomas prepares a protozoa for examination by placing it under a microscope in water-filled slide.

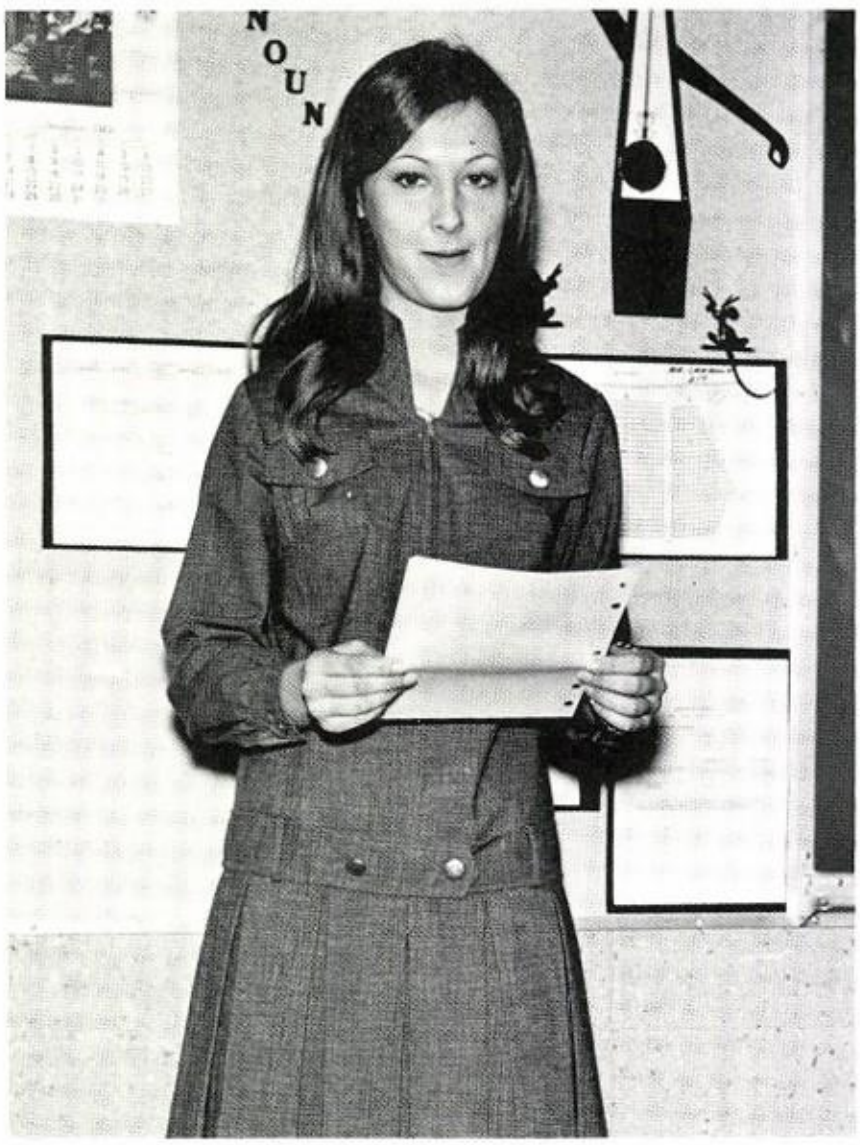




ABOVE: Cathy Prunes gives a debate on a very controversial subject of current interest.



ABOVE: Concentration seemed to be written on the face of Ed Owens as he studies Sophomore grammar.



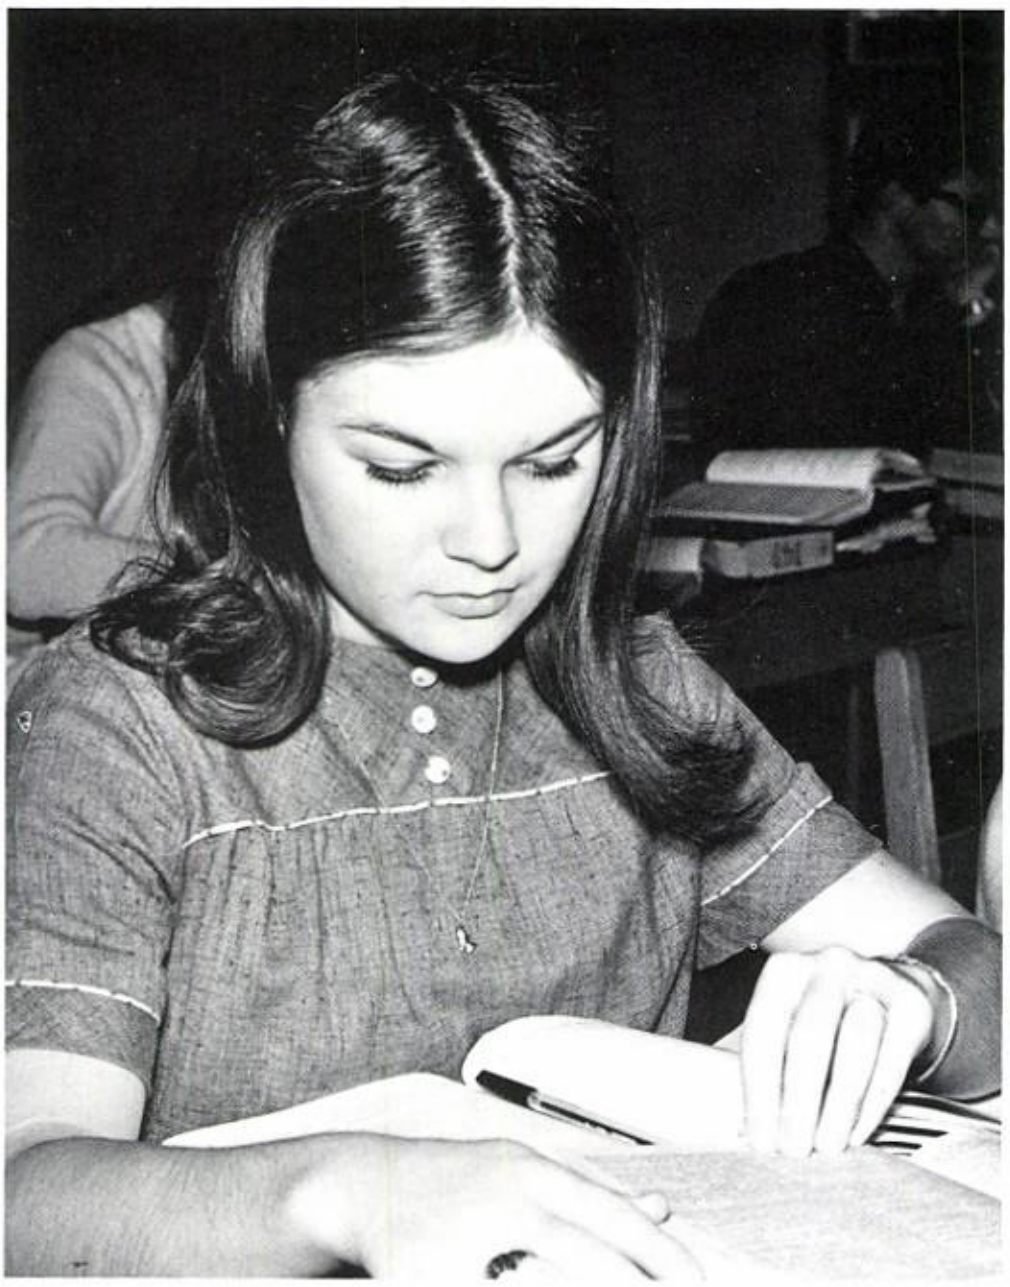
English Is the Key to Communications

English is one of the most important subjects taught at Woodlawn. It is the basis for thinking and understanding. Teaching the students to speak and write effectively helps them in all phases of life.

Echoes of excerpts from Julius Caesar can be heard through the halls of WHS. The English II students do an extensive study of Rome 44 B.C. Analyzing poems, short stories, and plays — besides grammar — are some of the topics taken by students to broaden their understanding in English. A Squire acquires a love and appreciation of our heritage as seen in American Literature. The seniors give dramatizations of parts of Shakespearean dramas and Pygmalions.

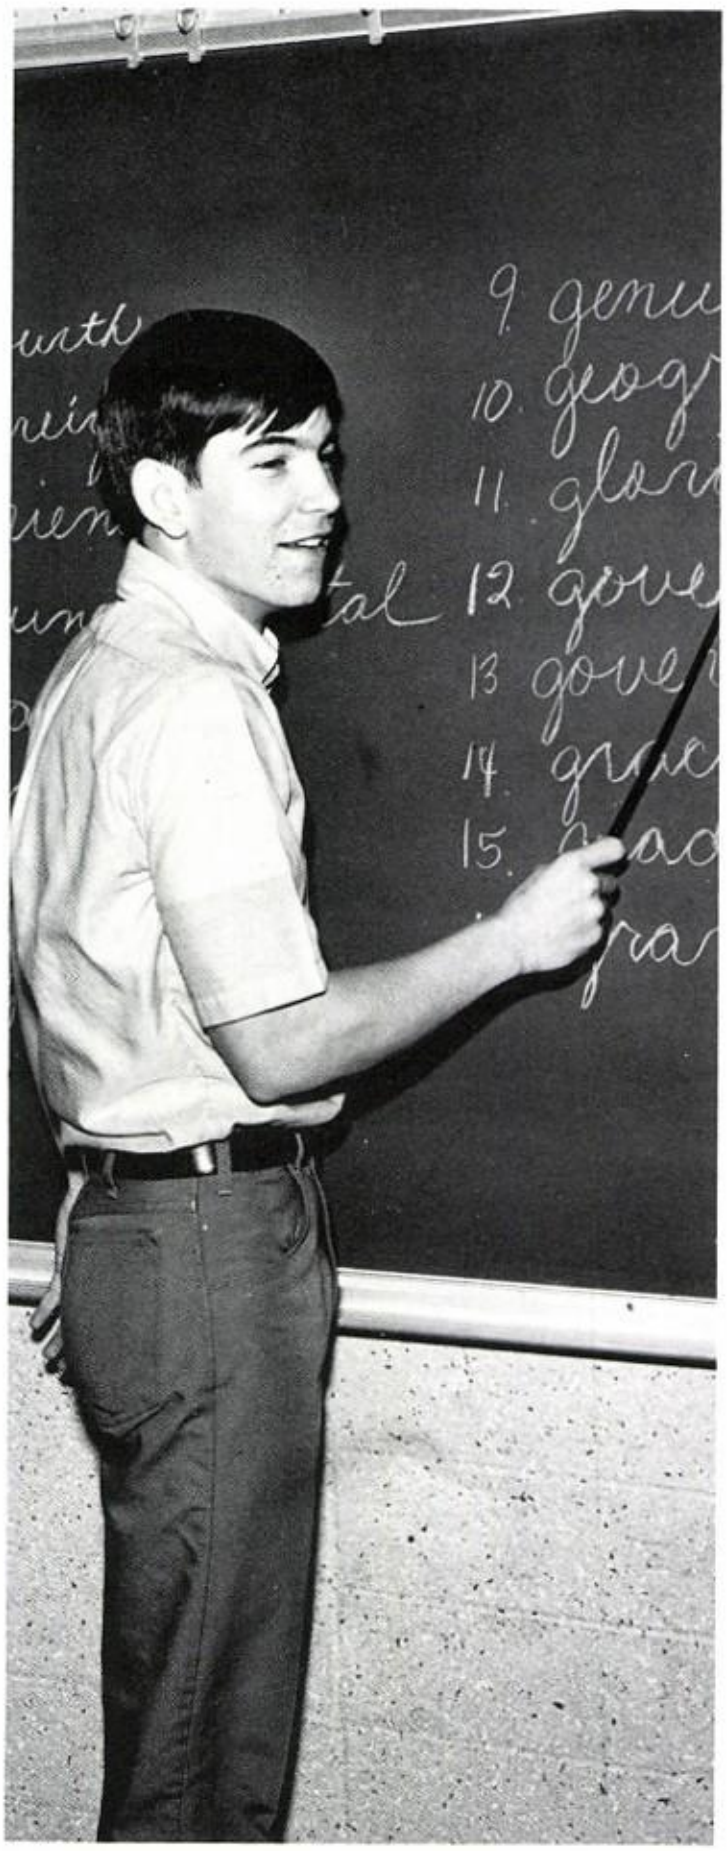
LEFT: Clarece Wolfe gives a book report for the members of her English III class.

ABOVE LEFT: Reading the Shreveport Journal is Wayne Barrett, one of the Journalism students at WHS.



BELOW LEFT: Senior, Carolyn Woodruff spent much time in research before completing her research paper. Every Knight must complete a research paper before he can graduate.

BELOW: Mark Hughes points out to members of his sophomore class that pronunciation is the key to spelling.



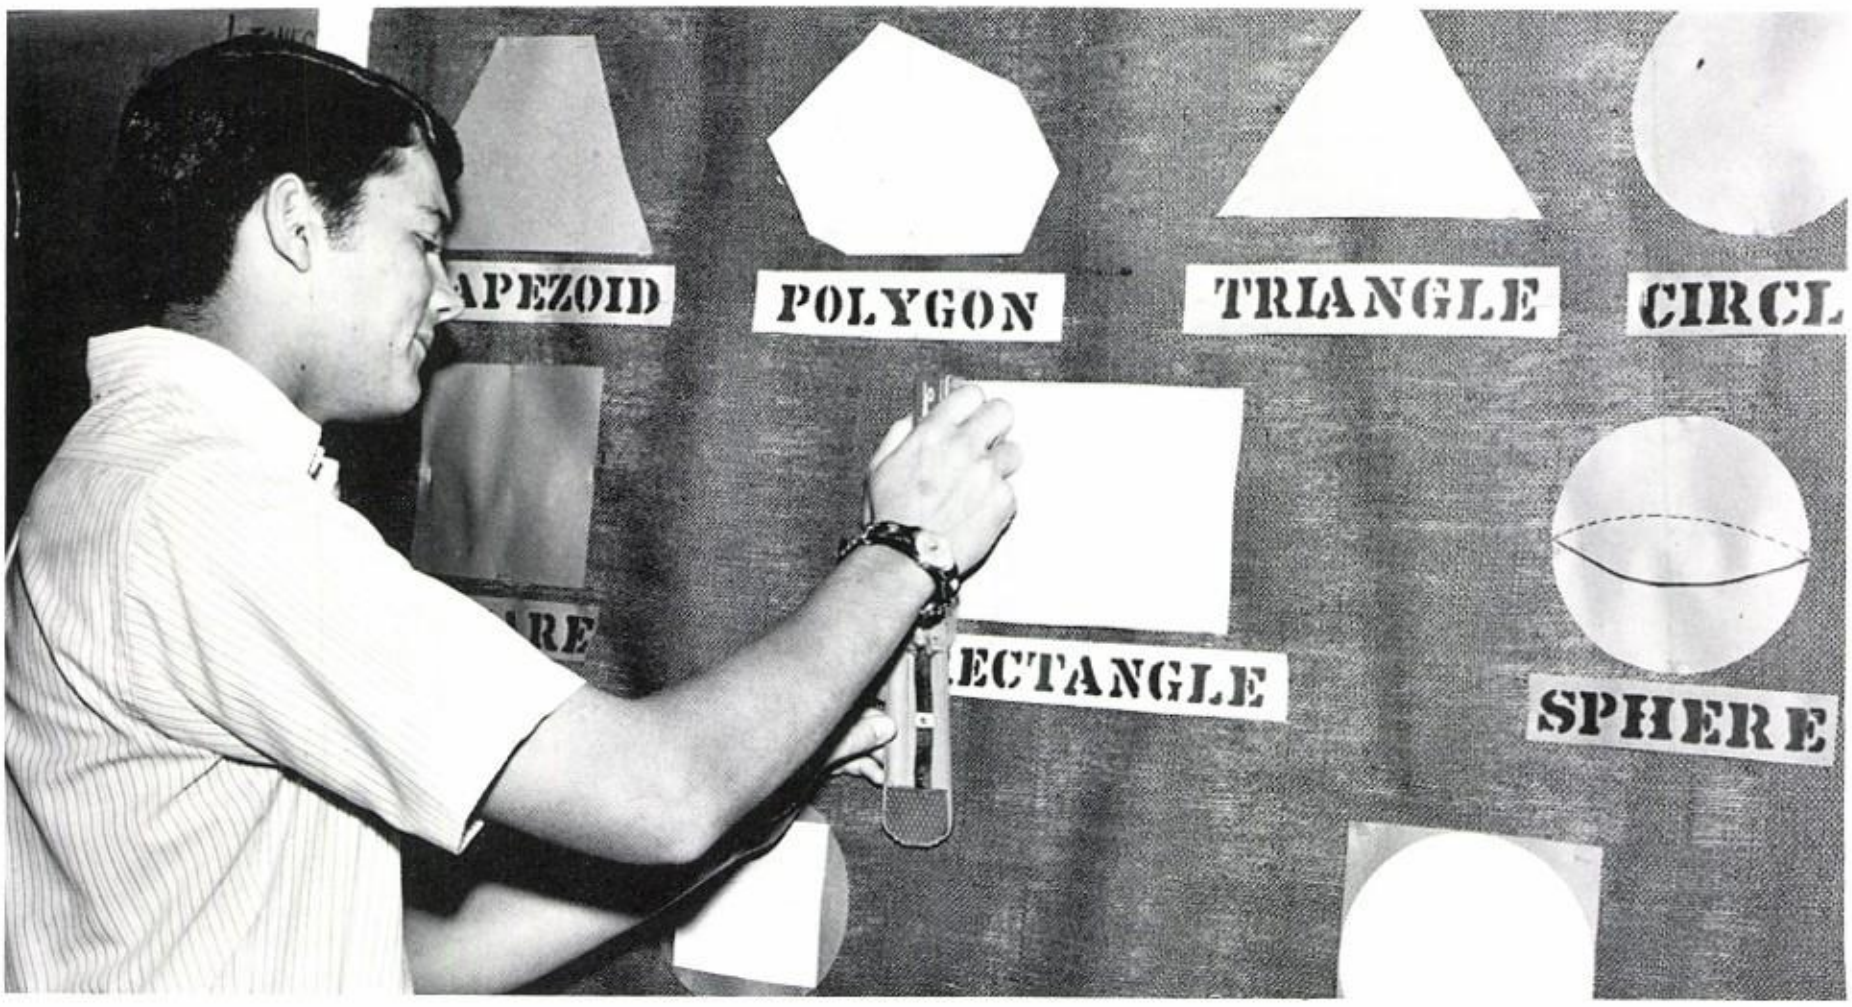
ABOVE: Ann Howard keeps Business Math students posted in this course by placing new articles on the bulletin board each six weeks.

Math Develops Reasoning

Mathematics of today is among the most active of all the Sciences. For students to be successful in meeting the demands of different careers, they must be well versed in mathematics.

The Mathematics Department offers Business Math and General Math for students not planning to attend college. They begin studying the simplest of geometry problems and proceed to the most intricate math problems. Among these subjects offered are Algebra I, Geometry, Algebra II, and Advanced Math which give each student the basic understanding of this subject.

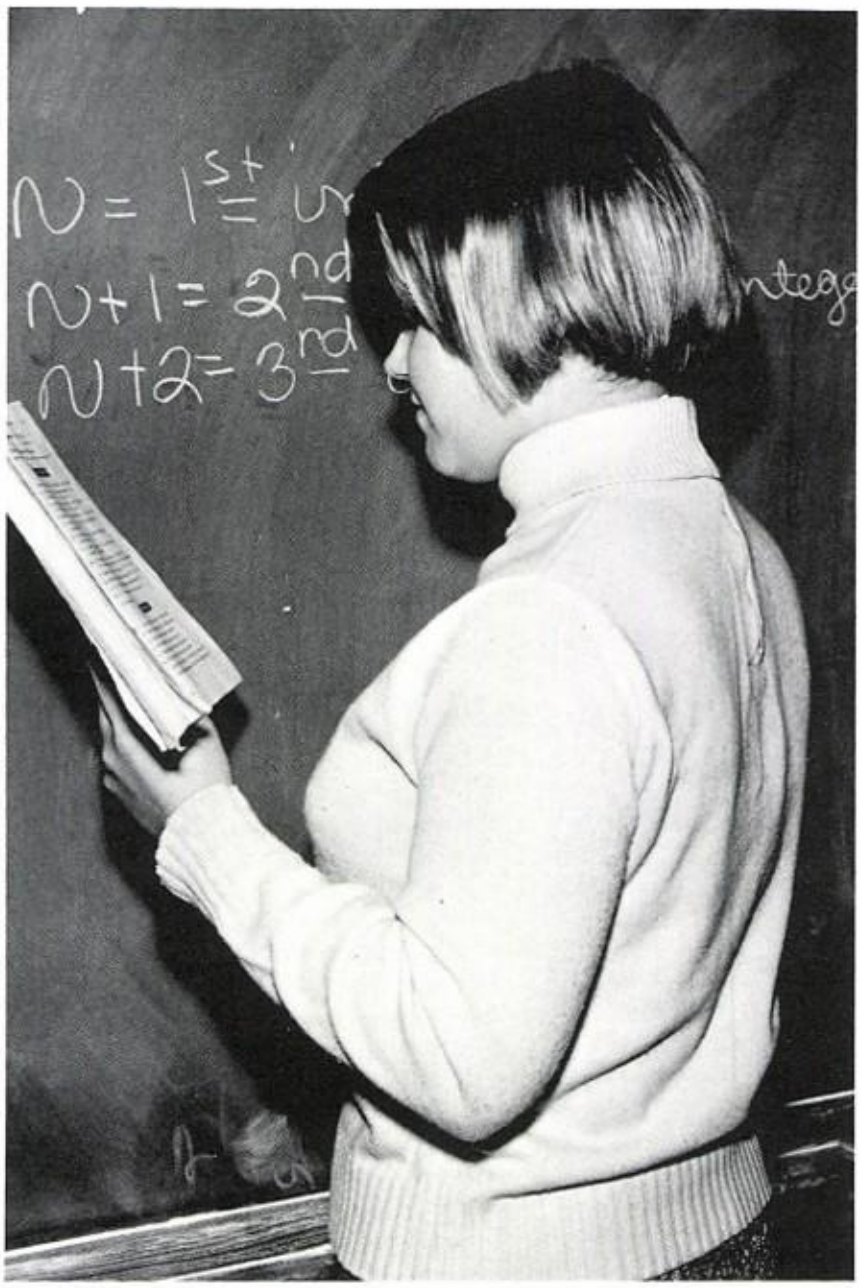
LEFT: Dot Comans hurried to finish a math test taken in Algebra II before time was called.



Roger Byrd staples geometric figures, used in explaining geometry, to the bulletin board for his math teacher, Mrs. Martin.

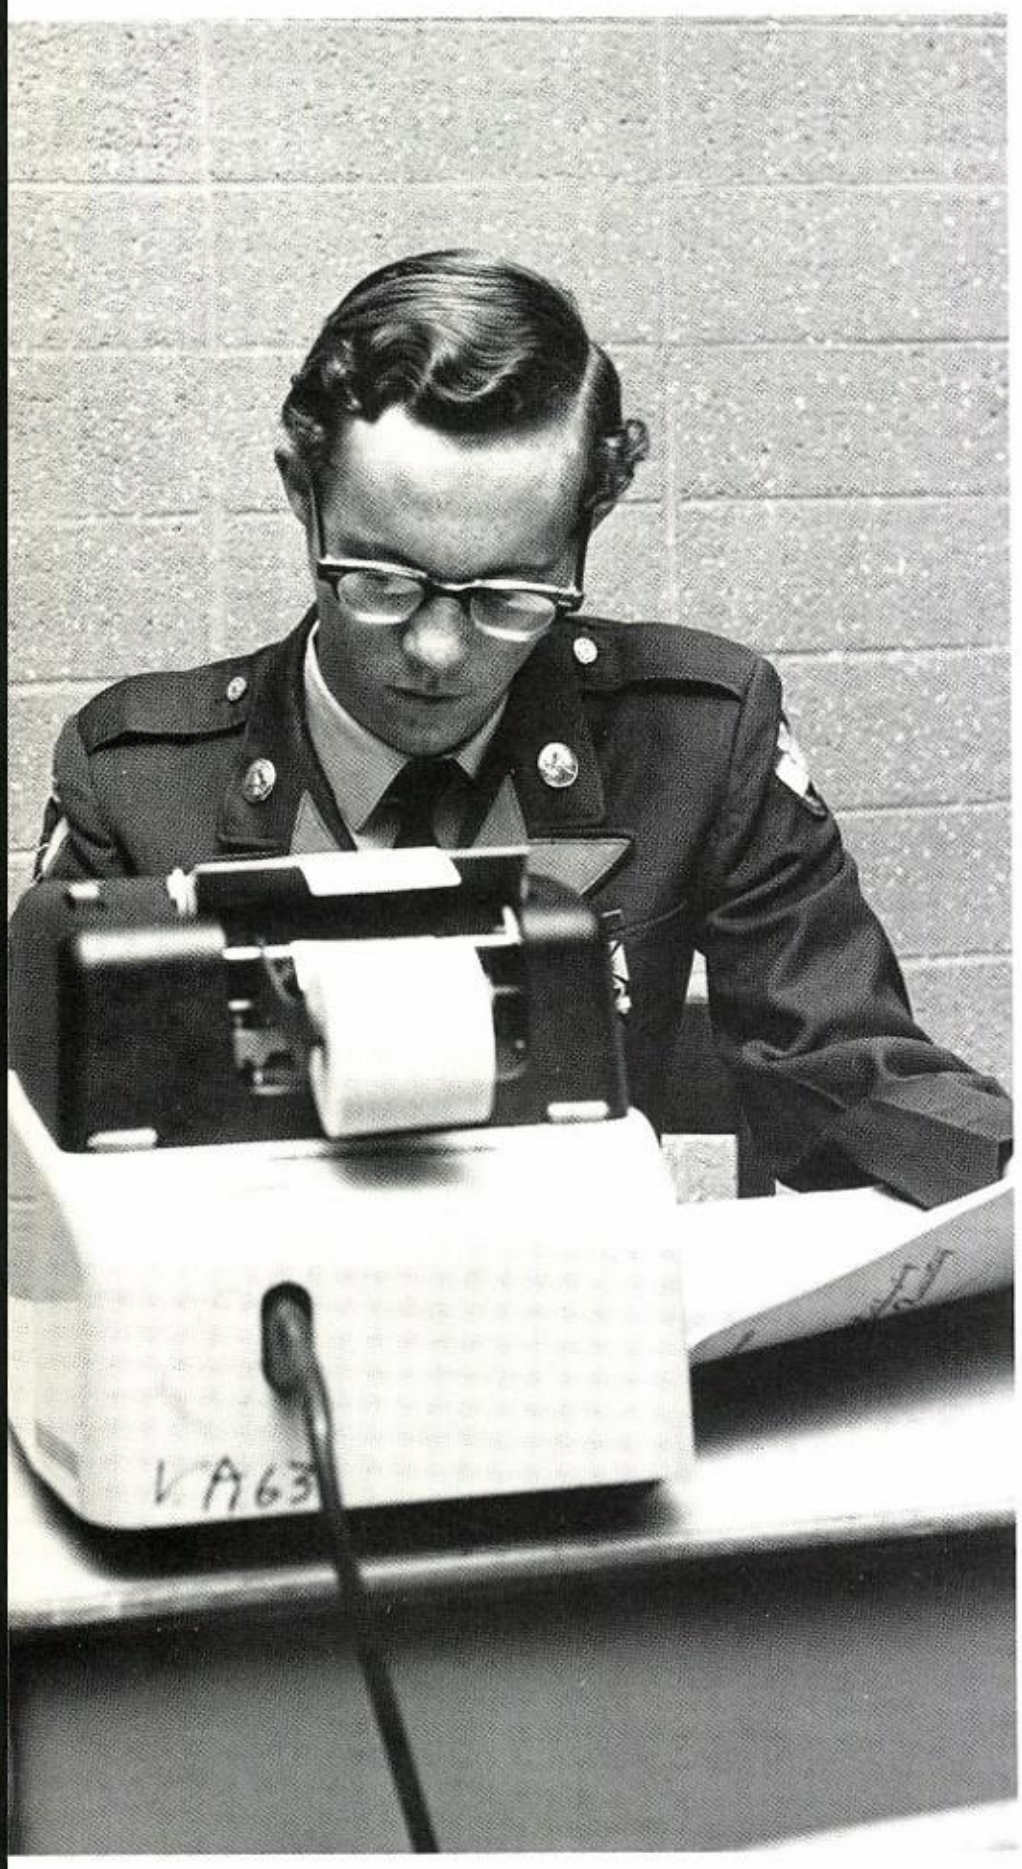
BELOW: Richard Gertson explains the steps of a problem to members of the advanced math class.

BELOW: Sue Stamp uses the aid of her book to work a problem on the board.



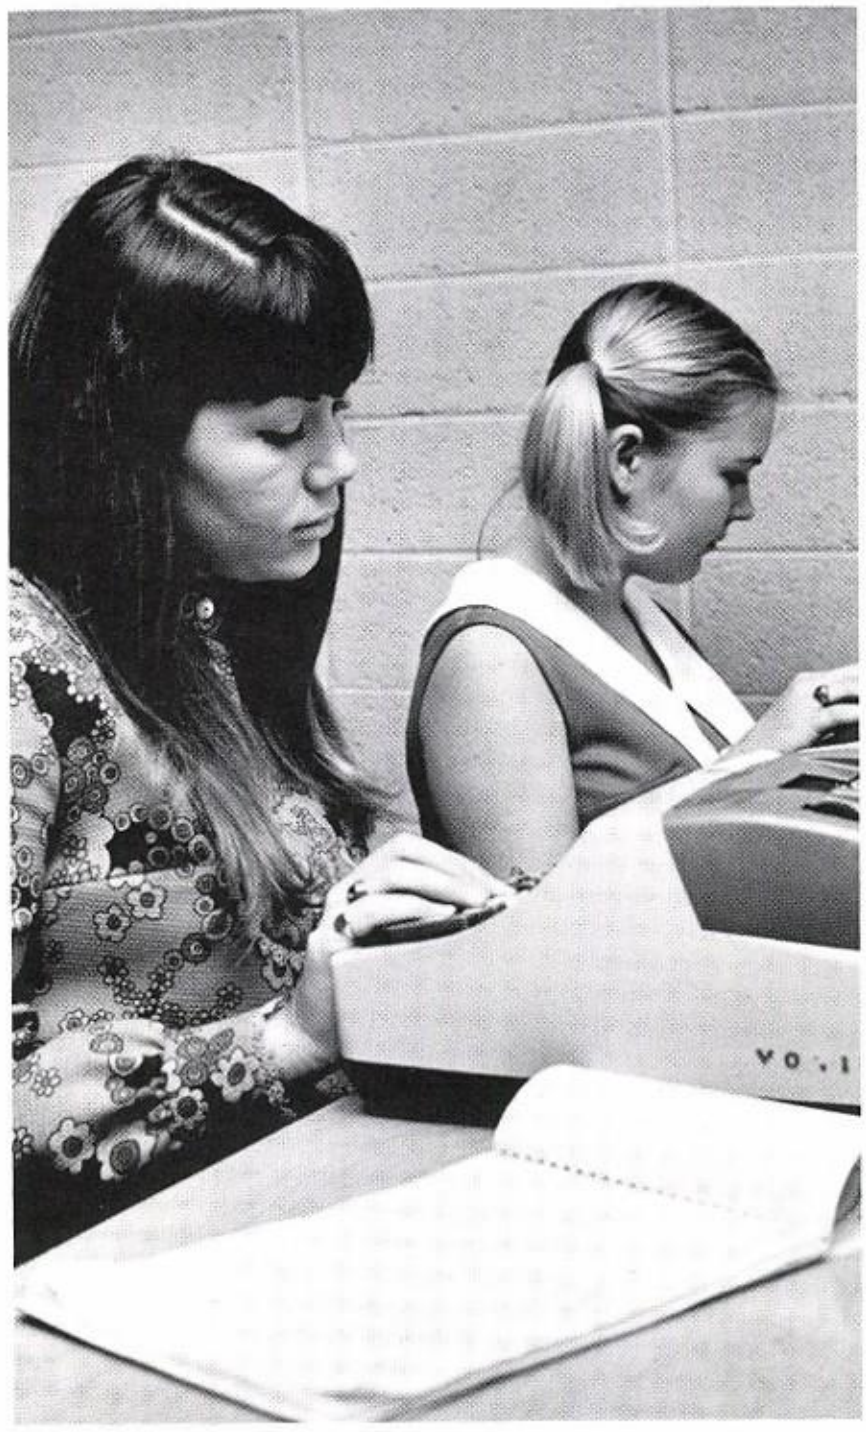
Practice Builds Basic Business Skills

Business education is concerned with preparing students for the future. With this knowledge students become effective members of our economic society. These courses supply unlimited opportunities for each student. Among these activities are planning their careers in business. Many of the students find that specialized subjects such as personal typing and shorthand aid in improving study habits. The business courses being offered include typing, shorthand, clerical practice, bookkeeping, business English, and business machines. A solid education in the fundamentals of business is helpful to become a successful member of the business world. These are the basic skills that will be needed for initial employment and for further advancement in the field. Upon graduation many students are able to acquire reputable positions.



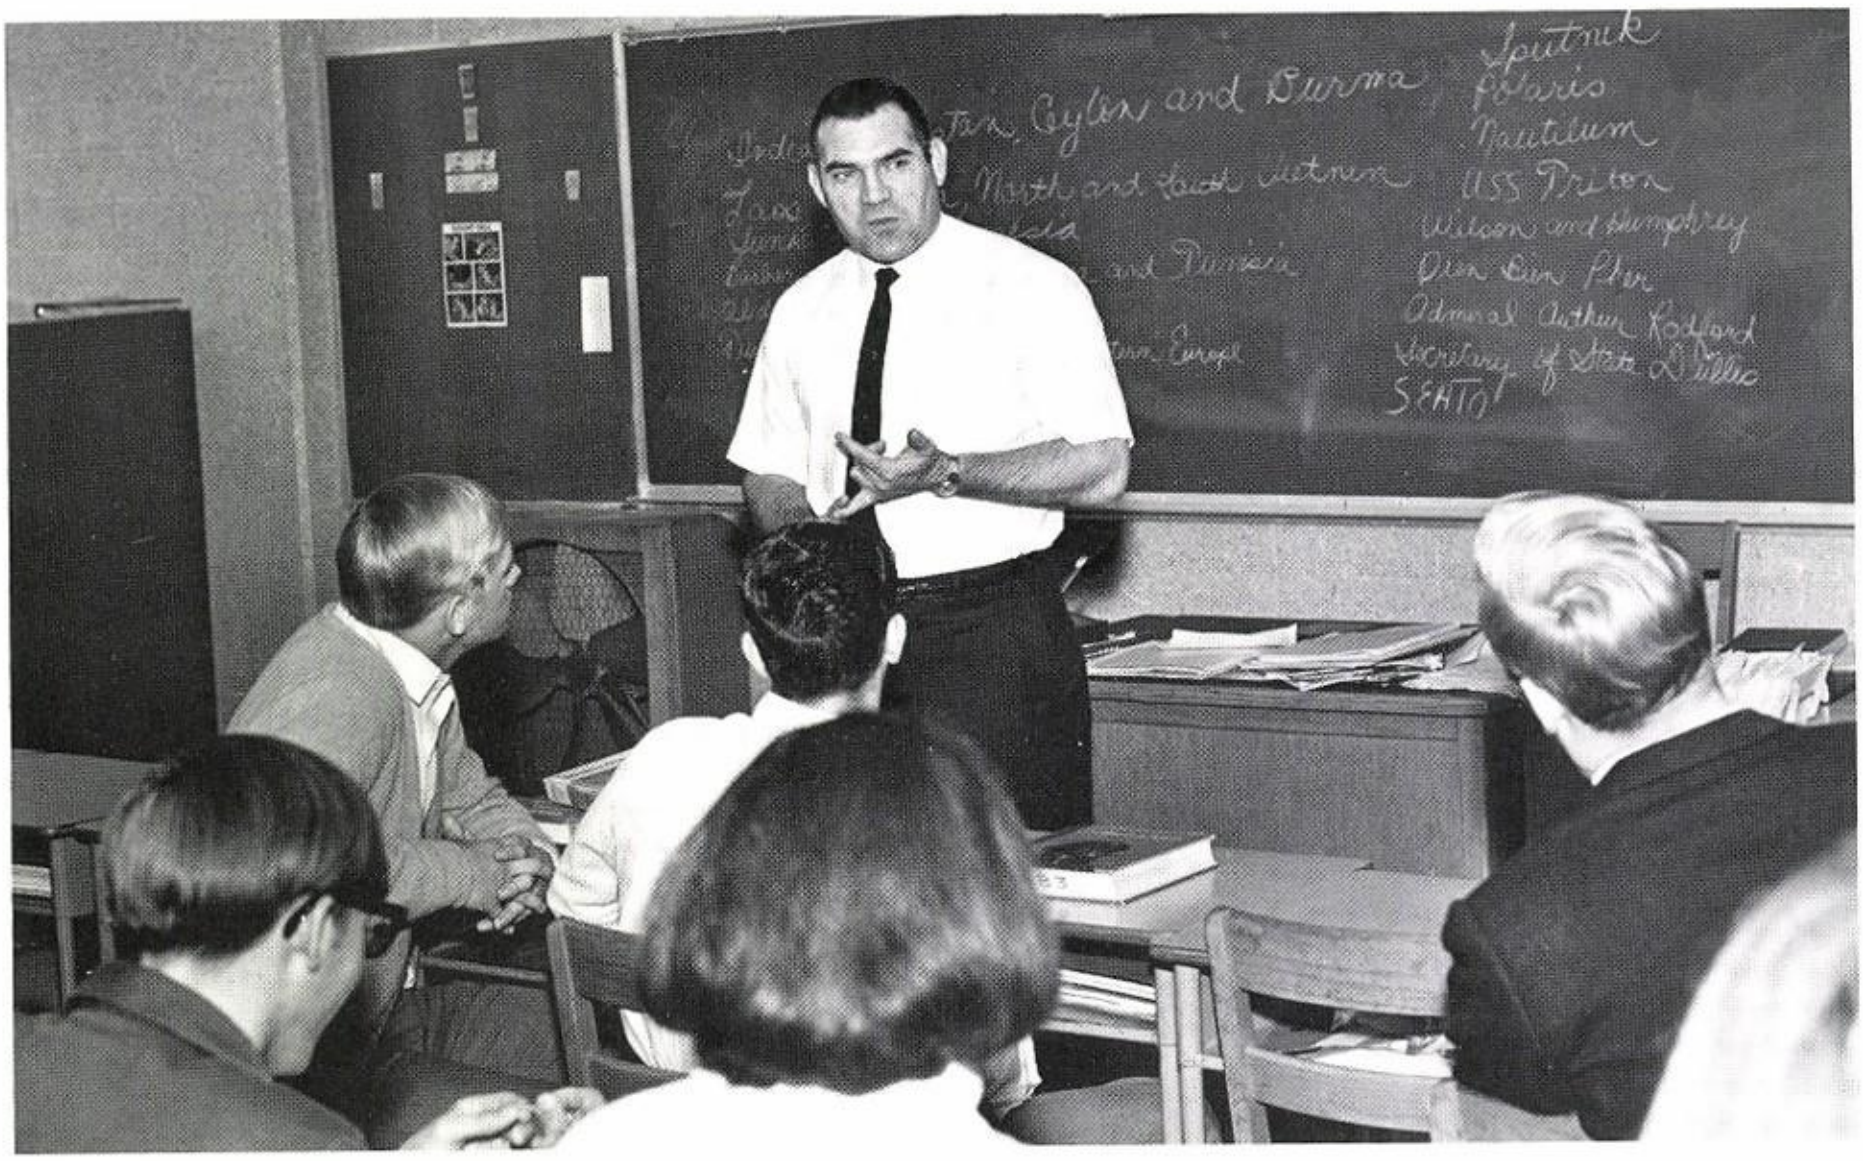
LEFT: The use of the adding machine comes in handy to Richard Brown in bookkeeping.

BELOW: Data Processing is a new subject offered to students this year. Cathey Rape and Vickie Smith find the use of adding machines helps them solve difficult problems.



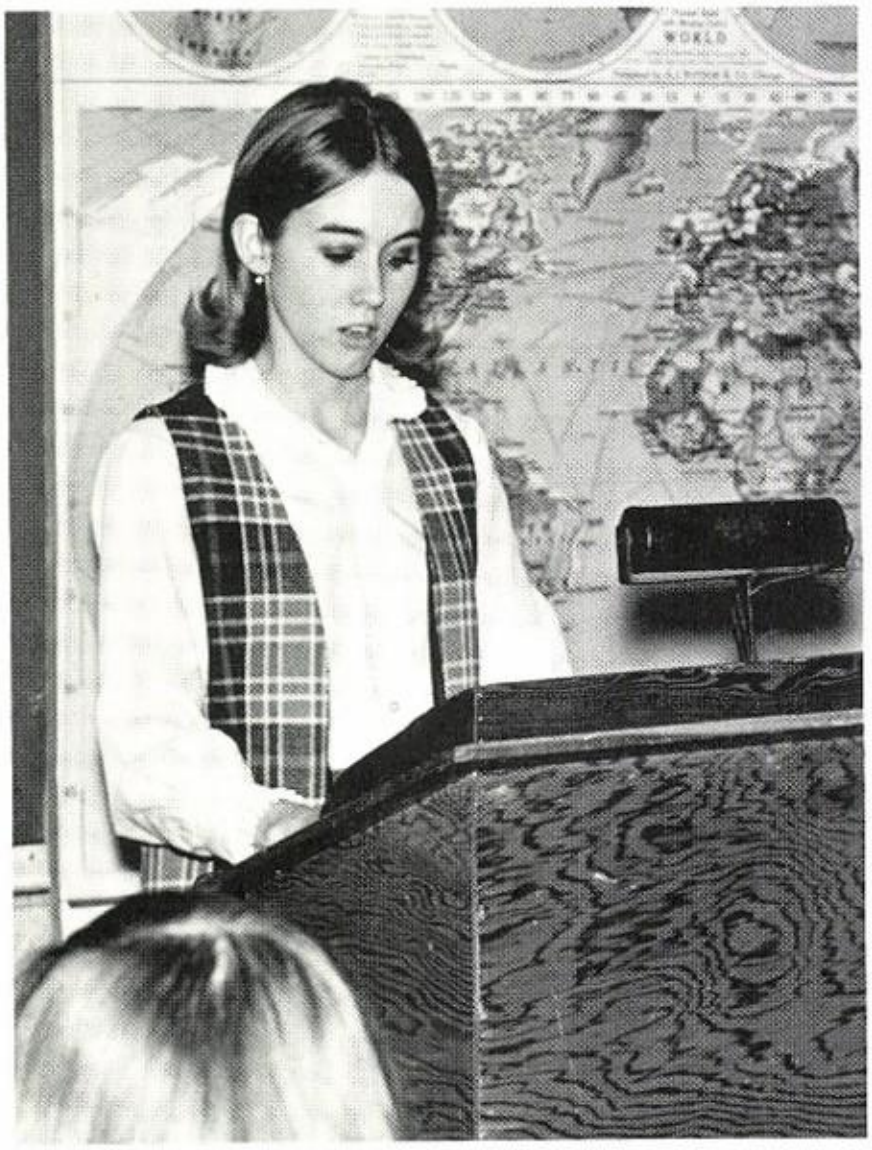
ABOVE: Speed and accuracy is the goal of typing students Sharon O'Daniel, Menena Bond and Pam Knight, as they strive to master the typewriter in one of their daily tests.

BELOW: Brenda Brown, Debbie Turk, Janie Benfield, Penny Harper, and Sandra Rigsby take timed minute writings to develop skills in shorthand.



American history students are fascinated by Mr. Crowder, as he leads a class discussion on world problems.

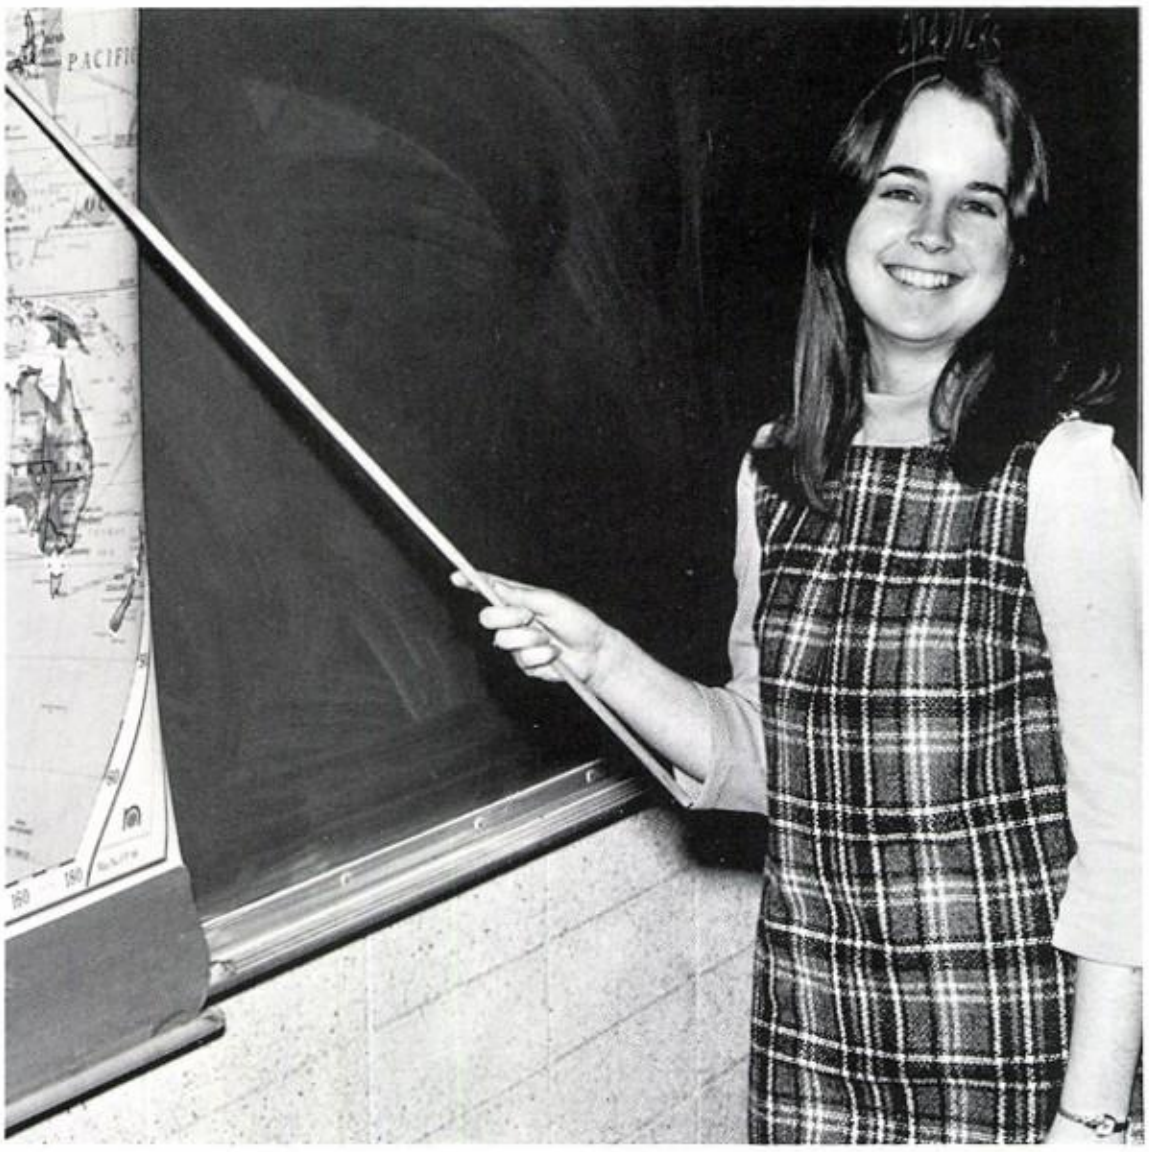
History Puts



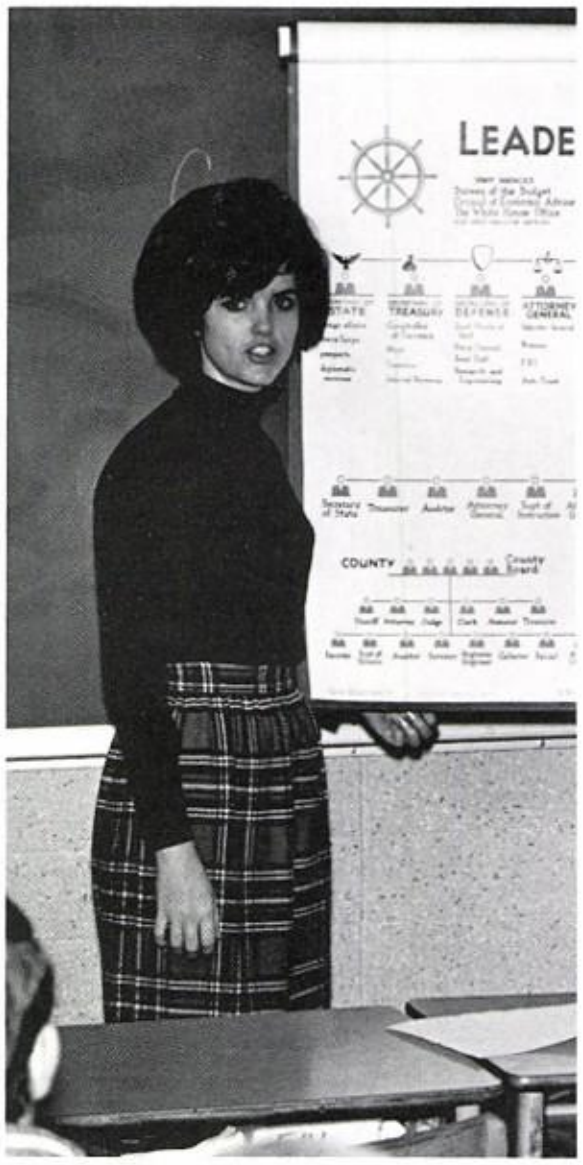
An understanding of the past provides us with the key to the future. With this thought in mind the Social Studies Department sets its goals. Classroom discussions on current events stimulate an interest in state, national, and world affairs. Films as well as textbook information help students to understand their American heritage and to become aware of their rights and responsibilities as citizens.

Economics and international relations as well as the histories provide the student material essential to understanding government and people. A proper background in history equips the students with the materials to contribute to society and be an effective world citizen.

LEFT: Cathy Culverhouse gives a report of national affairs in world geography.



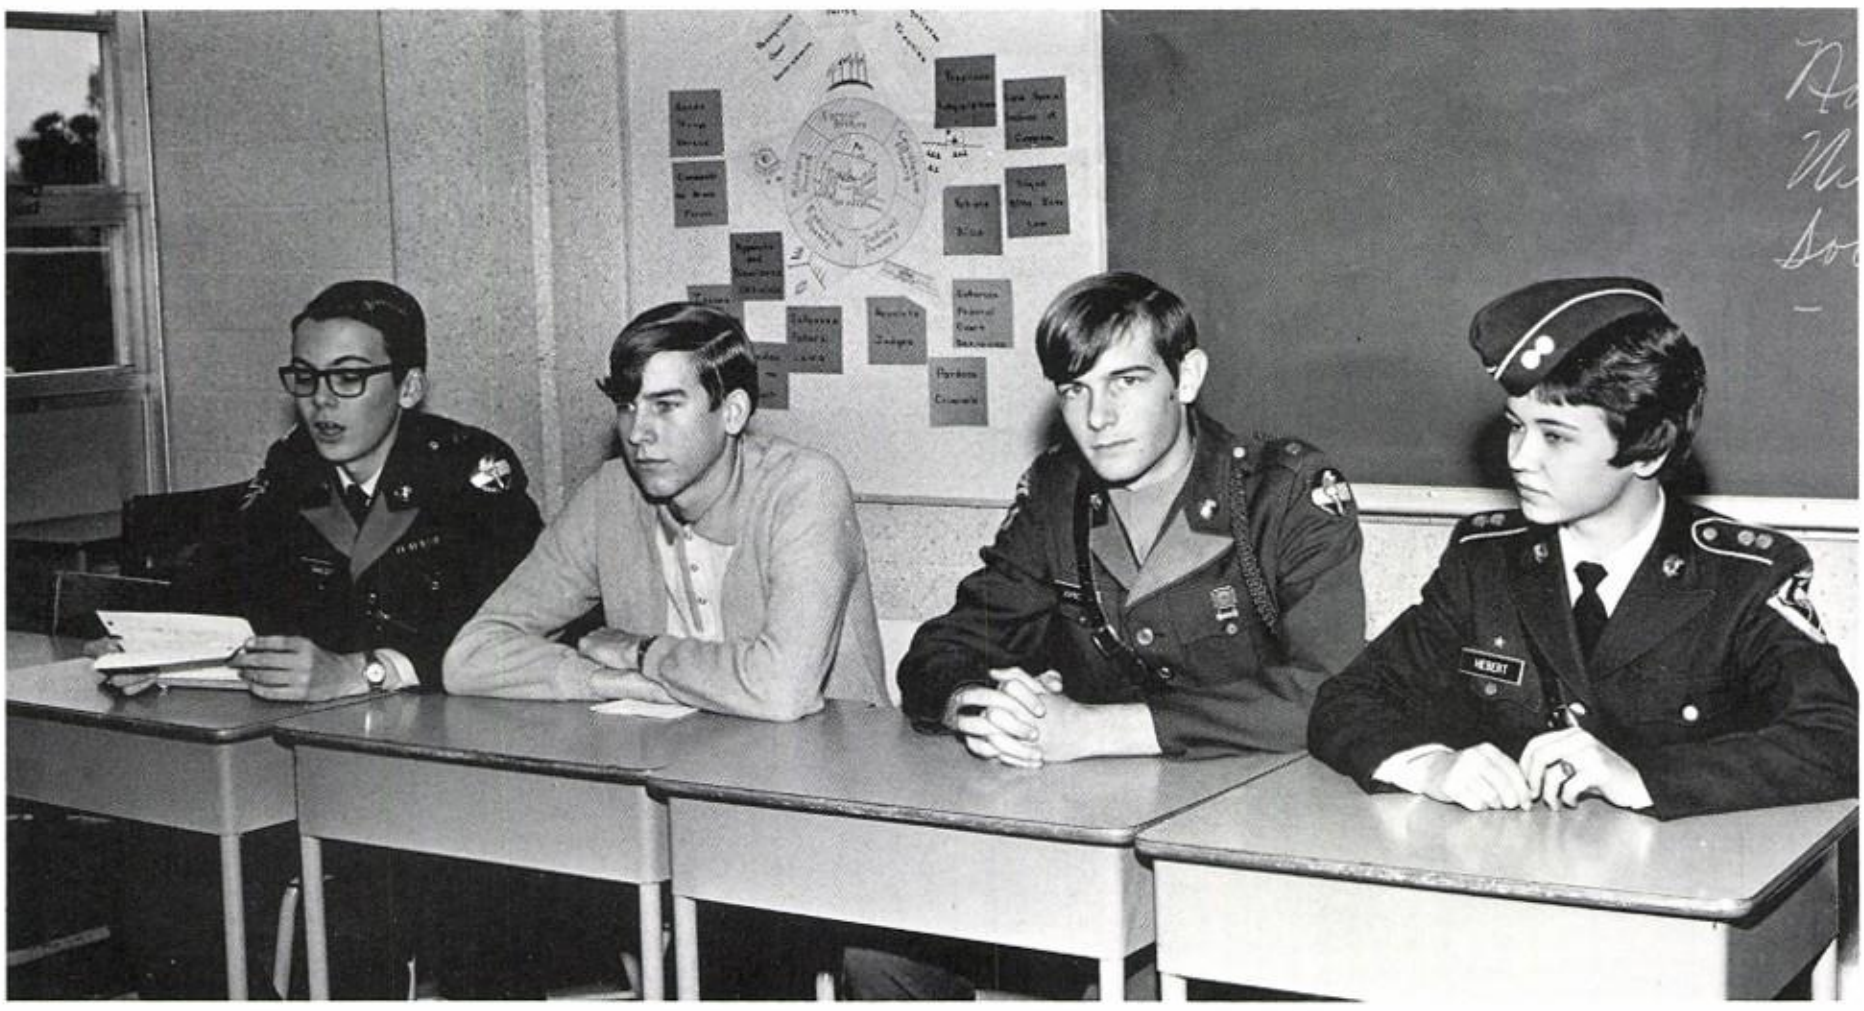
Tina Mayfield tells interesting points to general history class about a country she has pointed out on a map.

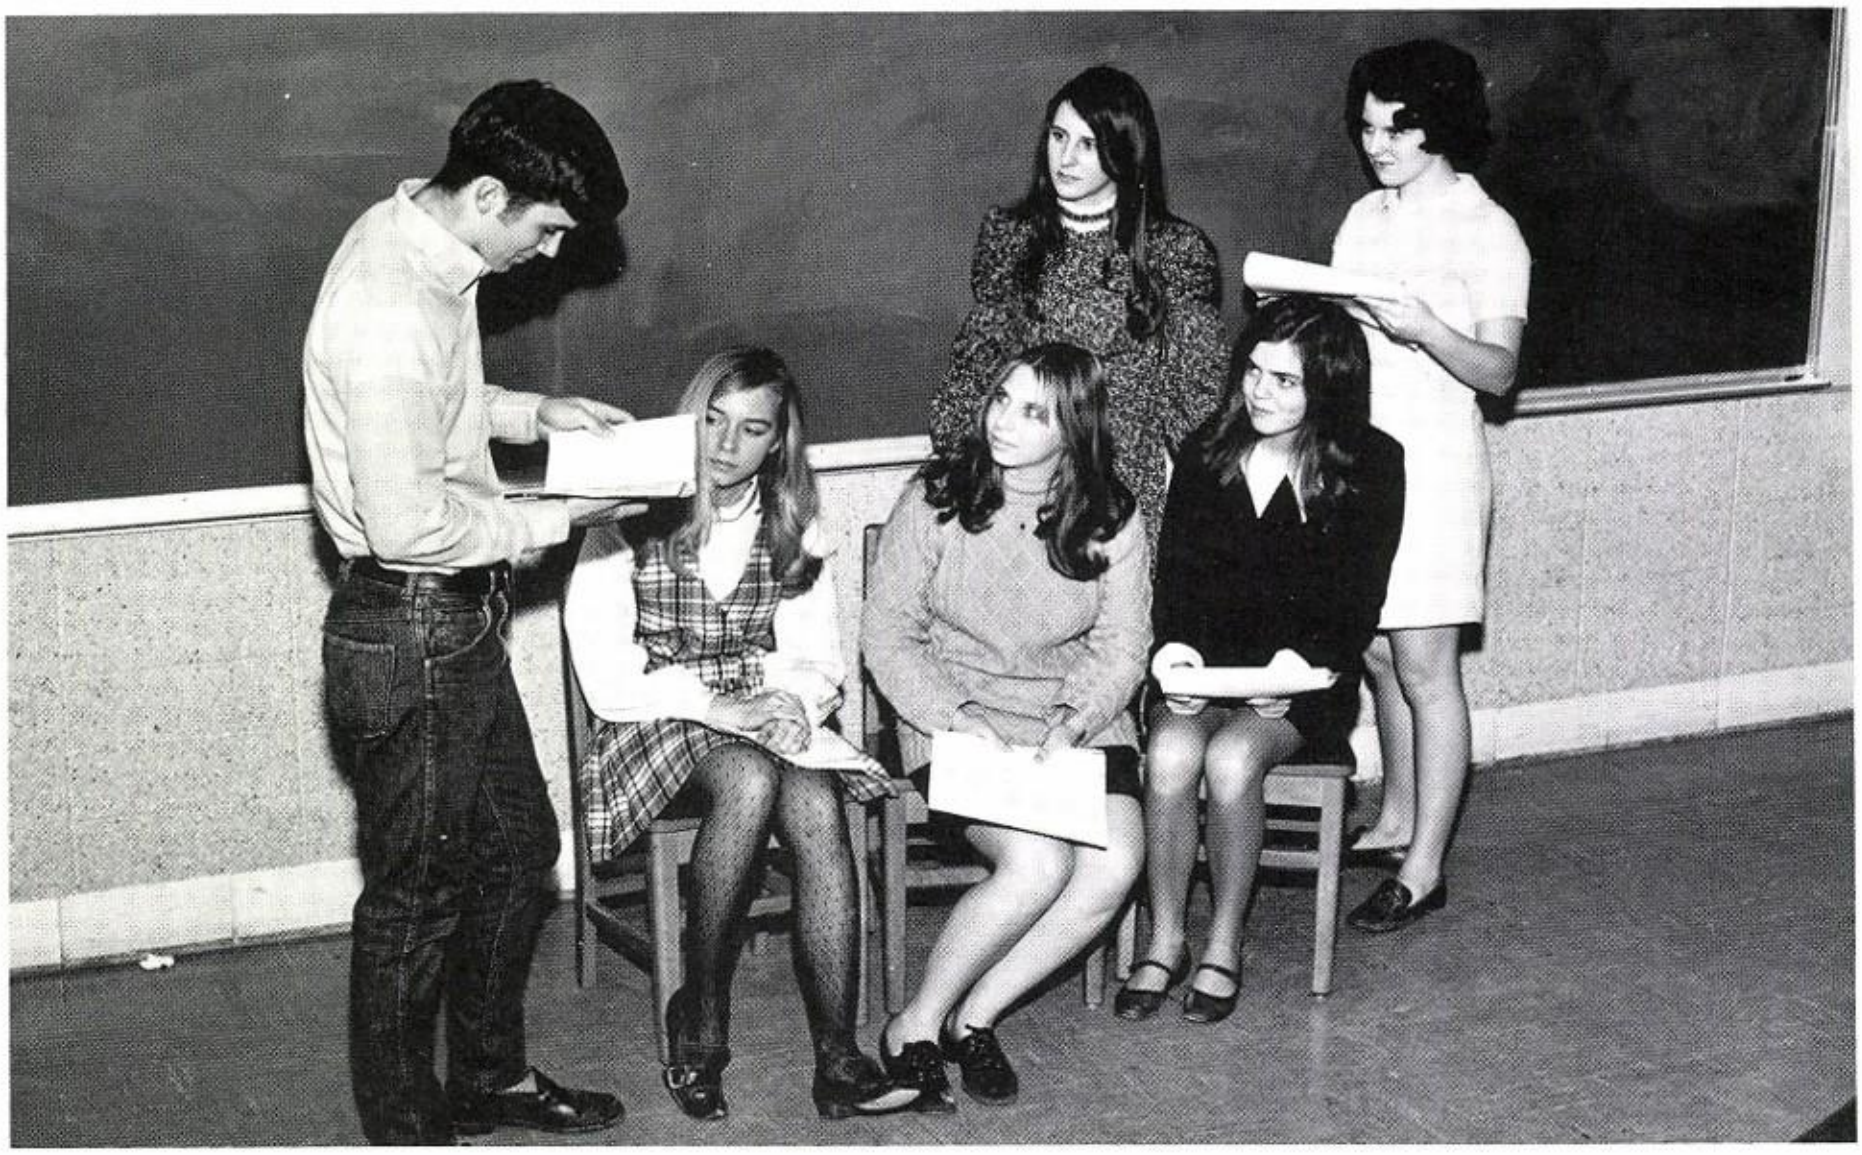


Mrs. Diehl give a lecture on leadership to her Civics Class.

Present Into Perspective With Past

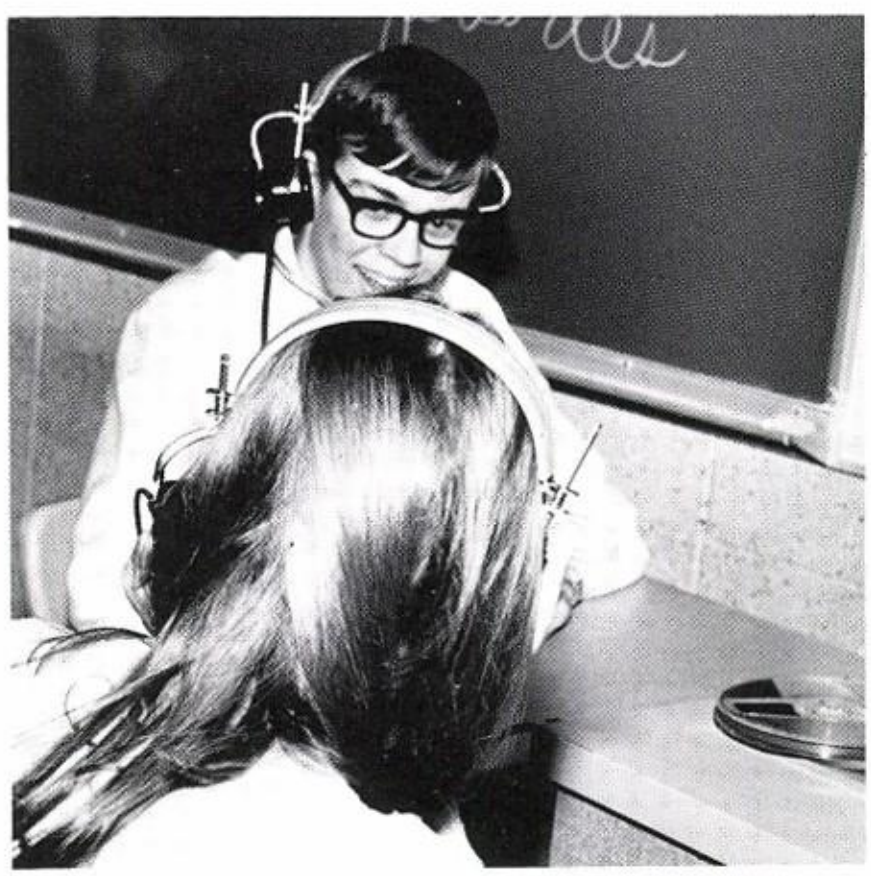
Economics students, Reymond Bailey, Deryl Medlin, Brooks Johnston and Patrice Hebert find ideas through discussion groups stimulate thought.





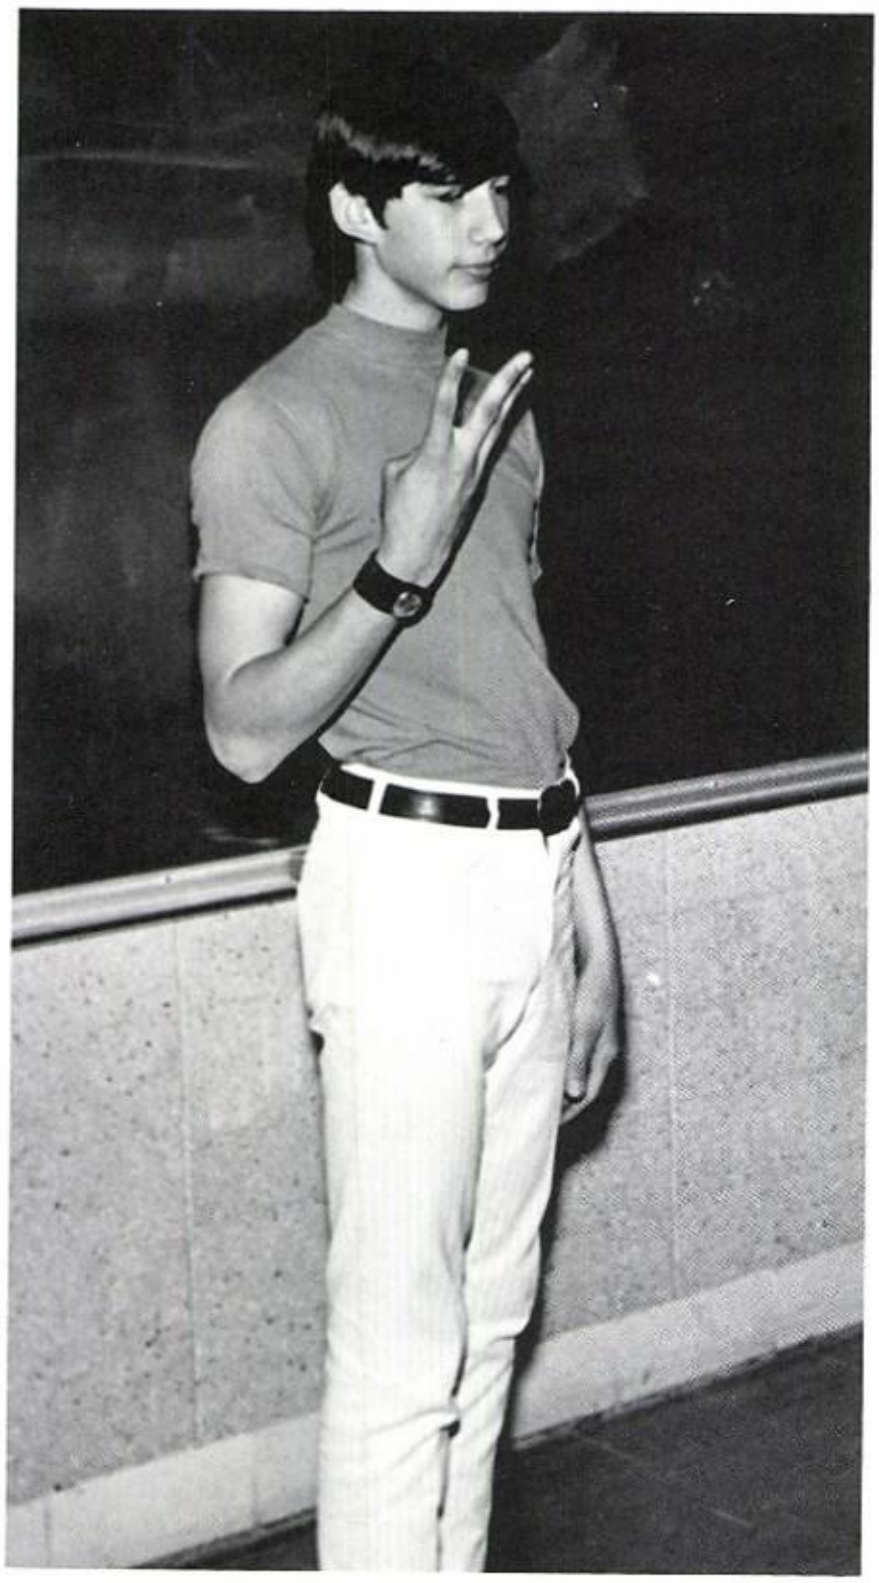
Buddy Dilman reads to Speech II students, Candy Roberts, Bobbye Heath, Darlene Shumway, Susan Barton and Melanie Wallace.

Speech Improves Communication



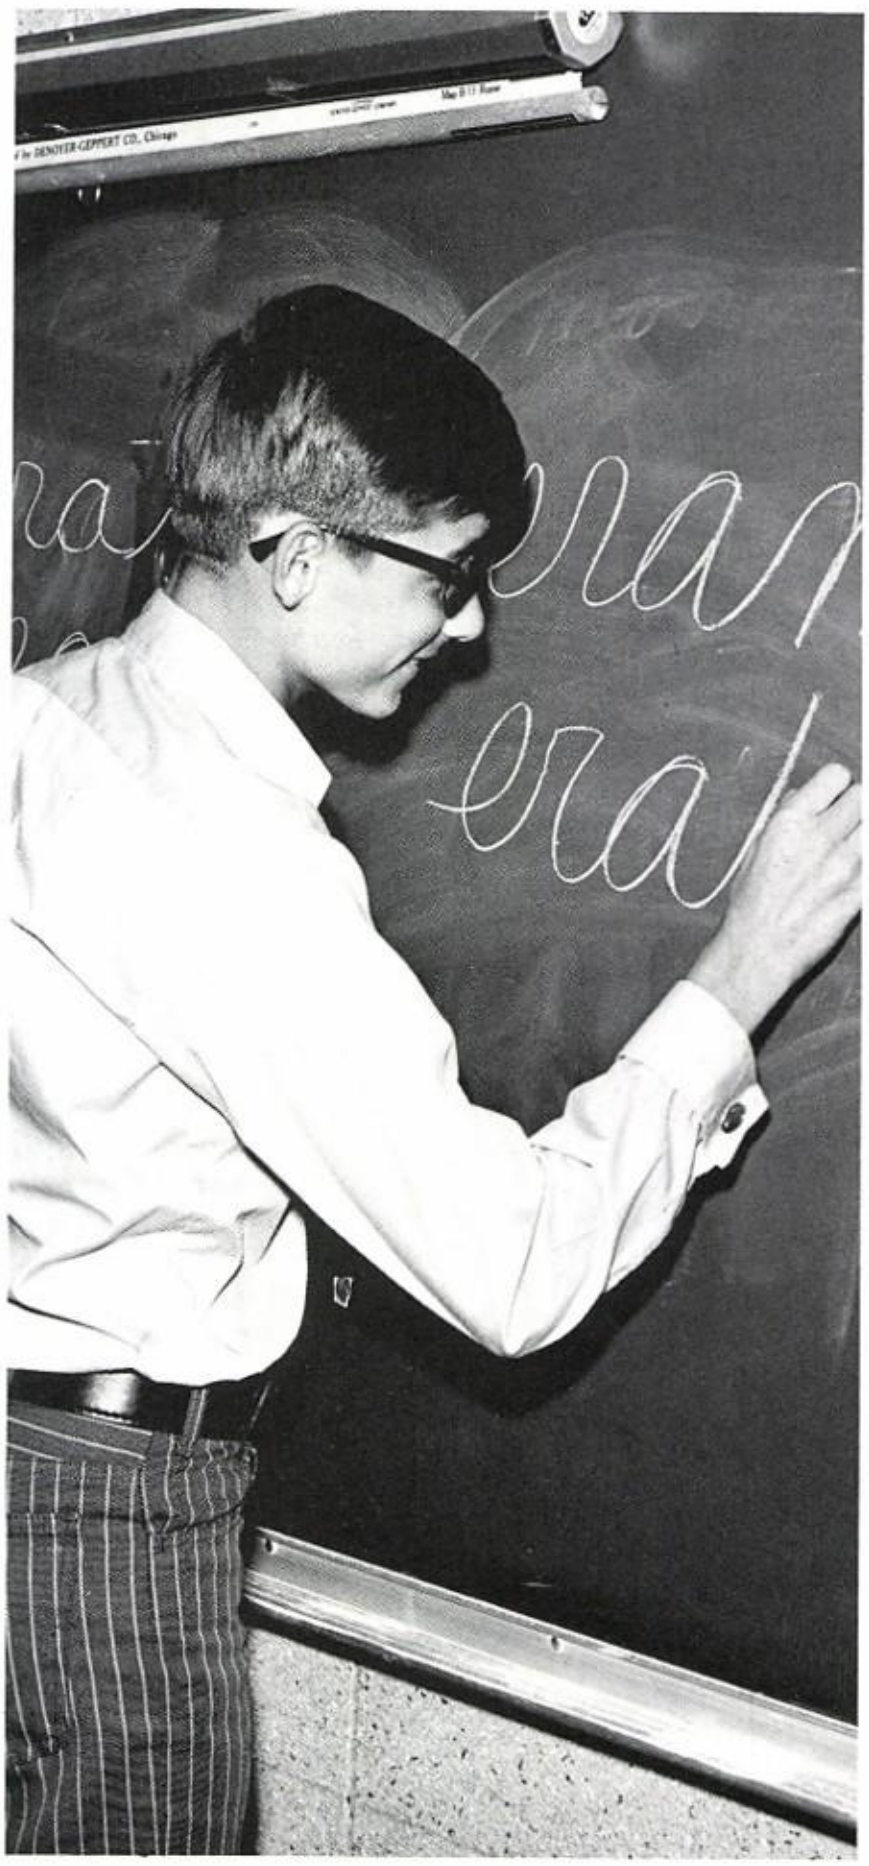
ABOVE: French students Cay Johnson and Larry Mercer listen to conversation played through the earphones of a tape recorder.

LEFT: Cindy Lester is preparing a nativity scene with Spanish interpretation on the bulletin board.



LEFT: In Speech I students learn to speak with ease before other people. To improve gestures Ken Wilcox gives a demonstration in charades to the members of his class.

BELOW: Sophomore Steve Brown taking Latin I for the first time demonstrates for his classmates how to conjugate the verb be on the blackboard.



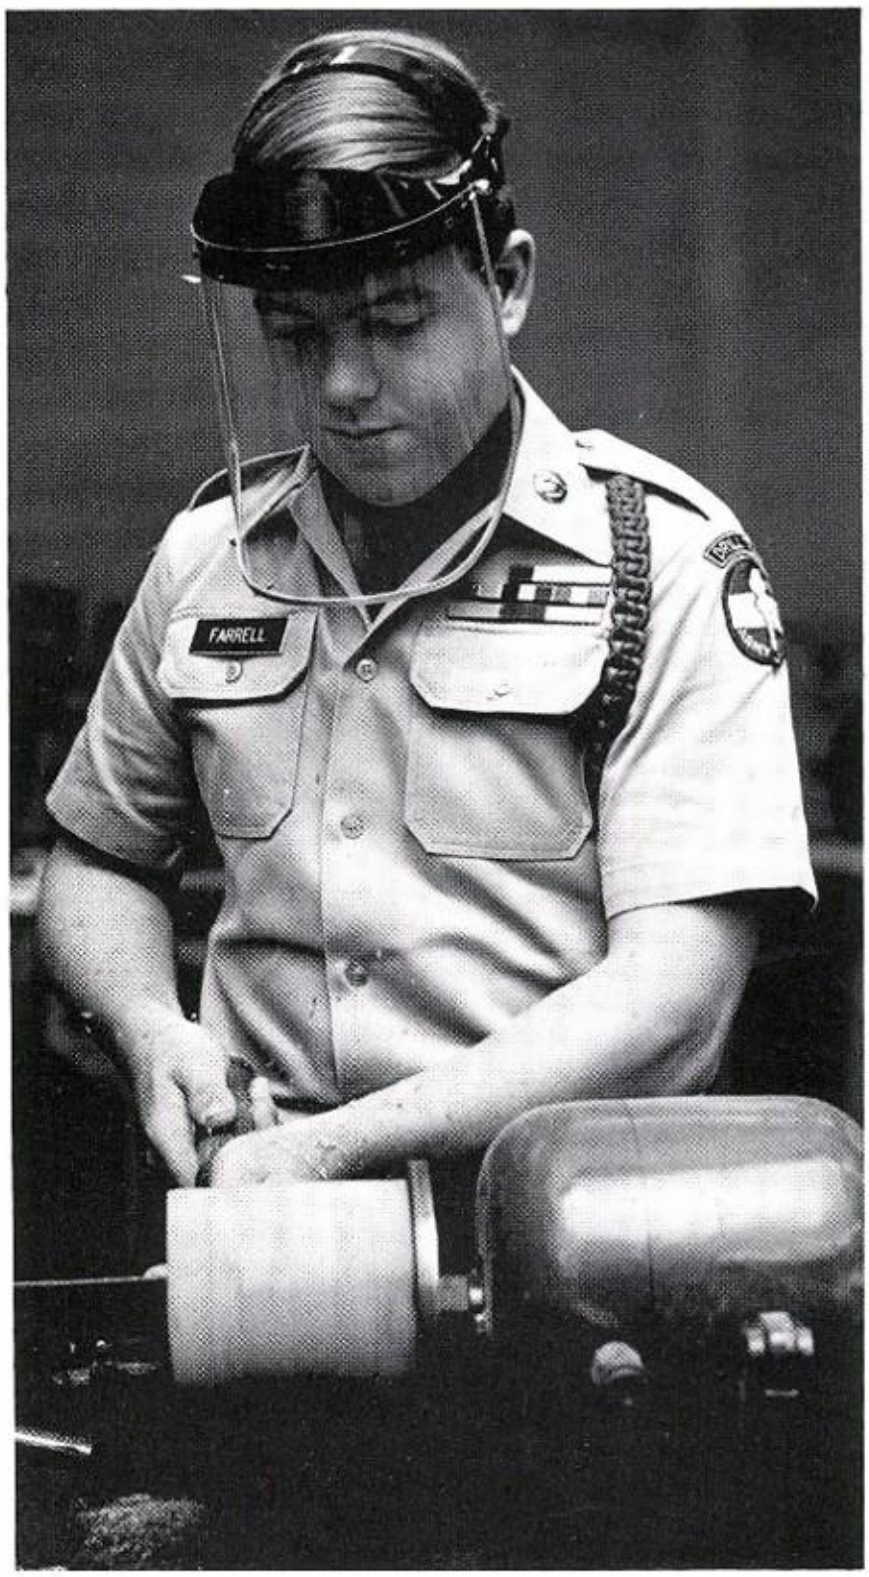
Language pupils not only learn dialect but also the customs and living habits of the land from which the language originates. Students find plays, songs, and skits make the language more interesting.

The Language Department offers French, Spanish, and Latin. Recordings and films are some of the effective means used to learn languages.

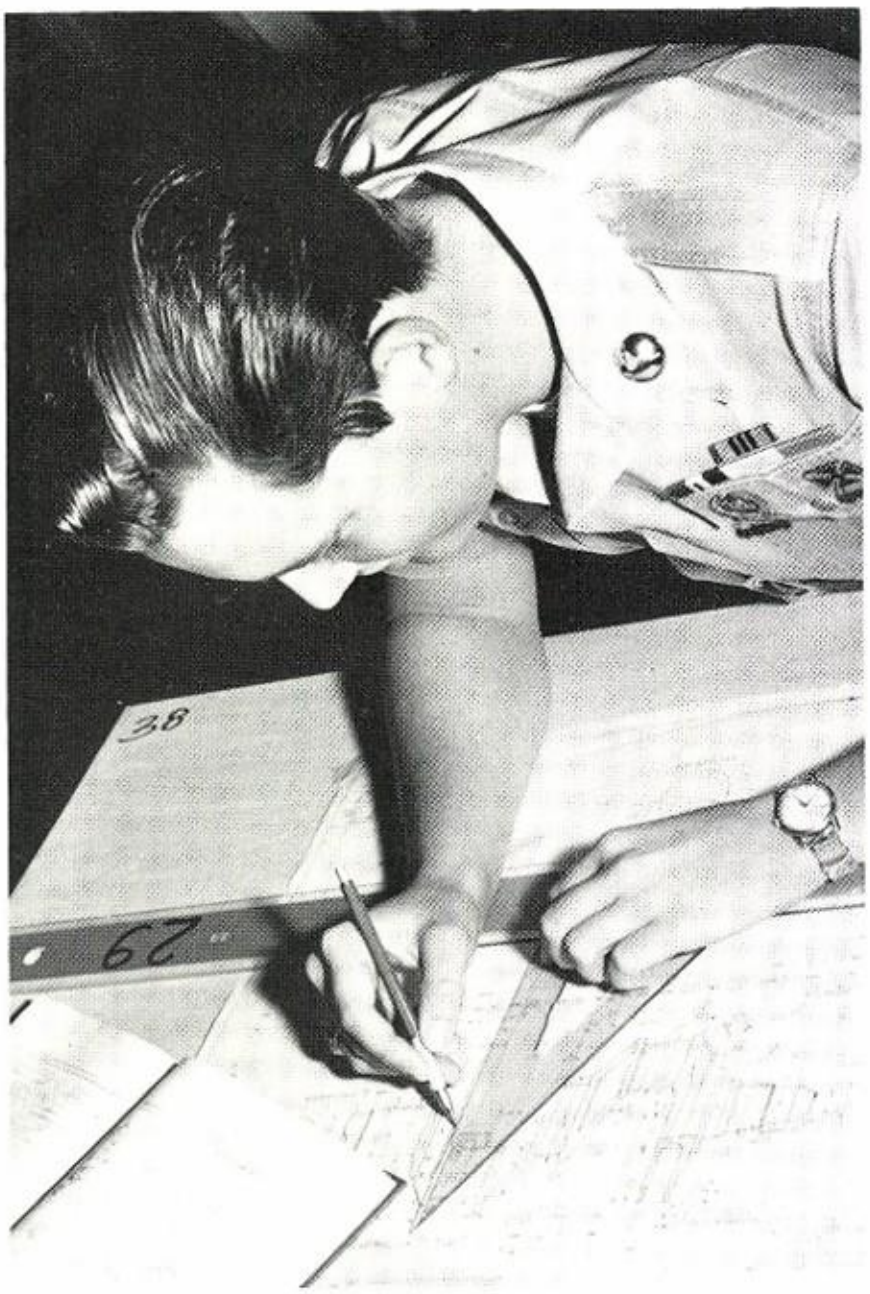
Speech I, II and III are offered to students to teach each of them to be more efficient and qualified speakers. Speech I centers around acting techniques and individual readings while Speech III trains on debating.

ABOVE: Edith Spiegel, Pat Combes, and Vickie Williams put finishing touches on a wedding cake.

RIGHT: Ott Farrell gives a demonstration to the woodwork class.



BELOW: Mickey Bullock uses a straight edge to complete his engineering drawing of a crank shaft.



There are many electives to select from at Woodlawn. Courses in agriculture, electronics, mechanical drawing, motor mechanics, Home Economics, and Home and Family Living are among these.

Power mechanics is most liked by boys. This course teaches the basic fundamentals of small engines. Every student will find this course to be very beneficial in preparing him for a job. Students found a field trip through Poulan Chain Saw Plant the most interesting.

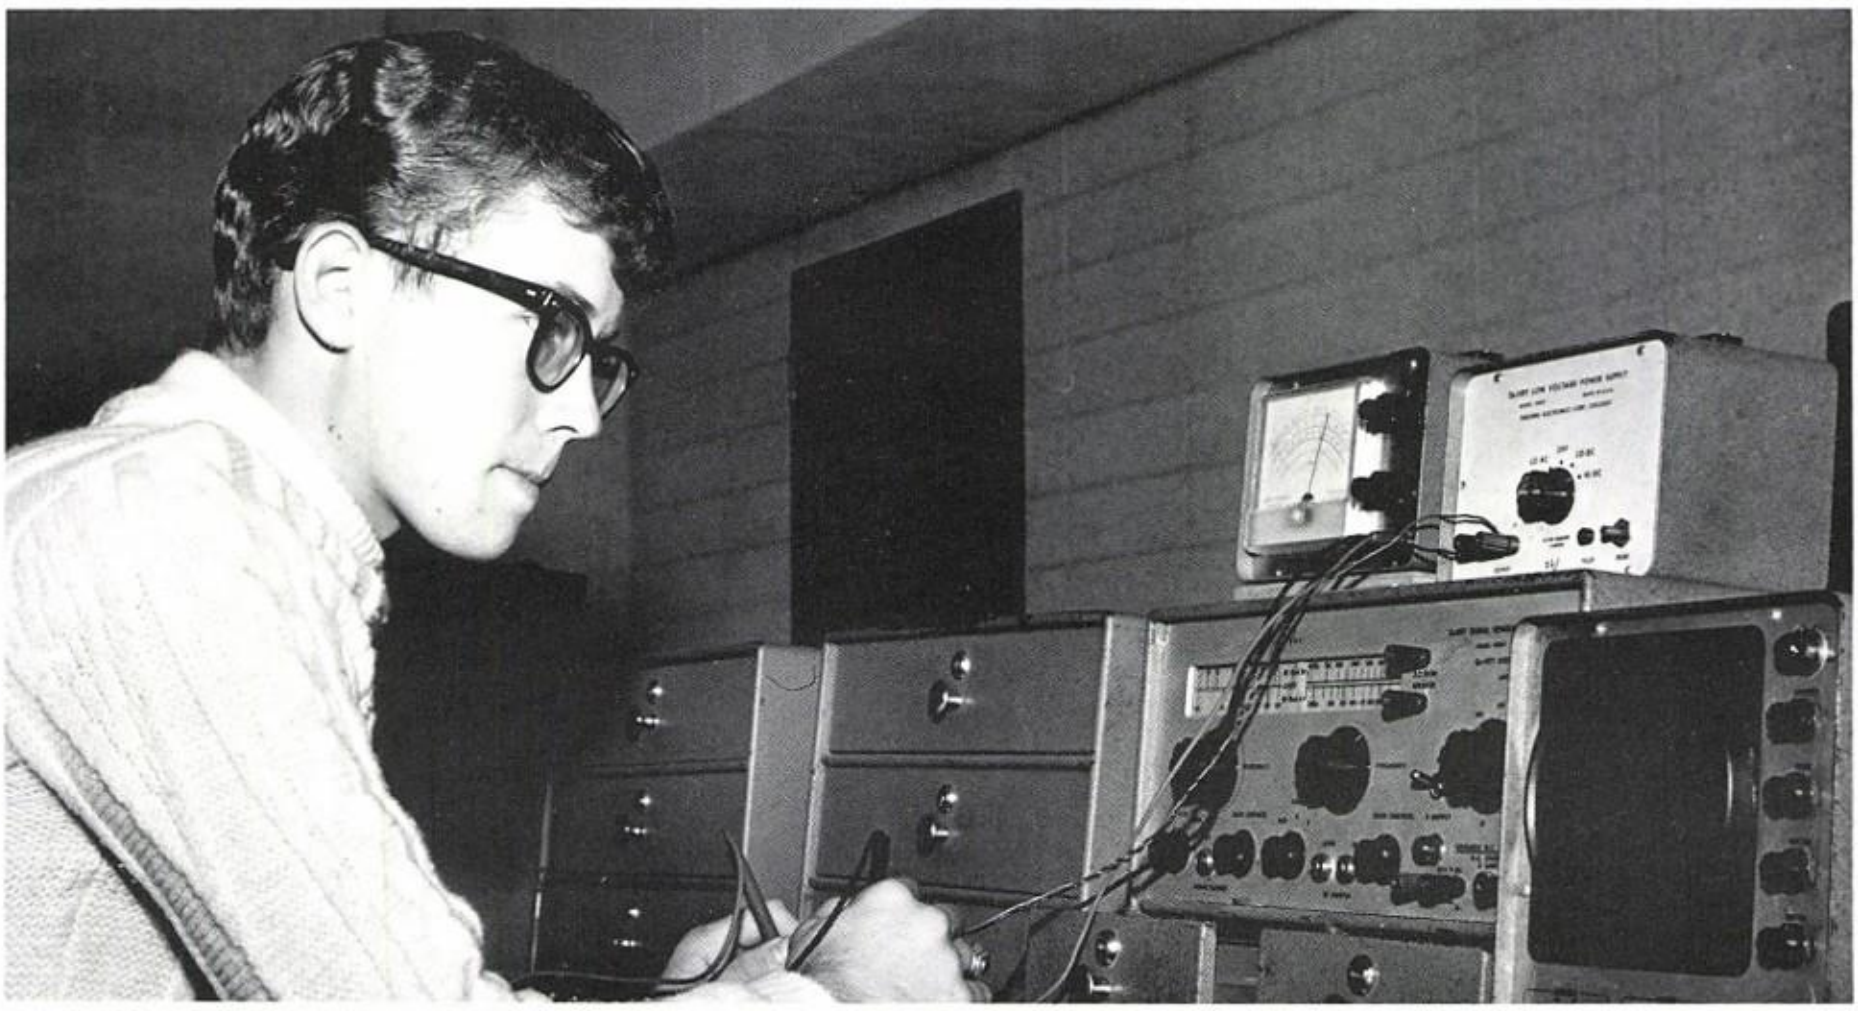
FFA Green Hand Chapter was organized for the first time in the Agriculture Department. This course prepares students for farming and other fields of agriculture.

Woodlawn provides experience in the fundamentals of woodworking.

Mr. McKinnon, driving instructor, teaches students the proper attitude and helps them develop safe driving methods. This usually lasts about one six weeks, then students carry on with study the rest of the year.

Many Opportunities Offered in Electives

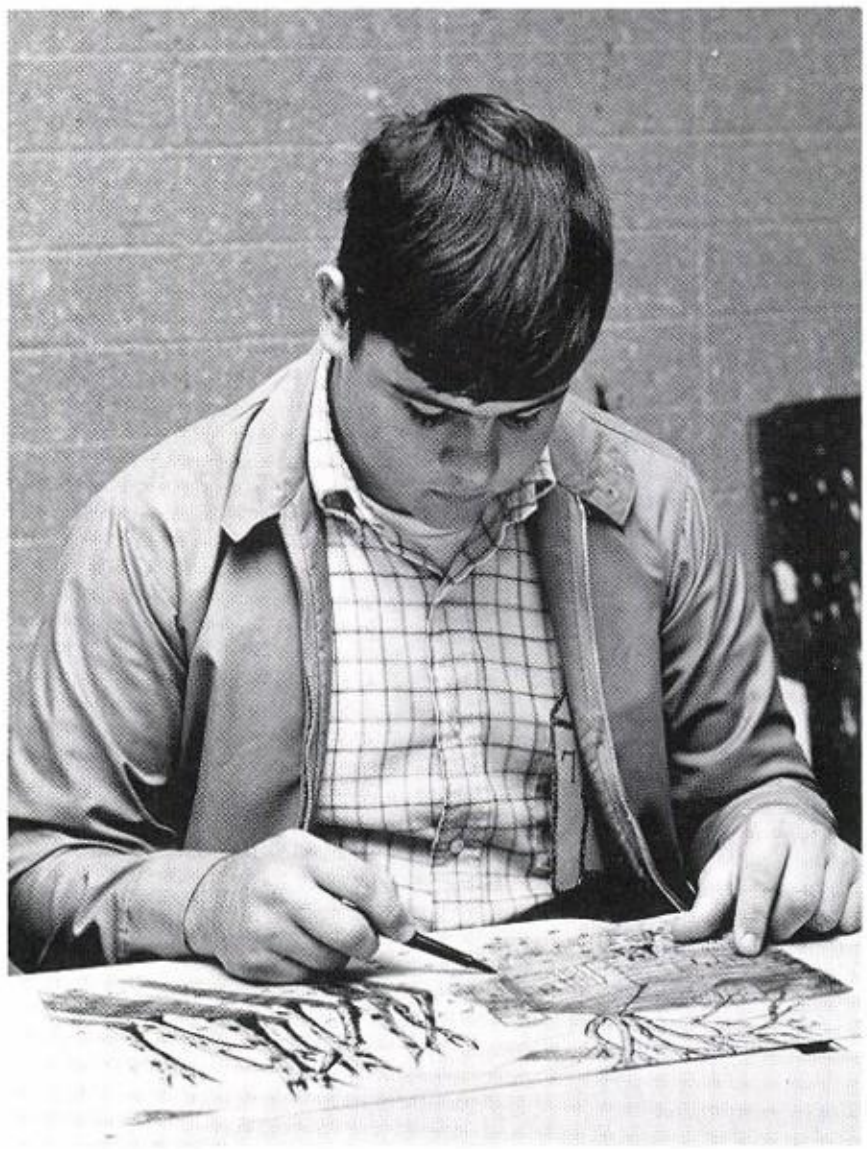
Billy Jordon gives a demonstration at the experiment station to the electronics class.



Art Is the Colorful World of Imagination

Students find that all their artistic skills will come into play when difficult assignments are placed before them. Art is one subject in which students experience imaginative choice of ideas. Every year new projects and different types of art techniques are presented before the students. Once these art techniques are attained, the ability to create something different plays an important role in the art student's colorful world of imagination.

Within these art classes boys and girls go through various phases of rough charcoal and ink sketches before attempting an oil painting. The student learns about the different types of paintings, shading and color combinations. Some of the new assignments this year were decoupaging, designing their own jewelry and creative stitchery.



ABOVE: Jay Wright puts last finishing touches on his landscape. Black ink sketches were among the various art projects used this year.

Ellen Fridge, LaVerne Courtney, David Nance and Jerry Goins express their feelings of nature through sketches.

Ten Student Council Senators Elected

The Woodlawn Student Council participated in a variety of things including sponsoring the school store, chapel, the pep rallies, and the upkeep of The Knight Park.

The club also participated in the Leukemia Drive, Stash Your Trash Campaign, and Walk for Fund.

To provide a forum for student expression, an opportunity for student service, maintain good student-teacher relationships, and conduct elections was the goal for the year's club which met at eight-thirty every Monday in the auditorium.

Special activities were the LASC Workshop, LASC Convention, and the Southern Convention in Savannah.

Red Cross Compiles Student Directory

This club, sponsored by Mrs. Elaine White, met on the first Tuesday of every month. Being a member of the WHS Red Cross meant participating in a wide variety of school services such as making posters, publishing a student directory, ordering and selling homecoming corsages, sponsoring a carnival booth, collecting and distributing food at Thanksgiving and Christmas.

To perform acts of service for friends, neighbors, and those in need and to activate youth to serve community, city, state, and nation was the goal of this year's Red Cross Club. Other activities consisted of the Red Cross Leadership Skills Conference, the Red Cross luncheon and the City-Wide Council.

COE Is in Its First Year at Woodlawn

This was the first year for the Clerical Office Experience Club which was sponsored by Mr. Frank Sanders, who teaches Distributive Education at Woodlawn. It is the aim of this organization to stimulate interest in office procedures and promote goodwill among employees and employers.

Membership is limited to seniors who must maintain a C average and attend club meetings which are held on the first Monday of each month. Along with a visit to a nursing home, the thirteen members planned a banquet in May.

RIGHT: Mr. Frank Sanders, Advisor; Sandra Edwards, President; Debbie Gordy, Secretary-Treasurer; Linda Anderson, Vice President, are the officers of Coe. These girls, all seniors, have an interest in office procedures.

Creative Writing Club Has New Sponsor

The Creative Writing Club contributed to Woodlawn by putting up spirit posters for the football games and helping to keep up Knights Park. Directed by Mr. Floyd Henderson, the members must maintain a C average and have an interest in writing. The club continued its annual practice of publishing a booklet of original writings by the club members.

To be able to publish this booklet the club members collected money from club dues, car washes, and newspaper drives. One of the highlights of the club members' year was the annual banquet for the members.

JML Members Work at Local Hospitals

The Junior Medical League is composed of approximately seventy dedicated sophomores, juniors, and seniors. These students sacrifice one night per week of their time to give service at local hospitals.

Sponsored by Mr. John Allen and Mrs. Janet Kyser, the club provides students with practical working experience so that they may later enter any of the various health careers. Meetings are held once a month. Sophomore members are required to have a 3.0 average and junior and senior members must have a 2.5 grade average. All new members are required to take a one hour training course given by a representative of the Auxiliary to the Shreveport Medical Society. Membership in the club enables the students to attend the annual Health Careers Club Day which is held in the spring.

The Junior Medical League is sponsored locally by the women of the auxiliary to the Shreveport Medical Society who do the scheduling and supervision in the hospitals.

Spanish Club Had Two Guest Speakers

The Woodlawn chapter of the Spanish club was founded to promote and encourage interest and understanding of the many customs of the Spanish people. Its name, Los Alegress, means The Happy Ones. Mrs. Tidwell served as Advisor for the club.

Membership in the Spanish Club is open to any student having studied Spanish, or one who is currently enrolled in that course. The club has an enrolled membership of thirty-five this year, and it meets four times a year.

The club had two guest speakers this year: they were Curtis Welborn who showed slides of his trip to Europe and Flora Bouse, a secretary at Arkla Gas, who formerly resided in Cuba.

Knights for Christ Meets on Monday

If you are ever at Woodlawn on Monday morning at 7:30, don't be surprised to find a group of dedicated young people sitting in the auditorium listening attentively to their speakers. This group is Knights for Christ.

Knights for Christ is an entirely non-denominational group. This club was organized last year to bring Christian young people closer together and closer to God.

Knights for Christ met every Monday morning in the auditorium. After the regular business of the meeting, some of the members gave devotionals and personal testimonials. Anyone can become a member of this group, which is sponsored by Mrs. Sandra Williford and Mr. Billy Cates.

FRONT ROW: Debbie Hicks, President; Patricia Campbell, Publicity Chairman. SECOND ROW: Sandy Eubanks, Secretary; Ricky Carr, Chaplain; Jerry Blake, Vice President; Norma Haynes, Treasurer; Mr. Billy Cates, Advisor.

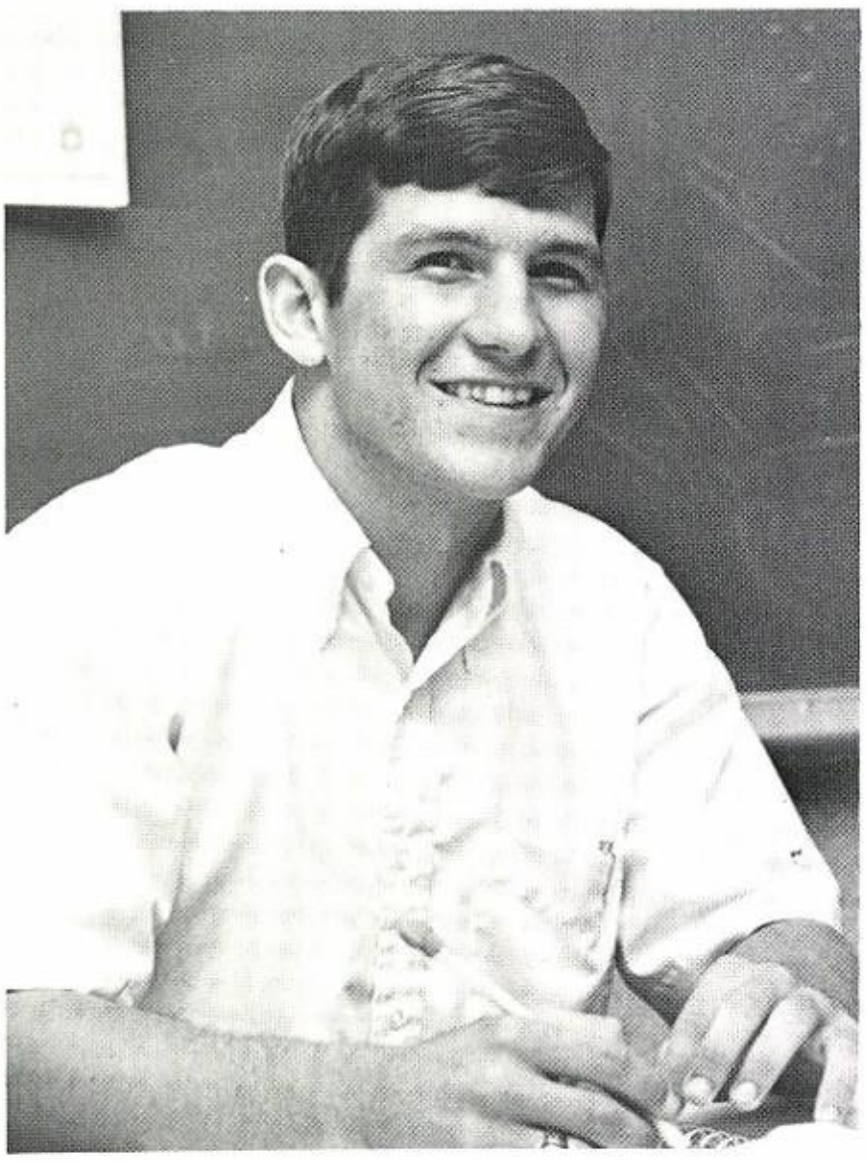
Fourteen Seniors Make Up Herald Staff



The Herald Editorial Staff, under the direction of Mrs. Maredia Bowden consisted of 14 members. These were Bryan Serpas, Editor-in-Chief; Pam Knight, Managing Editor; Cathy Rogers, Features Editor; Mike Jones, Kathy Doughty, News Editors; Gary Green, Skipper Young, Sports Editors; John Farr, Melinda Wilson, Picture Editors; Junior Box, Paul Waldon, Exchange Editors; Elaine Feazel, Robert Gentry, Paul Klinger, Art Editors.

In publishing eight editions of the HERALD, the staff tried to promote school spirit by arousing interest in school and community activities. They accomplished this through the use of editorials, club news, sports coverage and occasional contests. The staff's efforts helped all students to feel that they were an important part of Woodlawn.

Using knowledge gained by serving as a reporter for a year, the Herald Staff worked hard to edit, proofread and publish the news.

LEFT: Bryan Serpas served as Editor-in-Chief of the Herald Editorial Staff. This senior was also President of Quill and Scroll, a national honor society for journalists.

Herald Reporters Help Publish Paper

In order to be a reporter for the Herald, a student must be taking Journalism. They must also have the ability to find news and to write it in an interesting manner. Each reporter is assigned a "beat" and then writes the story. The stories are then read by sponsor, Mrs. Maredia Bowden, and the Herald Editorial Staff. If they are approved, they finally appear in the Herald.

These people not only helped to publish exceptionally good newspapers this year, they also cooperated with the Herald Editorial Staff in promoting school spirit.

After working as a reporter for a year they have a chance of becoming one of the editors. Two spring events eagerly anticipated are the annual Publications Banquet and induction into Quill and Scroll for those members of the staff who meet the requirements of the honorary journalism society.

Herald Ad Staff Gains New Sponsor

When most students are enjoying the summer vacation, the members of the Herald Ad Staff begin their job of selling ads to local businessmen. In addition to completing the contracts, the staff must plan the advertising layouts, for the eight editions of the Herald, and money from the people who bought an ad.

By serving on this staff students become acquainted with the field of advertising and learn the art of salesmanship. It also enables them to attend the annual Publications Banquet and for those who meet the requirements, induction in Quill and Scroll.

Staff Spends Hours Working on Accolade

The ACCOLADE Editorial Staff is composed of 13 juniors and seniors, who with their advisors, Mrs. Margetta Stoddard and Mrs. Nina Morrison, put out the yearbook. Planning layouts, pictures, cutlines, and body copy are some tasks that the staff must do. In addition to these responsibilities, the Accolade Staff has the privilege of choosing the color and theme of the yearbook. Although preparing the ACCOLADE is a difficult job, it all seems worthwhile when the yearbooks are delivered.

Ad Staff Provides Funds for Accolade

RIGHT: Mrs. Dene Ferguson, sponsor, and Karen Lehr, senior member of the ACCOLADE Ad Staff, look over a list of businessmen that must be billed for the ads they bought in the ACCOLADE.

Under the direction of Mrs. Dene Ferguson, the members of the ACCOLADE Ad staff spend much of the summer contacting Shreveport businessmen in order to sell ads for the yearbook. Each member is given a quota of $200 and a list of businessmen from whom ads are solicited. After selling all the ads, the work still isn't finished. The staff must do the necessary book work which includes billing the businessmen each month.

To become a member of the staff, one must be a junior or senior with at least a 2.5 average.

Circulation Staff Delivers Yearbooks

Poster paper and felt pens can often be seen scattered around Room 200 first period during the first two months of school. The members of the Circulation Staff are required to make posters to advertise the four sale dates of the yearbook.

Advertising is not their only job, though the staff is also responsible for distributing pads before sales and collecting and recording the money after sales.

They also have the great privilege of distributing the yearbooks when they finally arrive in May.

In order to become a member of the staff, a person must be a junior or senior with at least a C average, and approved by last year's members.

ABOVE: Deborah Dawson and Megan Johnson, Managers of the Circulation Staff, have the responsibility of counting the money received during each sale.

Audio-Visual Aids Benefit School

This year the Audio-Visual Aids Department has sixteen student assistants. The work of these students makes classes more entertaining and classwork a little easier. Subjects can be more thoroughly understood and more completely covered when listened to on a record or tape recorder or viewed on a film instead of heard in an often uninteresting class discussion or lecture.

During the first few weeks of school, the student assistants are taught by Mrs. Odessie Frisch how to set up and use the equipment. For the remainder of the school year, they take care of the operational part of visual aids. This includes showing films in classrooms and operating tape recorders and projectors.

Student Workers Assist Librarians

About 478 pupils per day visit the school library to read or check out books. To assist the four librarians in serving these people, volunteer student assistants work out of a study hall.

These assistants render a variety of services. They shelve books, make out and deliver fine slips, check books in and out, put cards in returned books, deliver messages, help with bulletin boards, check magazines in and out, put newspapers on racks, and generally help to keep the library neat.

Students Volunteer Services to School

First thing in the morning, the student office workers begin their daily tasks by picking up absentee cards from all the rooms. After being typed and mimeographed by attendance secretary, Mrs. Whitman, the workers then delivered the morning sheets to all the classes. Students who worked in the office answered the telephone and intercom, ran errands, distributed morning and afternoon sheets, located students when needed and took messages.

Cafeteria assistants relinquish their study hall each day to perform a school duty. Some workers help with the dessert, bread, and the sandwich line. It is their responsibility to replenish those items as needed.

Several of the "blue-jacketed" football boys stand by the conveyor belt to keep students from stacking trays.

Mrs. Loraine Kappen, Cafeteria Manager, and Ricky McGill, place food on the student's trays, one of the many jobs that the cafeteria workers must use.

Service Is Goal of Woodlawn Key Club

This year Key Club, sponsored by Mr. Tommy Larance, consisted of 34 members and 10 sweethearts. The members must have a 2.5 grade average and be elected by the former members.

Key Club tries to train young men to serve effectively in the school and community and to spread their ideas to their fellow students. Hopefully the members will also carry their ideas of service into their adult life.

The club contributed to school spirit and beauty by planting shrubs, pansies, and anemonies around the school and put up posters for each game. A project added this year was directing the annual beauty pageant.

Special events for the Key Club were a Father-Son Banquet, monthly Kiwanis Club luncheons, the Key Club Convention in Biloxi, Mississippi, and an Installation Banquet.

Key Club provided baskets for needy families at Christmas and Thanksgiving, and participated in building Woodlawn Knights Park, the Walk for Fund, Heart Sunday, and the Poppy Sale.

Staff Sold More Than 8,000 Programs

The Football Program Ad Staff spent their summer putting together a program that would be exciting and interesting and would have current pictures and articles on the team.

The staff sells programs at each home game. Arriving at 6:00, the staff gives up the first quarter of each game to sell programs.

This year's staff exceeded many previous quotas. Vicky Morrell and Jeffery Webb sold more ads than any person has ever sold at Woodlawn. A total of $1,000.00 worth of ads were sold this year to local business firms by these two girls.

With sponsor, Mrs. Martha Watson, the staff was responsible for the program layout, sales assignments, and additional playoff programs.

The staff put out the largest program in the state, containing 86 pages. The staff sold more than 8,000 programs during regular season.

Speech Club Members Win at Competitions

This year Speech Club had an increased membership of 45 and for the first time collected dues. Mrs. Nancilee Foster acted as advisor for the club whose meetings were held on Wednesday afternoons after school.

To advance and develop speech by way of direct competition with persons of equal quality was the purpose of the club. The members sacrificed much valuable time perfecting their performances for the tournaments they attended.

Speech Club attended numerous debate tournaments and hosted the Woodlawn Debate Tournament. Some of the members that took honors at the various competitions were Brooks Johnston and Deryl Medlin, who won first place in debate at Louisiana Tech.

Sweethearts Serve With Club Members

This year Interact was composed of 45 members and 9 sweethearts. The importance of leadership and citizenship through service on the school, community, national, and international levels was stressed throughout the year. To accomplish this goal of service, the club helped with the building of Knights Park, made spirit posters for the games, and sponsored an orphan in Taiwan.

Mr. Lonnie Dunn served as advisor for the club which required a 2.75 grade average, a desire to help serve your fellowman, and be voted in by the membership. The club's meetings were held on Thursday mornings before school.

Several guest speakers that have spoken to the group were Dr. John Hall and Mr. Bob Krovell, President of the Rotary Club. This year the district meeting for Interact was held in April at Captain Shreve High School.

WHS Z Club Takes National Honors

The Z Club had a membership this year of 45 girls. Service to the school and community was the principal aim of this club. The club meetings were held twice monthly. The members are required to have a 2.75 grade average, and to be voted in by the members.

The members made posters for each game, gave the football team a breakfast, participated in the ROTC Carnival, and visited a local nursing home several times a week. To obtain funds for their projects the club made Cupid Bags, sold Zonta Club Antique Show Tickets, and also sold cookbooks.

Sandy Eubanks, club president, attended the Zonta Club Convention in Baton Rouge to accept the third place national Z Club award. The Z Club's scrapbook placed second.

Convention Attended by Nine Delegates

This year the Safety Council of Woodlawn had the largest membership that it has ever had. Sponsored by Dr. J. E. Turner and Mr. J. W. Cook, this club promoted safety in the school and community. Safety Council contributed to the school spirit of WHS by making numerous posters for the football games.

One of their main projects was the selling of parking stickers. This year nine members of the Safety Council attended the state convention in New Orleans. While there the delegates participated in a panel discussion on safety.

Latin Club Members Attend Convention

The Latin Club, which had a membership of 60 this year, tries to stimulate interest in Latin and the classics and to cultivate friendships among those so interested.

The members who had Miss Dorothy Hovious as a new advisor must be in first year Latin or must have completed at least one year, have a C average, and attend the meetings which were held on the first Thursday of each month.

The Latin Club had a guest speaker at one of their November meetings. Dennis Webb of Captain Shreve who is national president of Junior Classical League was the speaker.

Vickie Palmer, a senior member of the Latin Club, was elected State Historian.

Highlights of the year for the Latin Club were the National Convention in New Orleans which was attended by Miss Dorothy Hovious, advisor; Patricia Nelson, Vicki Palmer, and Debbie Stamp. The State Convention in Monroe was attended by 12 club members.

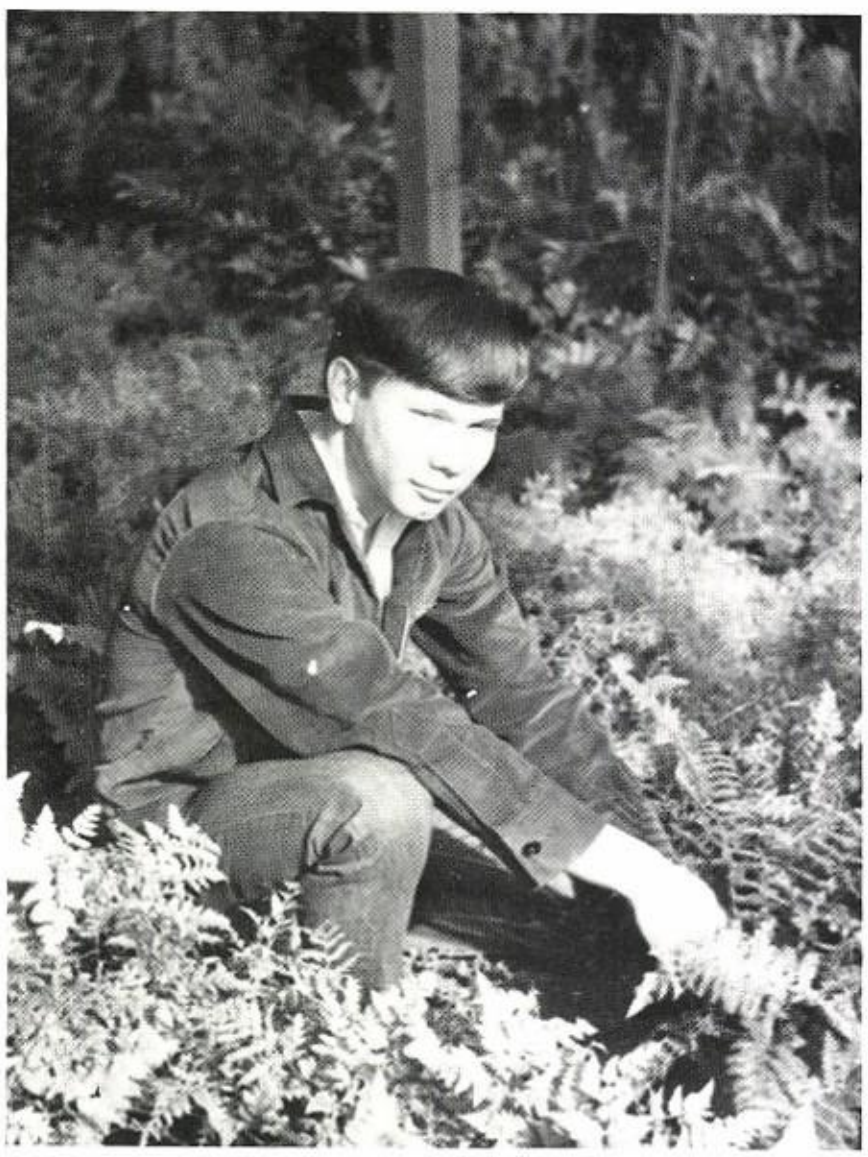
FFA Receives Superior in Competition

Bill Richey has learned about ornamental horticulture.



To be a member of Future Farmers of America, students must be enrolled in Vocational Agriculture, and be voted into the chapter by the other members of the club.

The club, sponsored by Mr. Bruce McKinnon, and Mr. Harold Harris, held its meetings once a month during second period in the auditorium.

The Woodlawn Chapter of Future Farmers of America, as authorized by the national association and the state, has developed an awards program for students who participate in activities other than farming. This makes it possible for almost any student who is interested in careers related to agriculture to find means of expressing these interests and competing for awards with other members with similar interests. Due to this, the club received a Superior Rating in State Competition for the fourth consecutive year.

The club's activities were a field trip to a game reserve, hosting the FFA Barnyard at the State Fair, attending the State Convention, leadership camp, and National Convention in Kansas City, Missouri.

4-H Club Members Complete Projects

Sponsoring a canned food drive during Christmas for the Caddo-Bossier retarded home, a bake sale, and a raffle were among the many activities of the 4-H Club this year.

The 4-H Club tries to develop boys and girls into useful and democratic citizens with a worthy purpose in life. 4-H members "learn by doing" to develop their minds to do useful work, to give loyal service to their fellowman and to God, and to form habits that will develop healthy bodies and minds.

The club serves to promote close relationships by participating in school and sport activities. The club put up spirit posters for games and helped support drives for worthy causes. Requirements for membership in the club were to pay the necessary dues and to select and complete at least one project during the year.

Special activities for the club were the Caddo Parish Executive Council attended by Cindy Bauman and Vicki Mowry and the National 4-H Club Congress in Chicago, attended by Jan Edgard.

Over One Hundred Members in WHS FHA

The 107 members of this year's Future Homemakers of America learned through experience the joys and satisfaction of homemaking. FHA is composed of girls who are presently enrolled in one of the Home Economics courses and maintain a C average. The club meets on the first Tuesday of every month.

The advisors, Mrs. Jean Young, Mrs. Virginia King, and Mrs. Elizabeth Dady, tried to further interest in home economics, home economics careers, and related occupations. Another purpose was to help individuals improve personal, family, and community living.

Some of the activities for this year's club included an FHA Week Banquet, and a style show in February. The club also made donations of clothing, food, and toys to needy families in the neighborhood. A new addition to the monthly meetings was the election of Girls-of-the-Month from which a Girl-of-the-Year will be chosen.

Club Members Learn of French Customs

ABOVE: Sharon Spearman, Carla Adams, Beth Rhodes, Susie Brown, and Betsy Fuleher sang French Christmas carols.

Films, speakers, and skits were among the activities enjoyed by members of the French Club this year. The club meets on the third Wednesday of each month at three o'clock in Room 222. The new advisor of the club is Mrs. Jimmy Herring.

This club tries to promote interest in the culture, language and social life of the people who speak French. All members must have either taken French or be taking it. An outgrowth of the French Club is the French Honor Society. It is comprised of members of Le Cercle Francais who maintained an A average in French. Guest speakers for the club were Miss Sherrie Ettredge, a member of the French III class, who spoke on her experiences during her three year stay in Europe and Miss Jane Rucker who spoke to the group and showed slides of her European vacation.

This year's French Club enjoyed a Christmas outing in which they sang Christmas carols in French. All this coupled with the annual Interlingual Christmas and the ROTC Carnival made a most exciting year for the French Club members.

Woodlawn FTA Holds District Meeting

Mrs. Diann Bratton and Mrs. Chris Strother served as advisors to the Future Teachers of America of Woodlawn. This club is open to those students who have at least a 2.0 average and have genuine interest in the teaching profession. The club's aims are to foster interest in the teaching profession and to give students a chance to help teachers in various ways. The Woodlawn FTA had its largest membership ever this year with more than one hundred members.

Some of the special activities of the WHS organization were the ROTC Carnival, a Christmas party for orphaned children, and the State Convention in Baton Rouge, that is held in the spring. The teachers are honored by the FTA during the FTA sponsored "Teacher Appreciation Week." During this week the teachers are given a special tea in the lounge and a "Teacher of the Year" is selected.

Cynthia Smith of the Woodlawn FTA was elected President of the Fourth District FTA which includes clubs from Captain Shreve, Byrd, and Bossier High Schools. Because of this office, the yearly district meeting was held at Woodlawn. One of the senior English teachers at Woodlawn was the guest speaker for this event.

HONORS

Miss and Mr. WHS Are Student Leaders

KATHY BUCKNER and JERRY HARPER, twice elected class favorites, among many other honors, typify the spirit of Woodlawn. When they greet you, it's always with a warm smile or a friendly hello. Eager and energetic, they've always got something going, whether personal, or in the interests of others.

Kathy is Head Cheerleader this year, and Jerry holds the office of President of the Student Council. Both have had many other honors bestowed upon them during their brief three years at Woodlawn, but it's not the titles that have earned them the position of Miss and Mr. Woodlawn. It is the attitudes and personalities that have gained the respect and admiration of both the students and teachers alike. It's a way of thinking and acting which all Woodlawn Knights share.

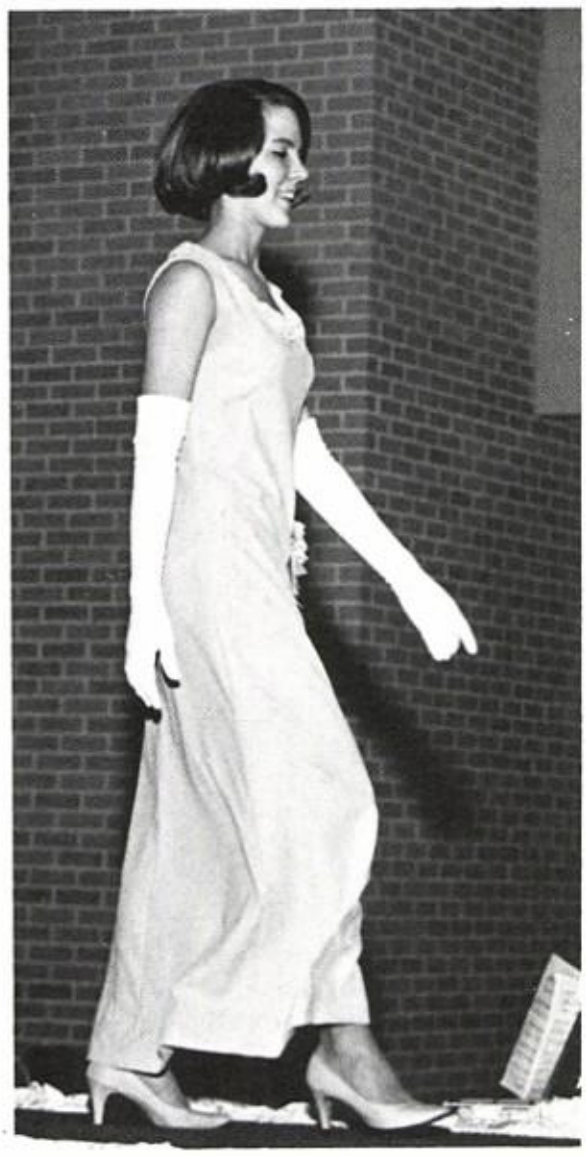
A New Tradition at Woodlawn Castle

The air was cool, with only a few light breezes. The school was quiet, and brightly illuminated against the night. One would have thought it was a typical Saturday night at Woodlawn. But soon that illusion was shattered by the slamming of car doors and the excited whispers that echoed throughout the hallways.

This was the last night of the First Annual Beauty Pageant of Woodlawn. Two nights long, it first encompassed fifty-seven girls. By Saturday night, four young ladies were chosen as runners-up, followed by the crowning of Woodlawn's first "Girl of My Dreams."

The judges made many hard decisions during the two nights of the Pageant.

As they walked across the stage, the grace and poise of each young lady was carefully scrutinized by the judges.



Every girl made the long walk down the aisle. Their feelings at that moment could scarcely be caught by a camera.

As Mistress of Ceremonies, Christy Leach deserves much appreciation for making the Beauty Pageant a success.

FAR LEFT: Betsy Fulcher was first runner-up. She is a member of the French Club, Choir and Red Cross. Betsy transferred to Woodlawn from Midlothian High School in Richmond, Virginia. Her easy-going nature and graceful appearance contributed much to her selection.

LEFT: Melanie Bass, sponsored by the ACCOLADE Editorial Staff, was chosen to be second runner-up. She served as Senior Maid on the 1969 Homecoming Court, Pep Squad Lieutenant Colonel, Secretary of "Z" Club and is in the National Honor Society. She was also Honors Editor of the 1969 ACCOLADE.

Girl of My Dreams

RIGHT: Patrice Hebert, sponsored by the National Honor Society, was chosen from twenty finalists for the title of "Girl of My Dreams" of Woodlawn High School.

While at the Castle, Patrice served as Treasurer of Thespians, ROTC Sponsor First Lieutenant, and Pelican Girls' State Alternate. A Senior at Woodlawn, she was also a member of Drama Club, FTA, Red Cross, and Student Council.

Patrice, besides being very active at school, was one of the five finalists in the 1968 Miss Teenage Shreveport Contest.

FAR LEFT: Carla Quinn was chosen by the judges as third runner-up. Carla was a Key Club sweetheart, a Junior Maid on the 1969 Homecoming Court and was a Lieutenant in the Pep Squad.

Carla enjoys various activities and she is an avid sports enthusiast.

LEFT: Sherri Frady took the title of fourth runner-up. She is a member of "Z" Club, National Honor Society, Quill and Scroll, and Pep Squad Captain. Sherri was the Secretary of the Inter-City Council of "Z" Club. She had the leading role in the Senior play, "Bachelor Father".

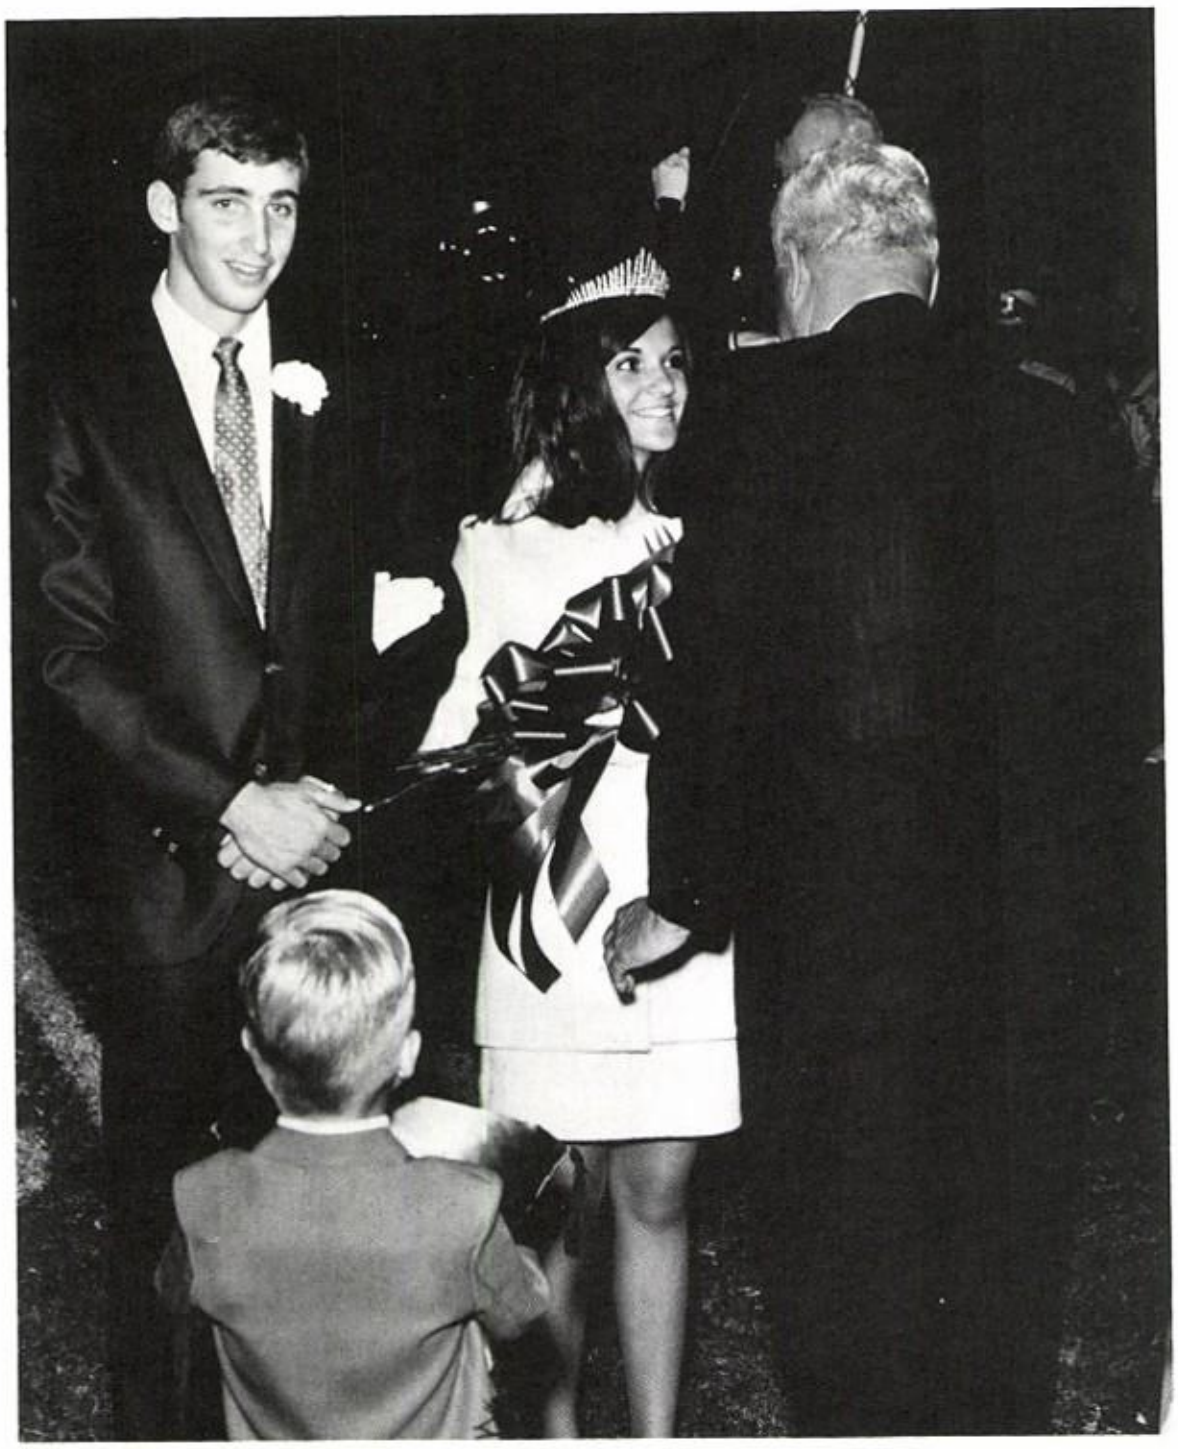
Pam Knight Reigns at 1970 Homecoming



Friday night, October 3rd, the Woodlawn Homecoming Court was presented to the fans at the Fair Grounds during halftime at the Woodlawn-Southside game.

Accompanied by their escorts, nine lovely girls walked onto the field amid the sounds of "Pomp and Circumstance" as played by the WHS Marching Band.

Pam Knight, destined for a crown, walked through the "Arch of Steel" with her escort, Mike McGovern. They then stood before Dr. Turner, who then crowned Pam the new Homecoming Queen. The coronation was followed by a rifle salute.

The Pep Squad, Band, and the ROTC all contributed greatly to that memorable night.

After her walk through the aisle, Pam Knight is crowned the new 1970 Homecoming Queen during an impressive ceremony at State Fair Stadium.

Pageant Installs New King and Queen

On that night of Knights in the year 1970, the Tenth Annual Pageant of the Accolade was held. Reigning over the regal court were their majesties Queen Sandy Underwood and King Jerry Harper.

Queen Sandy wore a traditional white velvet gown with a white satin train, which was held by Jean Ann Young and Debbie Fowler, royal train bearers. Her attendants were attired in royal blue velvet gowns of the same design, trimmed in white braid with iridescent sequins. They carried white ribboned nosegays.

Knighthood was bestowed upon three selected members of the Senior Class. They were Sir Mike from the House of Etheredge, Sir Jeff from the House of Chapman, and Sir Rodney from the House of Chandler.

A dance was held after the pageant at the American Legion Club with music provided by "The Rogue Show." The theme, "A Time For Us," was carried out by the decorations which consisted of clocks and hourglasses. A huge grandfather clock encompassed the doorway.

Mr. Dunn, Miss Loper, and Mrs. Bass contributed many hours to make the pageant a success.

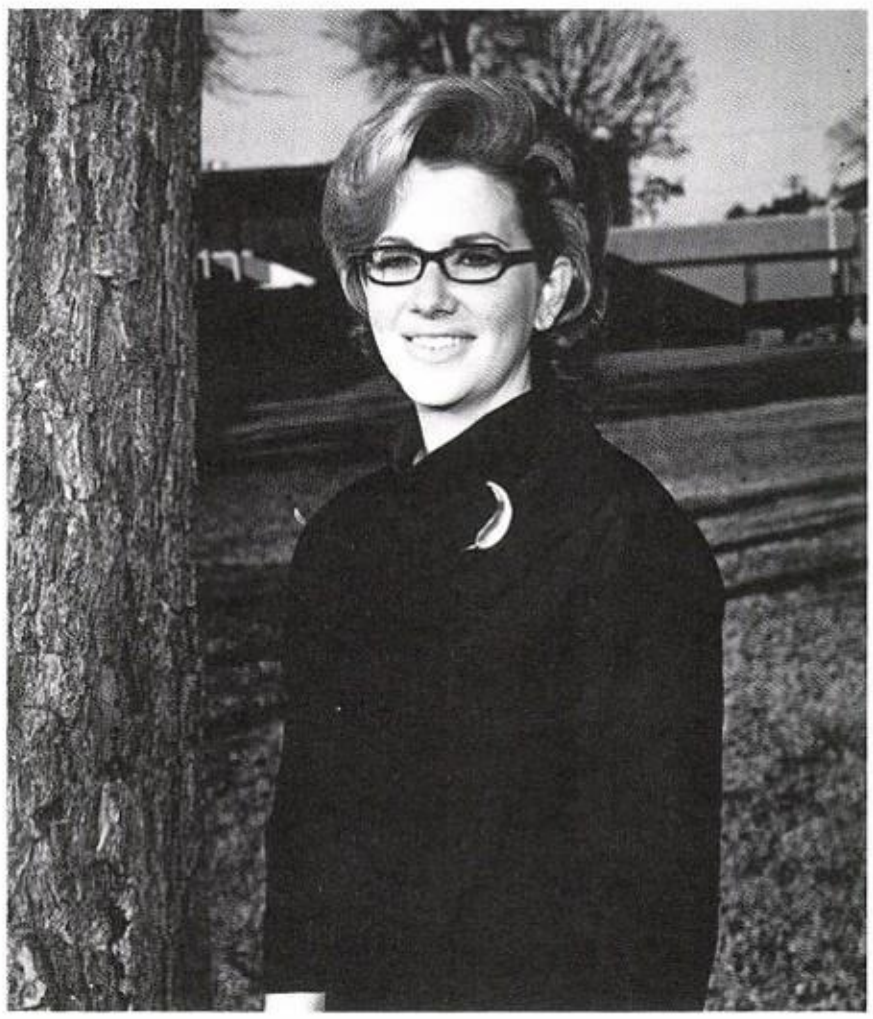
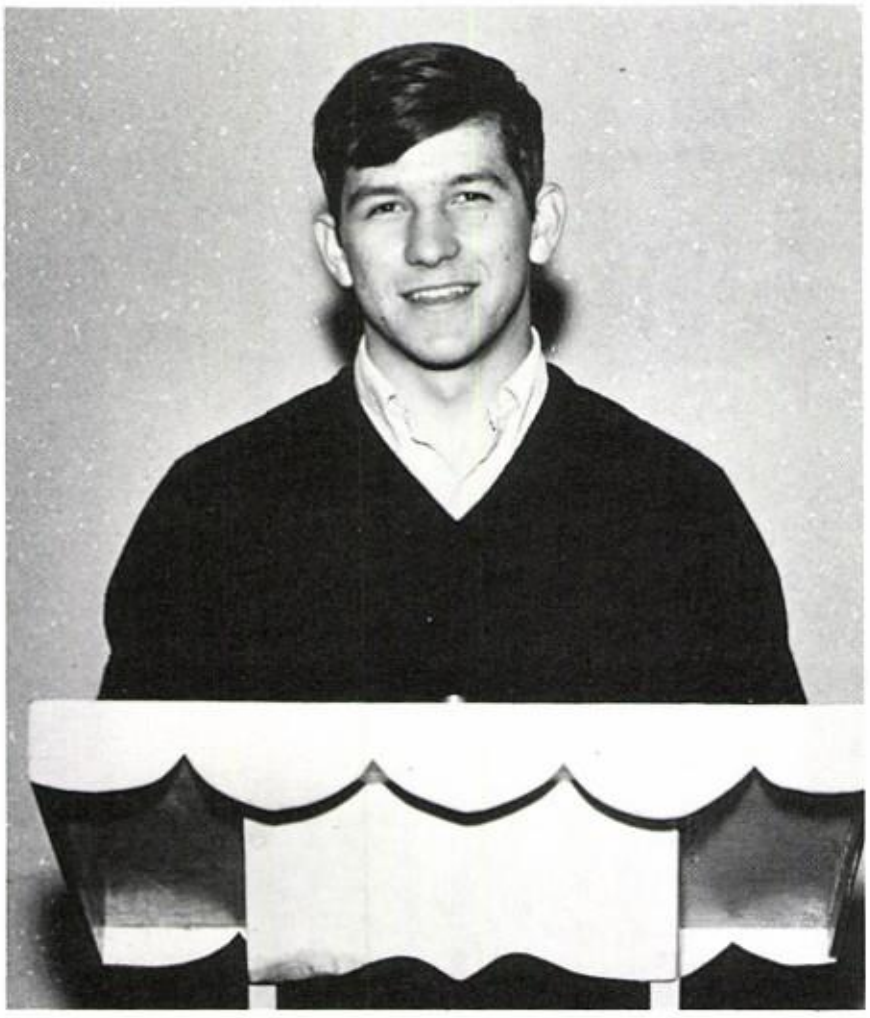
National Forensic League Gains Sponsor

The National Forensic League is a national club to promote speech competition. When a debater receives 25 points in areas such as debate and individual events, he is considered a member. Different degrees and more privileges are given as a person's points accumulate.

Mrs. Foster is the NFL sponsor this year. A sponsor receives a certain number of points in proportion to the number of points earned by the students. The club has been present at numerous speech tournaments in different states. Also, it has received recognition in such tournaments as Woodlawn, La Tourneau, U.S.L., Northwestern, and Louisiana Tech. It has many members qualified for Tournament of Champions debate as well as individual events.



Mrs. Foster is now the new sponsor for the National Forensic League at Woodlawn.



Bryan Serpas, President of Quill and Scroll, presides over a meeting.

Journalists Elected to Quill and Scroll

The Quill and Scroll is a national honor society for high school journalists. The members are selected by the quality and quantity of work they have done for a school publication. The Woodlawn chapter of Quill and Scroll attempts to recognize individuals for their own talents and abilities.

Inductees are selected from the members of Herald business or editorial staffs, ACCOLADE or from the Football Program Ad Staff. They must maintain a high scholastic average, be recommended by the advisor, and meet the requirements of the Quill and Scroll Society.

The Quill and Scroll, because it is an honorary organization, does not sponsor any school activities during the year.

Jerry Harper Governor of 51st State

Pelican State – It usually means little to the student who has not been acquainted with it. But to those select few who go, it is a wonderful learning experience, especially when Girls' State meets Boys' State.

Sometimes called the 51st State, Pelican State is dedicated to the education of today's youth in the many facets of the American way of life. Students not only learn the mechanics of government, but they are active participants, holding offices and running city, parish, and state governments.

They elect their officials in regular election procedures, introduce bills to the legislature, and do everything that our own government does. They learn, and we should learn from them, that our government is just what we make it. This year they made it a pretty good one.

Leadership Attended by Seven Seniors

Woodlawn was represented this summer at the '69 Leadership Conference held on the campus of LSU in Baton Rouge by 7 senior Knights. They were Kathy Doughty, Becky Terry, Karen Taylor, Pam Lee, Rita Vacca, George Edwards and Patsy Nelson. Elected to the position of Newspaper Section Editor, Kathy Doughty organized her group into an effective team.

At the Conference, they received instruction in newspaper work, creative leadership, and speech, with creative leadership probably being the most popular. Its objective is to make students aware of community problems.

The purpose of Leadership Conference is to help train future seniors to be strong leaders. The many classes they attended were centered around this goal. Urban problems were studied, along with city growth and development, which emphasizes good citizenship. They also listened, in their various classes, to different guest speakers who attended and spoke at the Leadership Conference. One of the men who spoke to the Creative Leadership class was Gerald L. McClendon, Dean of the School of Environmental Design.

Classes were held in the morning and the afternoons, and after they were over, there was plenty of time for recreation. Everyone that went learned a lot, and had a good time, too.

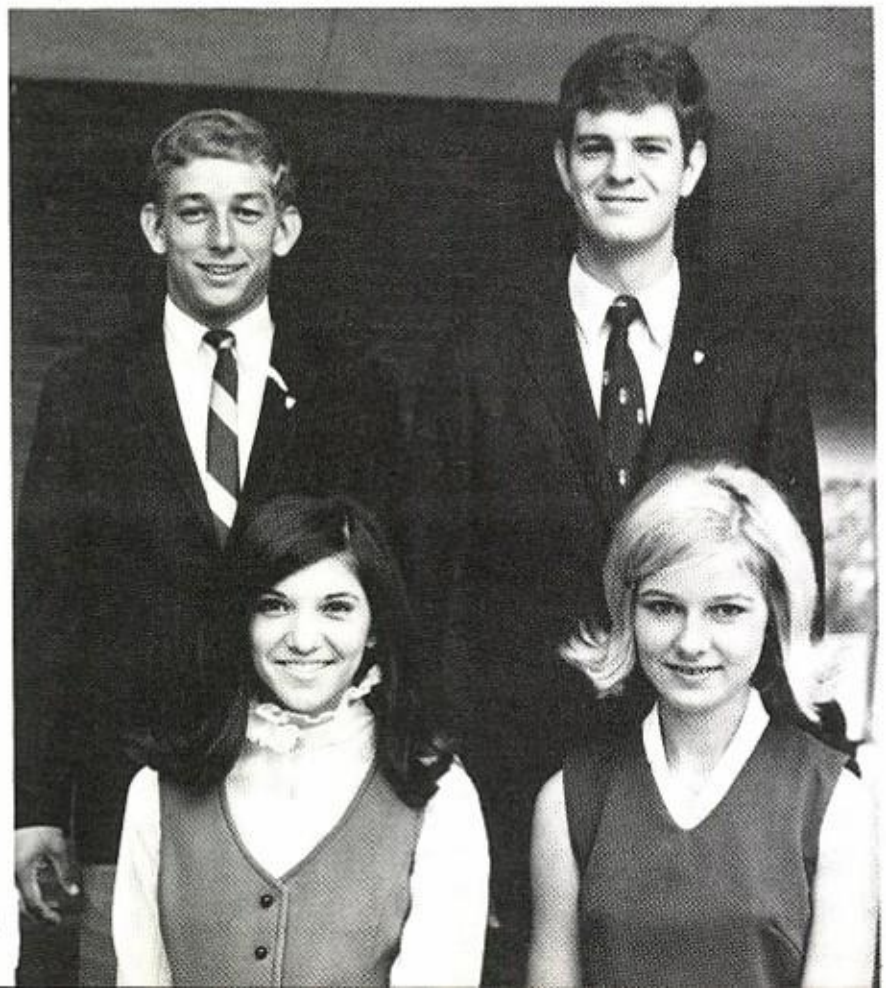
National Honor Society Gains Members

OFFICERS: Pam Knight, Secretary-Treasurer; Diane Peacock, Chaplain; Mike Etheredge, Vice-President; John Farr, President.



Being chosen for membership in the National Honor Society is one of the greatest honors that can be bestowed upon a student at Woodlawn. These students not only must maintain a 3.0 average, but they must be prominent in the field of leadership, have good character, and above all, render service to the school.

As an honorary organization, the National Honor Society does not undertake school projects. But each individual is an active, working, vital part of the organizations and clubs in which they officate and work.

Prominent among the many activities of this honor group are the annual spring banquet and the impressive induction of new members during an assembly held each spring. The Society also ushers for the baccalaureate and graduation ceremonies that are held each year.

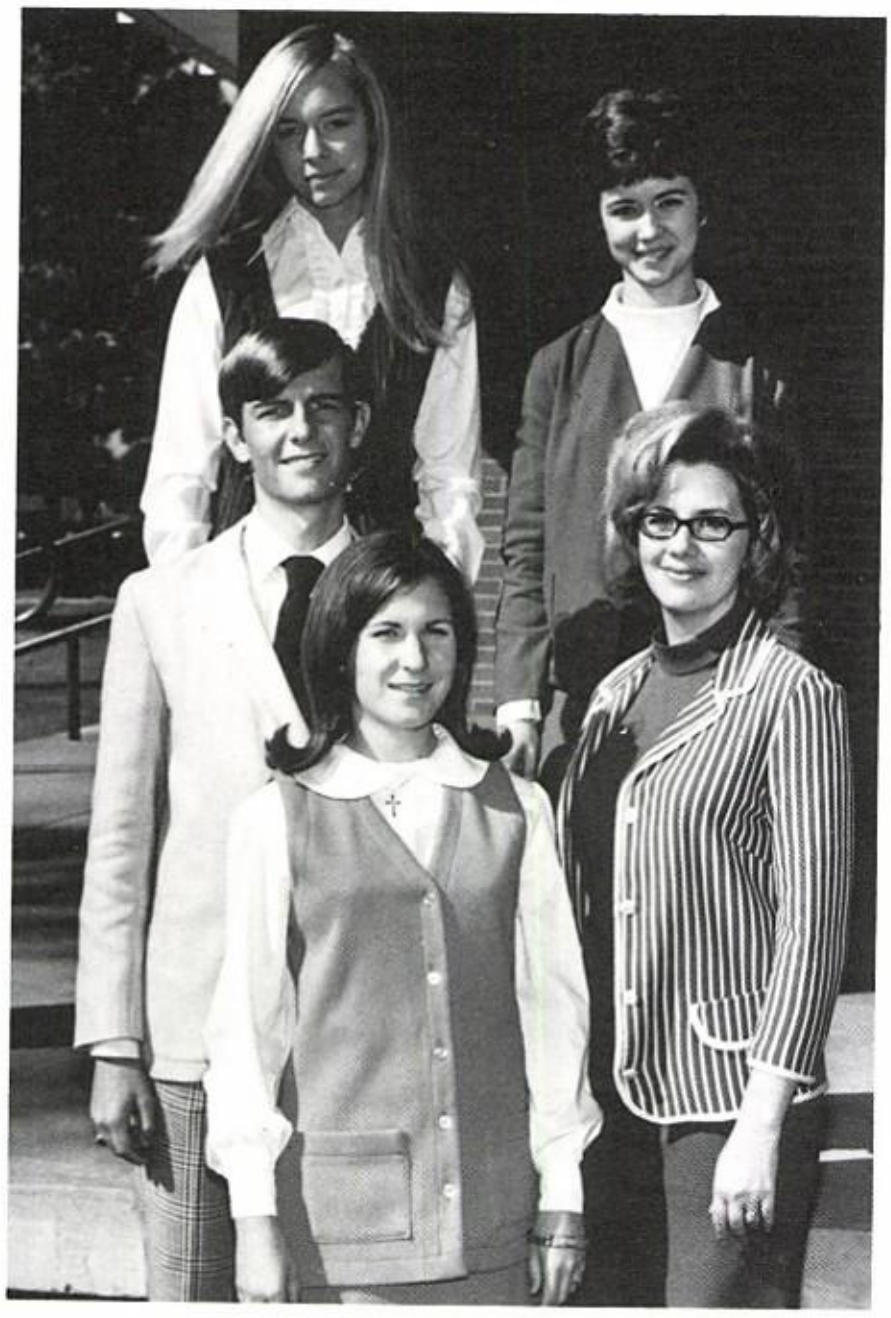
Thespians Participate in Senior Play



To promote participation and interest in all phases of drama within the school and community is the purpose of this organization. The membership consists of only those students who have at least a 2.7 average and who participate in two or more dramatic activities at Woodlawn during the school year.

This year the Thespians, under the advisorship of Mrs. Foster, have produced and participated in a melodramatic farce called "Georgia Girl" at the ROTC Carnival. Members of the club participated in the Senior Play, and also produced a "Children's Theater."

This year, Thespians represented Woodlawn in events such as Poetry Interpretation, Dramatic Interpretation, Oratory, Duet acting, and one-act plays at debate tournaments. Thespians have also recently become an international organization.

THESPIAN OFFICERS: Nancy Wilkening, Secretary; Brooks Johnston, President; Candy Roberts, Vice-President; Patrice Hebert, Treasurer; Mrs. Foster, Sponsor.

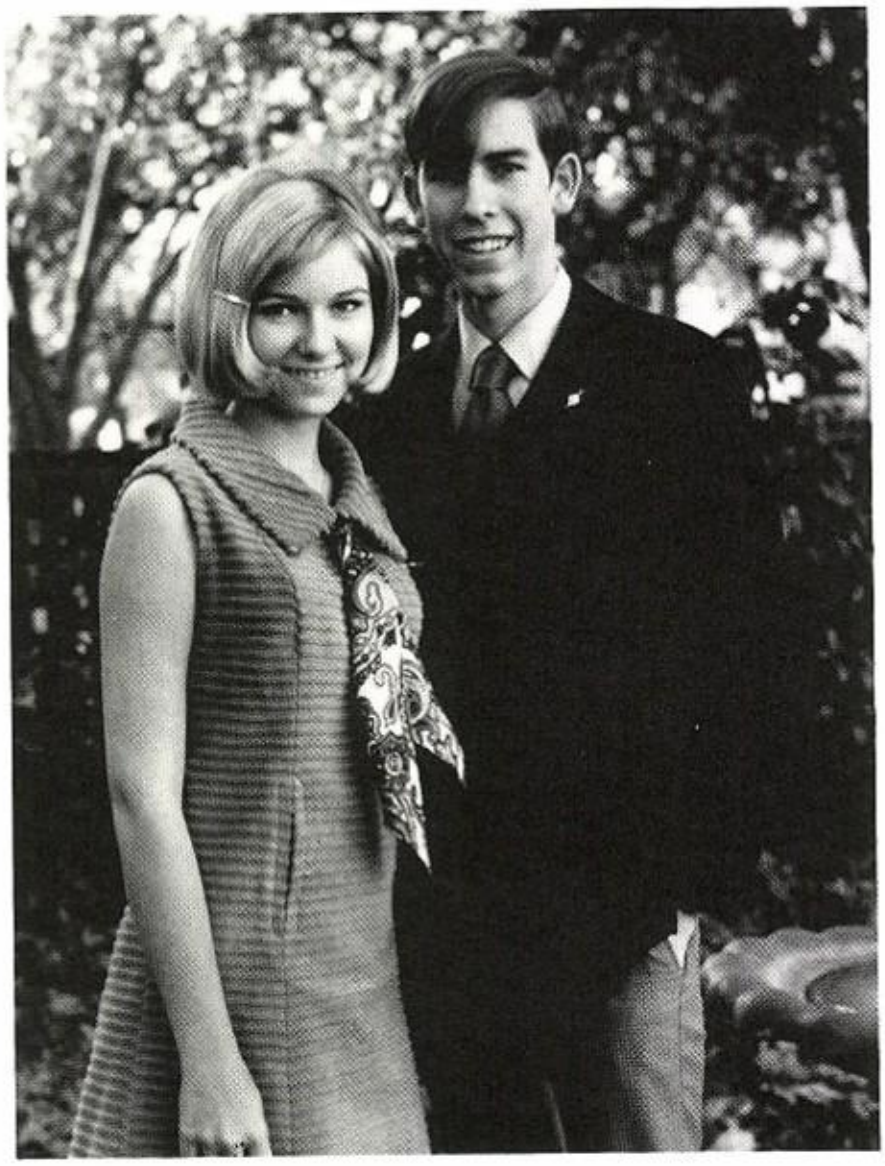
Deserving Seniors Receive Honors

Diane Peacock and Deryl Medlin, WHS Seniors, received the Pat 'Em on the Back Award from the Optimist Club, Shreveport.



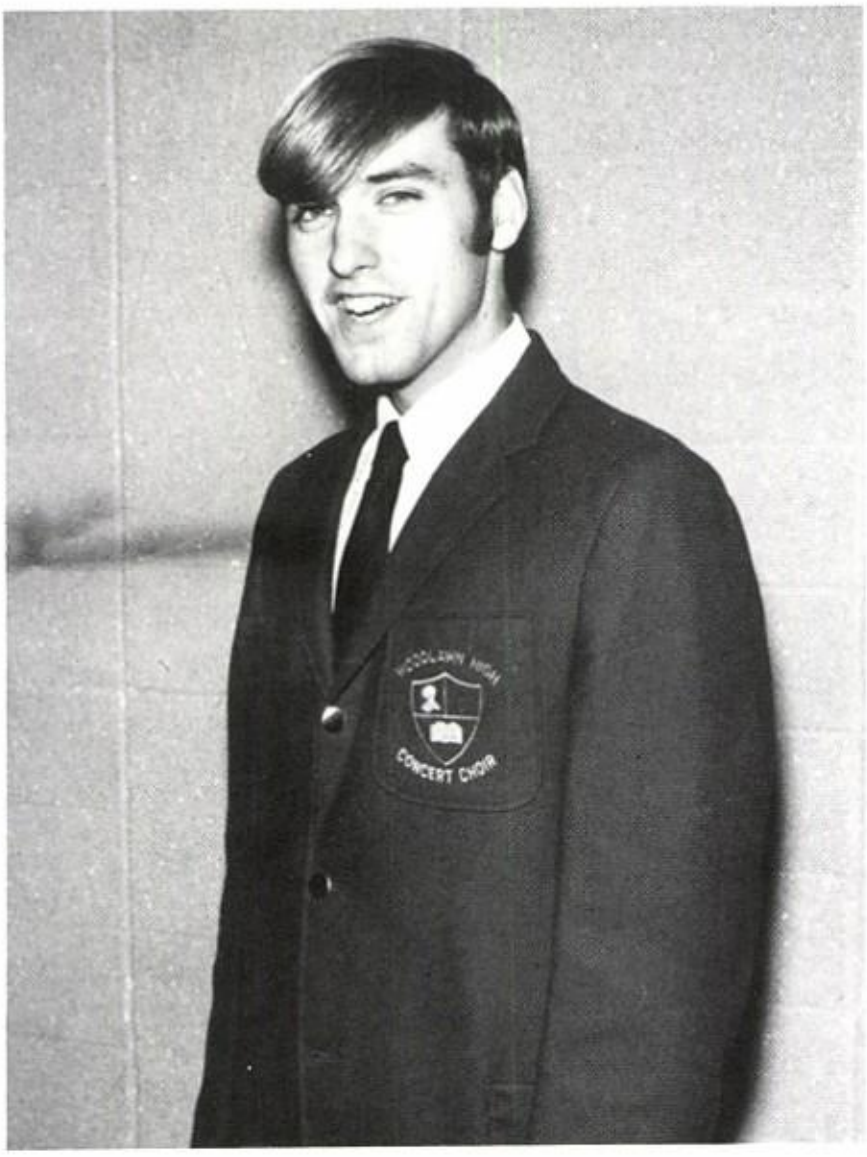
Rhonda Elder received the Good Citizen Award given annually by the Pelican Chapter of the DAR.

District FTA President, Cynthia Smith, and State DE Secretary, Charlotte Reeves, take a break.

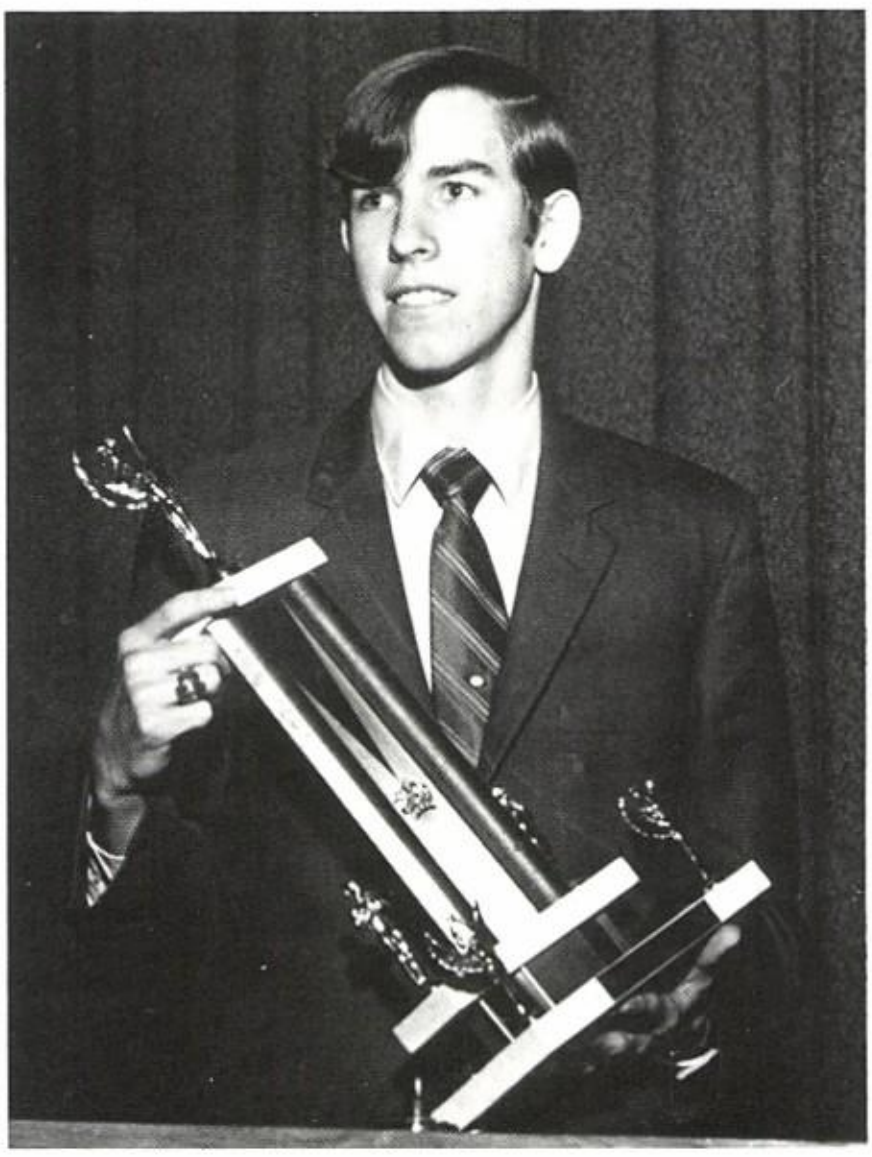
Vicki Palmer holds the office of State Historian for the Junior Classical League.

State-Wide Recognition Won by Knights

Howard Hart is a member of the All-State Chorus.



Deryl Medlin was Outstanding Speaker of debates.



Harper — Governor of Pelican State

JERRY HARPER received great honor by being elected governor of Pelican State this past summer. Jerry is an outstanding student at Woodlawn. He has accumulated many honors during his three years at the Castle. As a senior he was elected president of the Student Council, chosen as Mr. Woodlawn and reigned as King over the ACCOLADE Pageant. He would like to attend Harvard and study law.

Pelican State is a mythical 51st state with its own constitution, statues, and ordinances. The citizens of the state organize their own city, parish, and state government for a duration of nine days. They elect their own officials by regular election procedures. They introduce and argue their own bills in a legislature and administer justice by their own law enforcement agencies and courts.

Each August several Woodlawn students, elected by the student body, travel to the LSU campus to take part in Pelican State. The students chosen to go must possess the qualities of leadership, scholarship, initiative and personality.

During the nine days, the citizens are subjected to many hours of hard work. The purpose of Pelican State is to educate the delegates of the duties, privileges, rights and responsibilities of American citizenship. Its plan is to train the students in leadership of local, parish and state government.

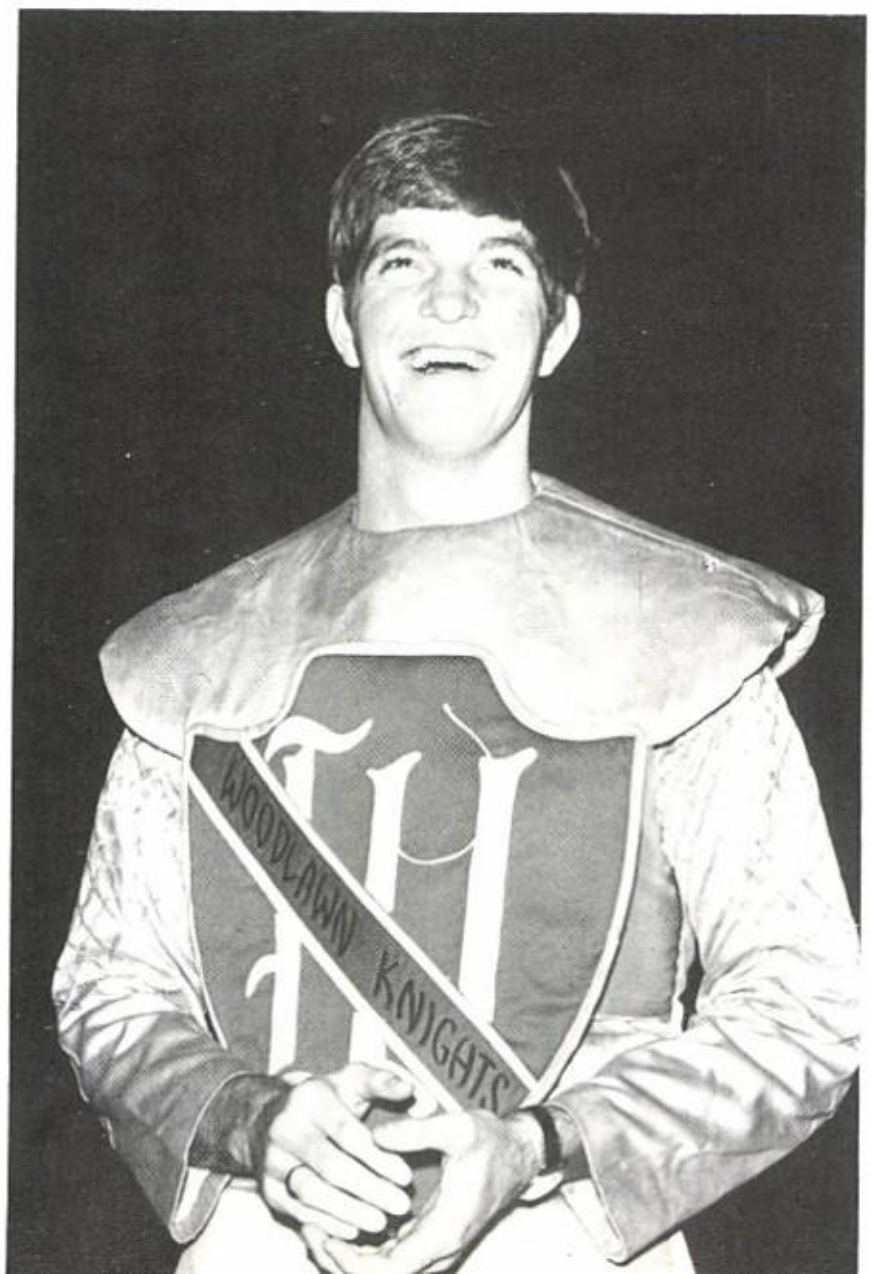
Knights Take on Many Responsibilities

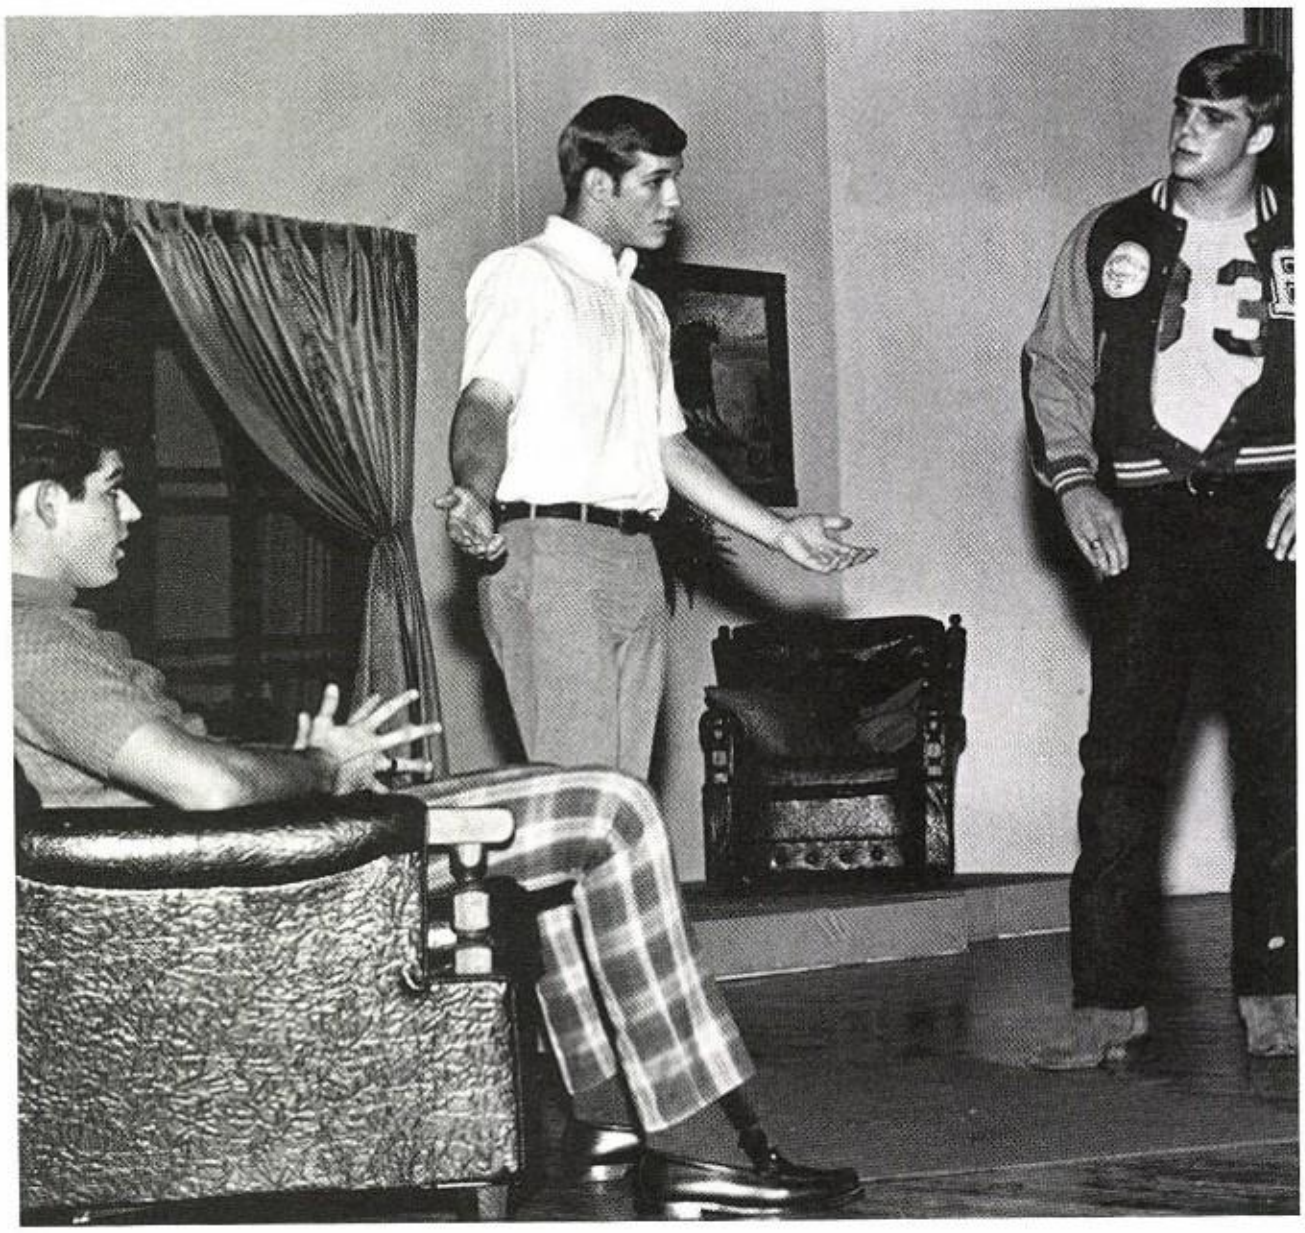
Looking over the past year, it has been one of many changes, both in faculty and student body. We, the students, have realized that we must take on more responsibility, at home, school, work, and play.

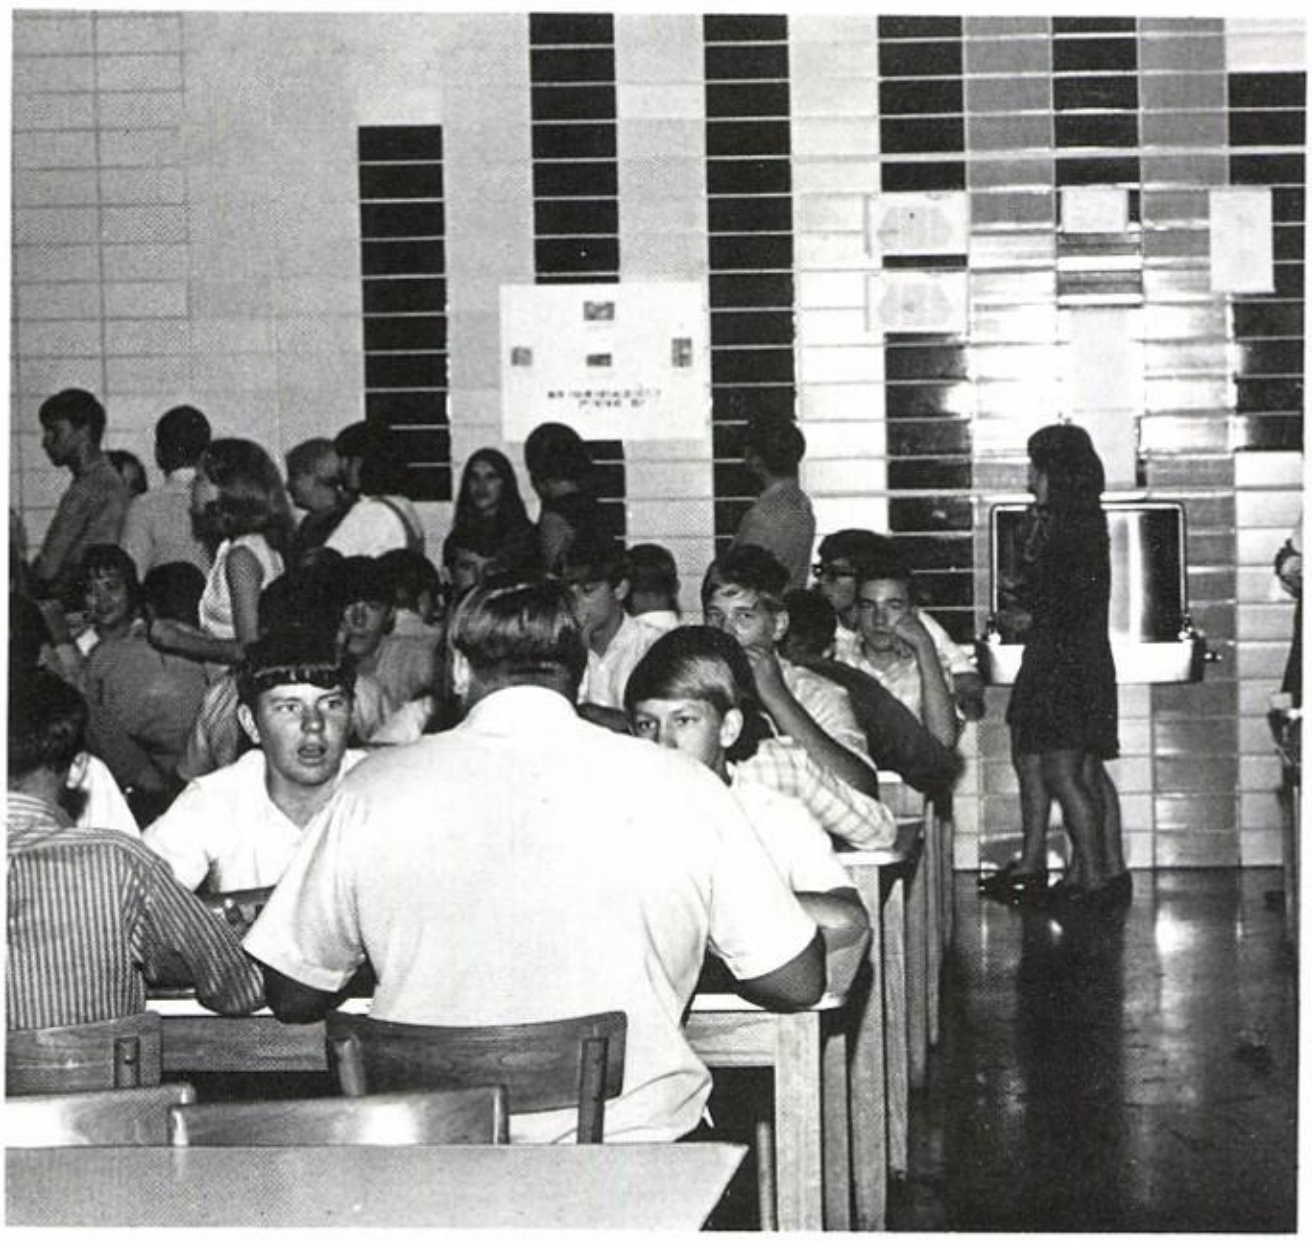
To the many who took this burden on their shoulders and carried it without thought of reward, this column is dedicated. You won't find them all in the pages of the Honor section. They are the unknowns, whose deeds go unrecognized by the public, even though they warrant more space than we possibly could give them.

So, when you finally must turn your back on Woodlawn, and depart on your course in life, recall your special honor. That is, the privilege to be a Knight.



RIGHT: Robert Butler was chosen by the student body to represent Woodlawn in the form of Sir Knight. Robert's presence at the games always boosted Woodlawn morale.





STUDENT LIFE

Life at WHS

Life at WHS is not entirely composed of studies and extracurricular activities. There are certain events that can be defined only by a Woodlawn Knight. The mad scramble for the lunch line, the horror of seeing his books fly everywhere as he walks down the stairs and the hushed reverence during the singing of the Alma Mater. These small occurrences typical of each day are mixed into a maze of happenings we call Student Life.

Pam Lee expresses great disgust as she drops her books on the stairs.

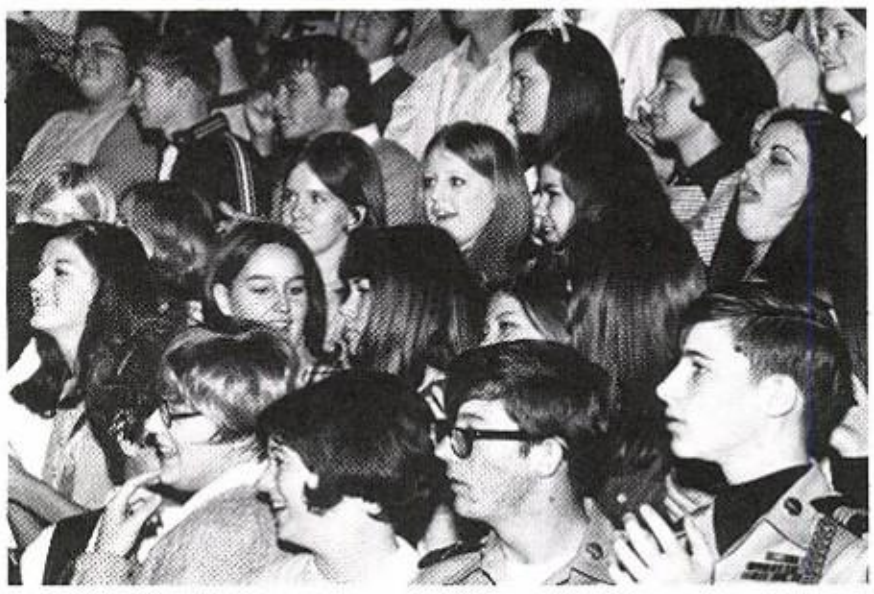
Woodlawn Is the Center of Spirit

WHS has its own form of spirit, an enthusiastic loyalty that extends far beyond the realm of pep rallies and football games. Our spirit stretches out to include all phases of school, from our clubs and organizations to our dances — even our classwork. There is a feeling of pride and loyalty and a sincere belief that WHS is the best and always will be.



Enthusiastic students can be seen yelling and clapping at each pep rally.

"And now ladies and gentlemen, the Woodlawn High School Marching Band." These familiar words were heard by many at all WHS football games. The one-hundred member Marching Band began practicing in the summer to prepare half-time shows for our regular games and play-off games. The band participated in several parades also. The uniforms consisted of white vinyl overlays bearing a knight helmet and the name "Woodlawn" trimmed in blue and red. Scarlet plumes topped the navy and white hats. Completing the uniforms are blue wool trousers with tricolor stripes.

The Concert Band is selected through auditions for Mr. Charles Caskey, director. The seventy-two members play in concerts and for special school assemblies. Their music is symphonic literature which requires much skill to play. Five members were selected for All-State Band and two for All-State Orchestra. The uniforms were navy blue formal cutaway coats with black bow ties.

Members of the band must maintain a "C" average and must have played in a junior high band.

Knights' Band Works to Improve Skill

The Knights' Band is composed of sixty members who have an interest in music and considerable experience from junior high. Under the direction of Mr. John Kite, the band practiced second period everyday in order to perform at all WHS football games. Funds were provided through the candy and fruit cake sales in the fall.

The military-style uniforms consisted of a blue coat with white crossbelts and blue-gray pants with red cords down each leg. Nine-inch white ostrich feather plumes topped the grey visor hats. White gloves and shoes completed the uniform.

Mr. John Kite, in his first year at Woodlawn, is the director of the Knights' Band and the Orchestra.

The only officer representing Knights' Band is Pam Mitchell, Captain, elected by the band members.

Concert Choir Participated in the Choral Festival at NSC in March

"A good, natural singing voice, training and experience in music and choral work, and a willingness to work" are just a few of the requirements for Concert Choir members as stated by Mr. Melvin Simmons, director. Fifty-three members of the choir fill these qualifications and meet daily at fifth period.

The activities of the year were various. A Christmas assembly and public Winter and Spring Concerts were held. An ensemble, composed of various choir members, entertained for the tenth consecutive time at the South Shreveport Rotary Club Christmas luncheon. In February, the soloists and ensembles participated in the Ensemble Festival. In March, the Choral Festival at Northwestern was held sponsored by the Louisiana Music Educators Association. Howard Hart and Steve Carlberg represented Woodlawn in the All-State Chorus for 1969. These two boys were selected through auditions. Funds for the Choir were provided through concert receipts.

Headquarters Company, A Company, B Company, and Band Company compose the cadet corps at WHS, which has been rated an honor unit since 1961. The Drill Team, Rifle Team, and Color Guard are extra activities in which cadets may participate. Highlights of the year were the Military Ball, ROTC Spaghetti Supper and Carnival, and a voluntary two-week encampment at Fort Polk during the summer.

Marksmanship is the key word for the members of Woodlawn's Rifle Team. Sponsored by M/Sgt. Courtade, the cadets practice diligently each day to improve their records. A gold ascot and a blue and white shoulder cord designate the team members.

The "Redcoats," as the Rifle Team is sometimes called, compete in various matches throughout the year. University of Texas at Arlington, University of Houston, LSU, Sam Houston State College, Fourth Army, Holiday in Dixie, and eight Shreveport City League matches were competitions in which they fired.

The Woodlawn Rifle Team, organized in the school year 1962-63, has accumulated many honors and awards during its seven years of existence. Besides being defending champion at each of the matches, it is national third place winner.

Knights Capture District 1-AAA Title

Accustomed to their high-winning average of the past, the Woodlawn Knights made another impressive football season record this year. The defending State Champions once again took first place in District 1-AAA and played in the State Championship playoffs, participating in two of these games.

Their season record of nine wins and three losses was actually better and more exciting than it sounds. The Knights defeated some highly-ranked teams in and out of Louisiana. Among these were Fair Park, Captain Shreve, and Southside and Texarkana of Arkansas. A few of the games hinged on key offensive and defensive plays by the Knight players.

The State Championship was relinquished to another high school team, though, but this does not discredit the drive and determination of the Woodlawn Knights throughout the whole season. It was this same high school team that put Woodlawn out of contention in the playoffs who later became the undefeated State AAA Champions. This season will be remembered through the valiant efforts of the Knights to defend the first place title.

Winning Streak is Halted by LaGrange

Woodlawn — 0 **LaGrange — 7**

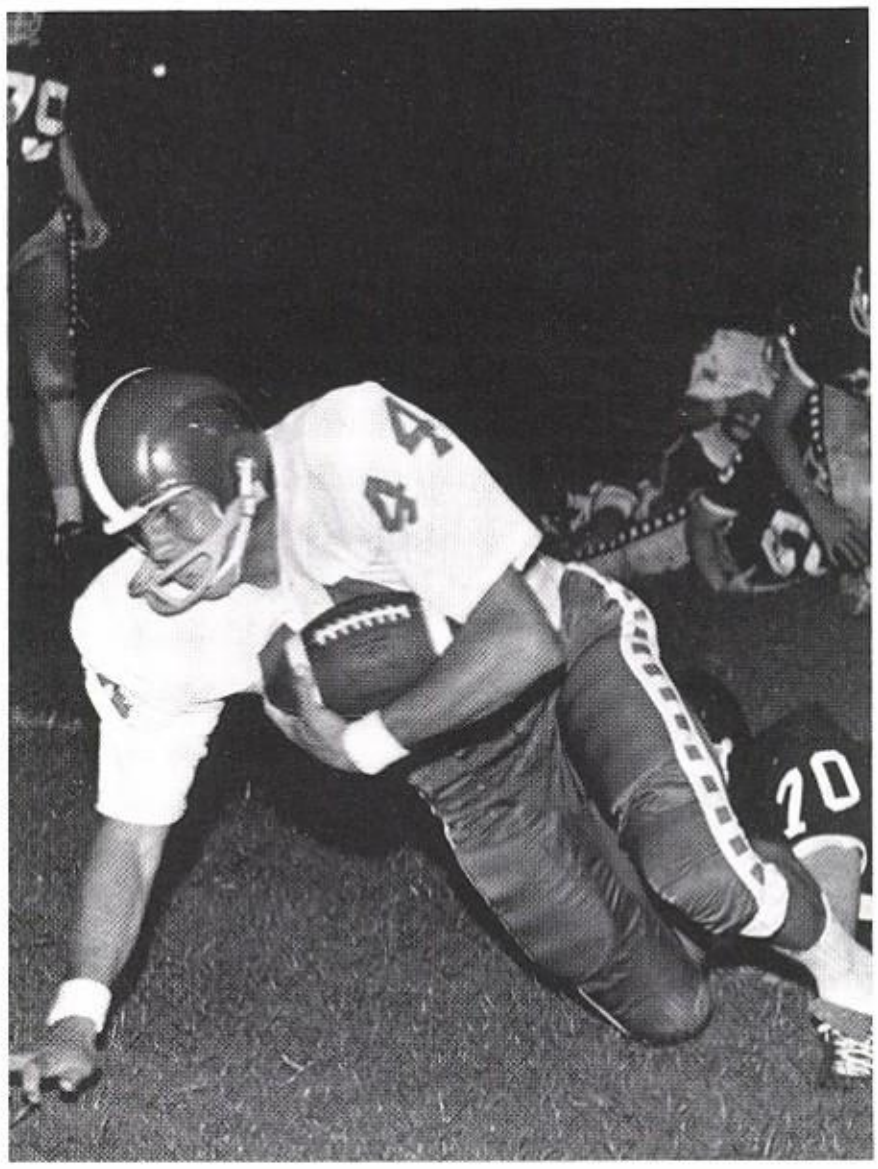
LaGrange, led by the hard running of Greg Foreman and Don Soileau, handed the Knights their first defeat since Holy Cross in 1967.

Soileau scored the only touchdown of the night on a 14-yard run late in the second quarter. The score came on a fourth and one situation climaxing an 11-play, 51-yard drive.

LaGrange lost three fumbles in the third quarter, two of them resulting in Woodlawn first downs at the Gator 11 and 13 yard lines. The Knights reached the three yard-line the first time, but the Gator defense rose to the occasion.

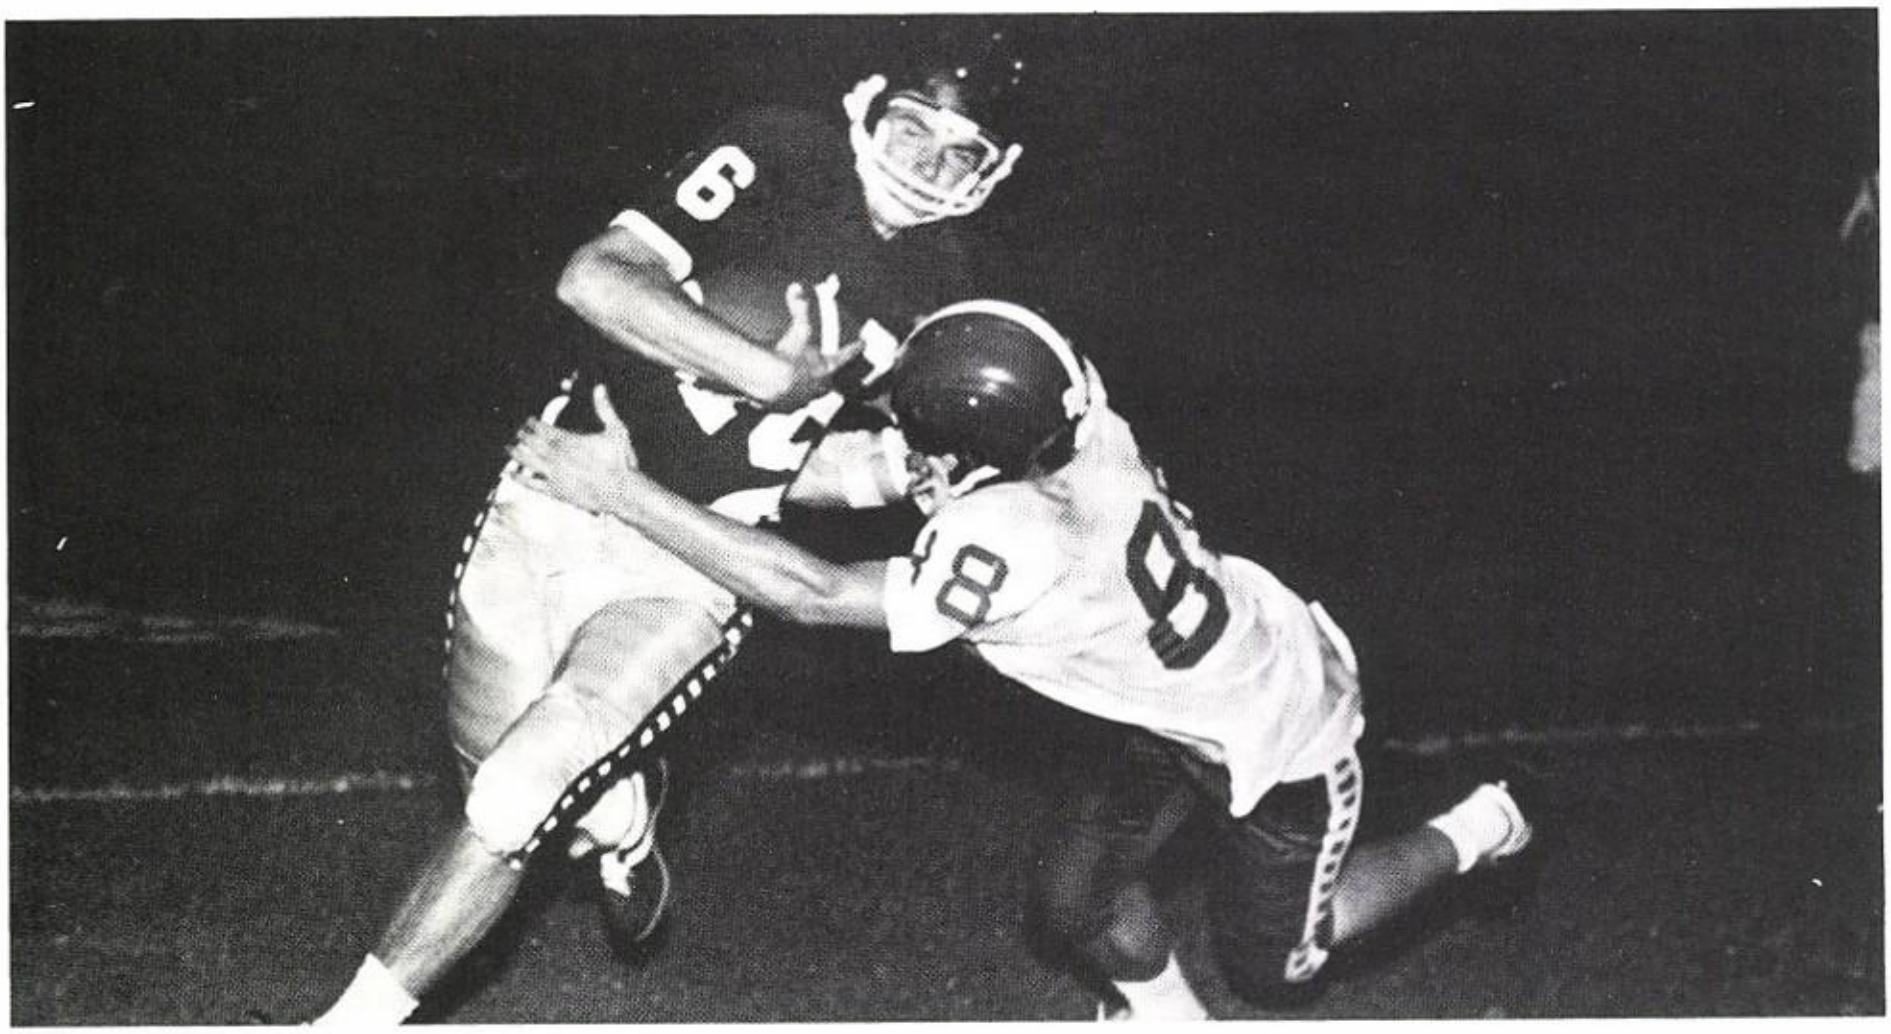
The Gators missed another golden scoring opportunity early in the fourth quarter when Soileau, hit at the Knight's three yard-line, fumbled the ball into the end zone, where it was recovered by Woodlawn safety Skipper Young.

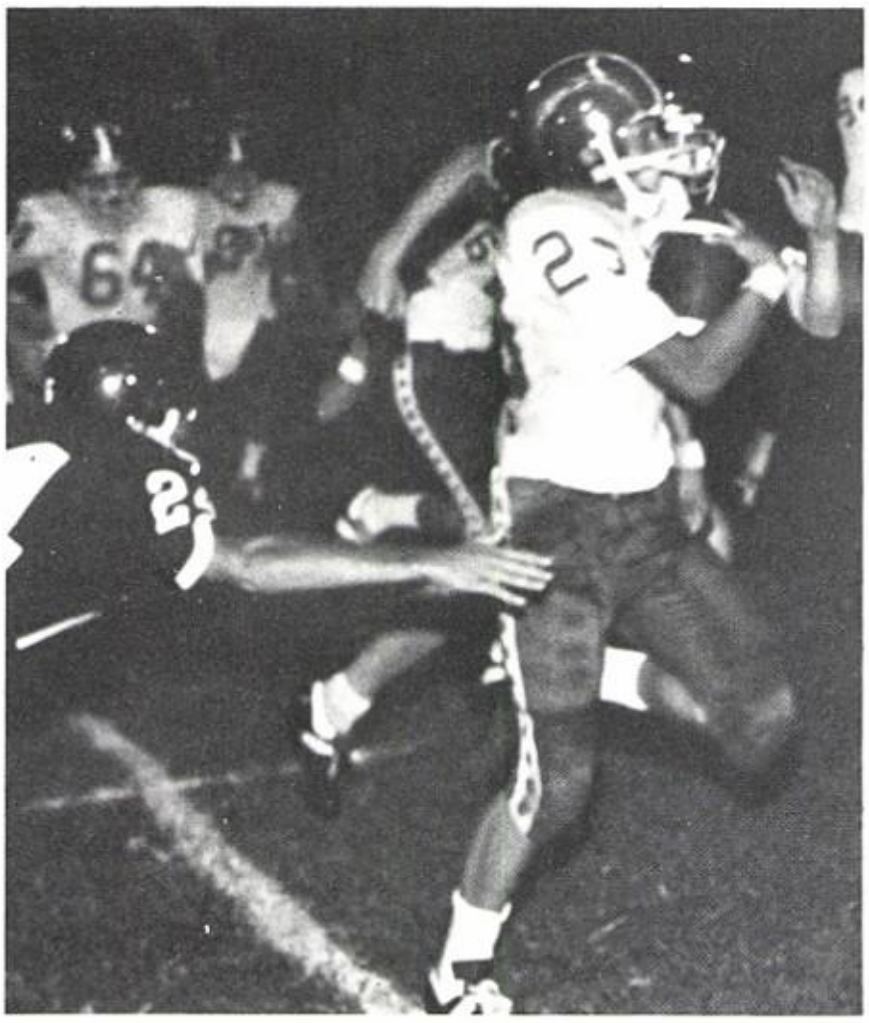
This was the first shut-out suffered by a Woodlawn team since Baton Rouge beat them during the 1964 playoffs, and the first shut-out in regular season since Byrd in 1962.



ABOVE: Buzz James ran for several sizeable yardage gains.

BELOW: The Woodlawn defensive team consistently came up with tackles like this one by Danny Warren on Fair Park runner.





Mike Etheredge sparked Woodlawn's defeat over Fair Park.

Woodlawn — 21 **Fair Park — 18**

The Knights took their first district win as interceptions proved fatal to Fair Park. Woodlawn's six interceptions set a district and school record, shattering the old mark of four held by several teams, including five Woodlawn clubs.

Leslie Hall's fumble recovery in the second quarter set up the Knight's first score as Mike Etheredge plunged into the end zone on a five-yard carry. At the end of the second quarter, the Indians led by the score 18-7.

The Knight's second score came early in the third quarter as Johnny Booty fired a seven-yard pass to Gary Green in the end zone.

The final touchdown was set up by Ronnie Procell's interception. Two plays later, Mike Etheredge dodged his way into the end zone for the touchdown that put the Knights in the lead. Nick Hodge's three conversion kicks supplied the margin of victory as the Knights defeated the Indians for the eighth time in ten games.

Knights Defeat Fair Park and Bossier

Woodlawn — 27 **Bossier — 7**

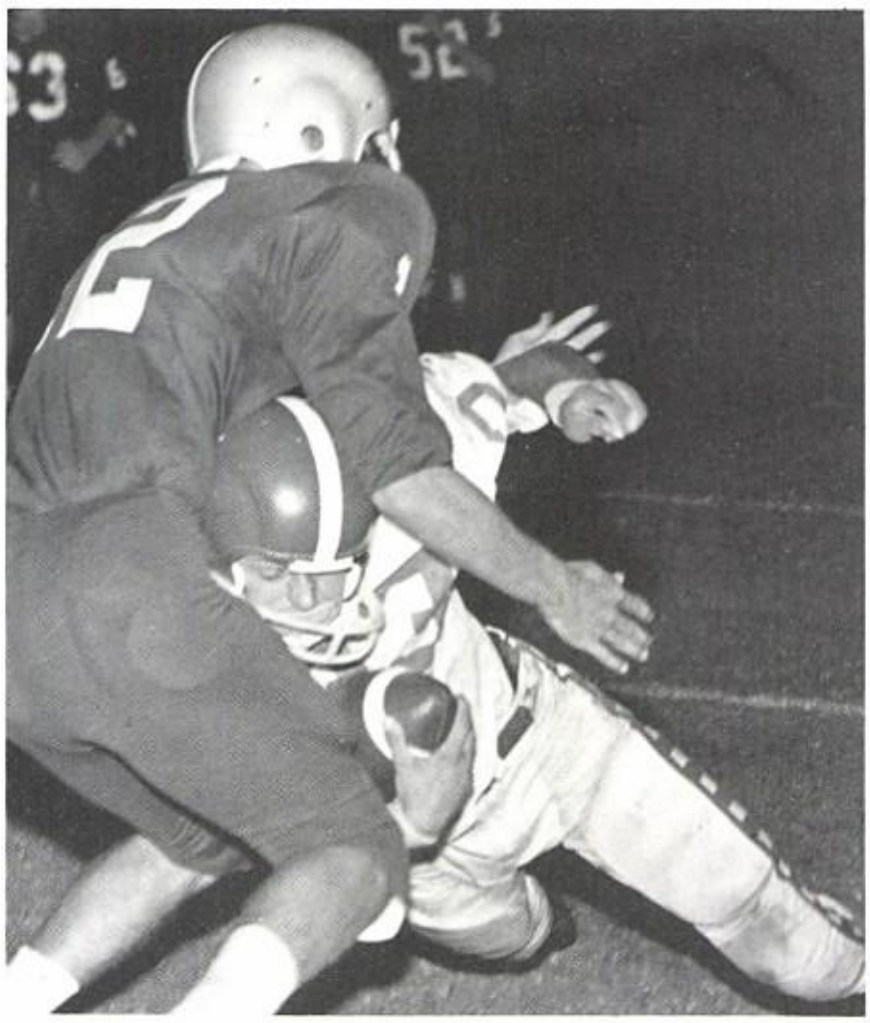
It was a rallying Woodlawn offensive team that put together a come-from-behind victory over the Bossier Bearkats. This win kept Woodlawn in contention for the first place title in District.

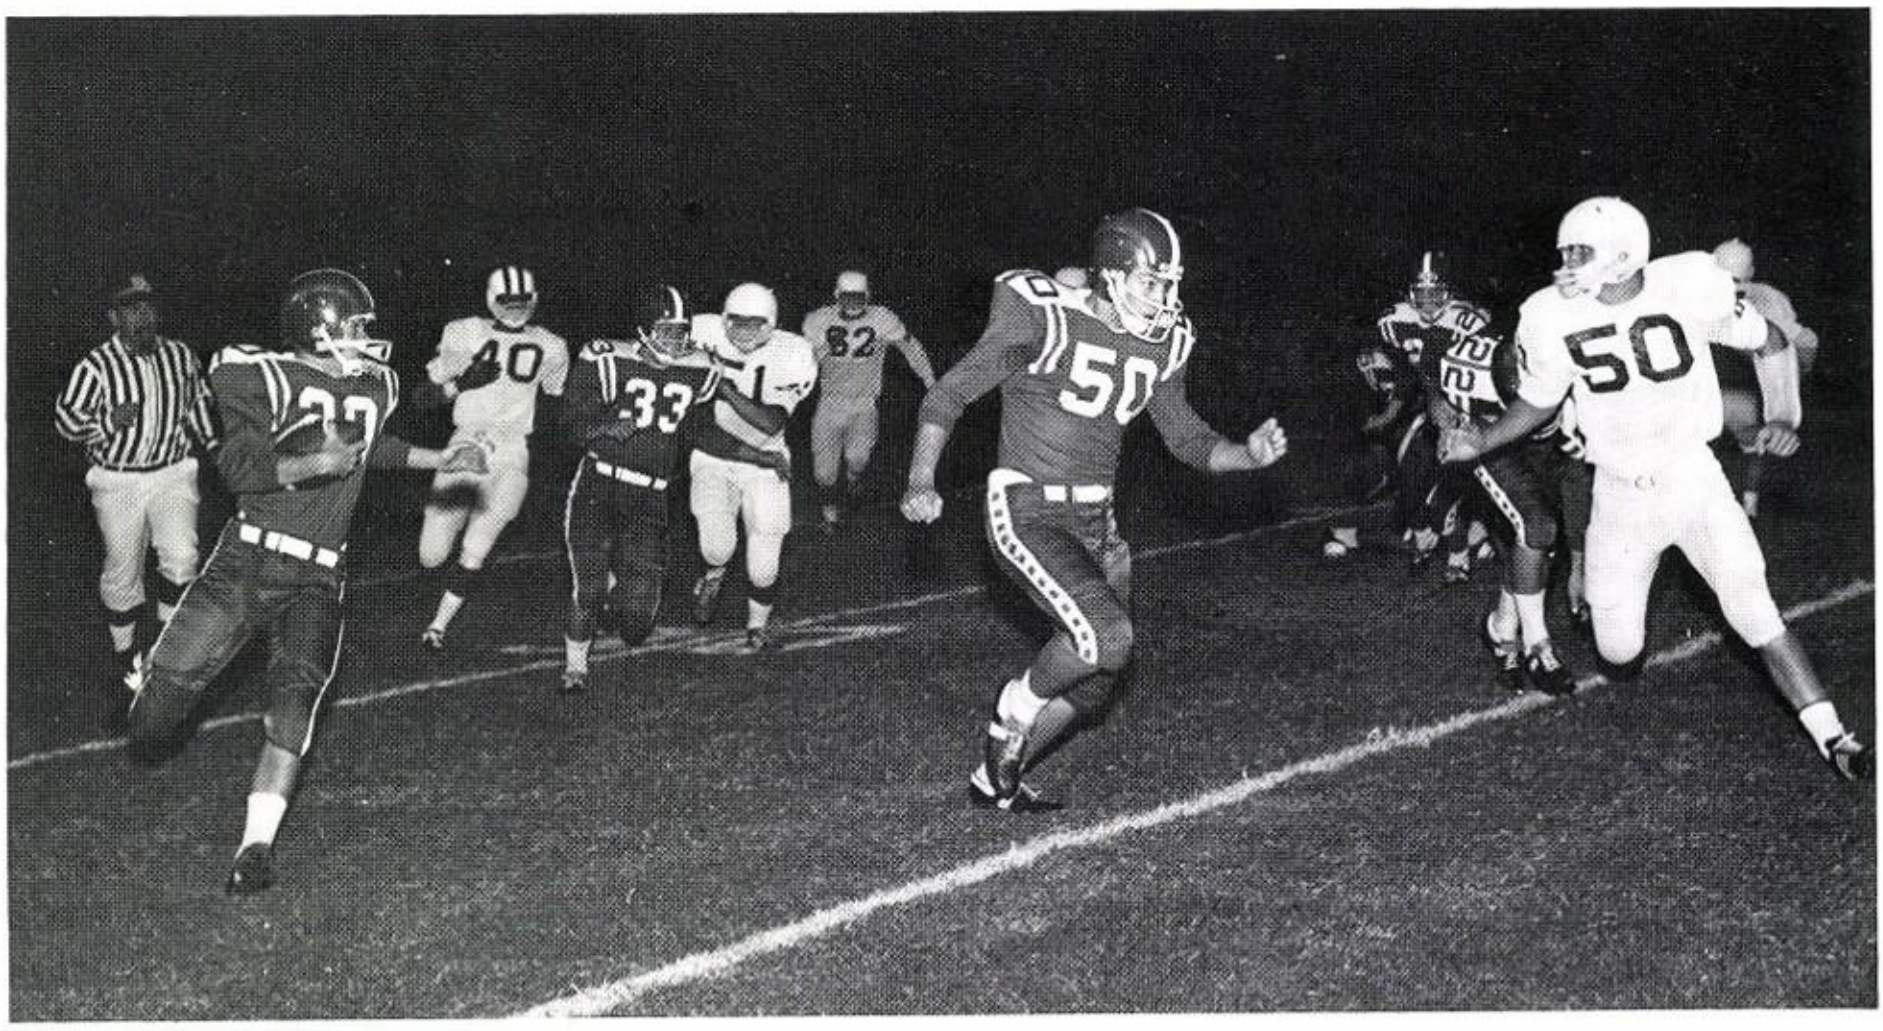
Of the four Woodlawn touchdowns scored in this game, only one came in the first half. It came soon after the opening kickoff on an 8-yard pass from David Holland to end Skipper Morgan. The extra point attempt, however, failed.

For the rest of the first half the Bearkats held the Knight offense to no first downs and minus 21 yards total offense. At the same time, Bossier darkened things for the Knights with a touchdown and a successful extra point attempt.

In the second half, David Holland led a renewed offense against the Bearkats. He passed six yards to Steve Witte in the end zone, giving the Knights the lead in the third quarter. The third touchdown came in the fourth quarter on a 20-yard run by Mike Etheredge. This was soon followed by Buzz James' 55-yard scoring run.

Extra efforts by Mike Etheredge helped defeat Bossier.





ABOVE: The Woodlawn backfield united with a group of strong blockers to form a rushing attack that was difficult to stop.

Two Arkansas Teams Beaten by Knights

Woodlawn — 28 Texarkana — 6

Although faced by the eighth ranked team in Arkansas, the Knights came out of the game well on top. They led throughout the game, thanks to a burst of scoring in the first-part of the game by the Woodlawn offense, and an unrelenting Knight defensive unit.

The Woodlawn offense piled up a total of 329 yards in the game. Two of their touchdowns, one in the first quarter, and one in the fourth, came on running plays by Steve Witte and Buzz James. The other two touchdowns resulted from Booty passes to Richard Gertson and Gary Green.

The Knight defense played a stingy game, forcing the Razorbacks to punt five times. Cornerback Bryan Serpas's come-from-behind tackle on Mike Hickerson saved a possible Razorback score after Hickerson had broken away for a 45-yard run. A pass interception in the fourth quarter set up the Razorback's only score.

This was the Razorback's first defeat, and the third victory for the Knights.

Woodlawn — 35 Southside — 0

The Woodlawn Knights added another victory to their season total in a shut-out romp over the undefeated Southside Rebels of Fort Smith, Ark. Although they were playing the sixth-ranked team in Arkansas, the Knights were practically uncontested throughout most of the game.

In the first quarter, Johnny Booty threw a short pass to Skipper Morgan for the first touchdown. Early in the next period of play, he threw another touchdown pass to end Jim Woodruff for 25-yards. In a 53-yard drive, David Holland completed two long passes to Gary Green and one to Richard Gertson before giving the ball to John Farr who went six yards to score.

The Knights resumed their scoring frenzy in the second half, starting with a 41-yard run by Ricky Simmons. Defensive linebacker James McCoy intercepted a Southside pass and set up the closing touchdown run by Buzz James. With the five extra point attempts by Nick Hodge, the final score was 35-0 in favor of Woodlawn.

Woodlawn — 42 **West Monroe — 6**

Despite adverse playing conditions and 125 yards in penalties, the Woodlawn Knights rallied for six touchdowns to defeat the Rebels of West Monroe, 42-6.

Two Knights' scores came on running plays of one and two yards by Steve Witte, and one on a four yard scamper by Ricky Simmons. The remaining touchdowns came on a 10-yard pass from Johnny Booty to flanker Gary Green, and passes to Skipper Morgan for 8 yards, and one to Richard Gertson for 23 yards from quarterback David Holland.

The Rebels entered the game using a shotgun formation, but found it useless as seven passes were intercepted by the "Big Red" defensive unit of Woodlawn. Bryan Serpas and Skipper Young stole two Rebel aerials apiece and Tommy Hayes, Ricky Shirley, and Randy Parrish each added one. They also held the Rebels to a total of zero yards rushing.

This victory was the only out-of-town game for the Knights for the 1969 season, and it was their fifth straight win since their opening season loss to LaGrange.

Woodlawn — 8 **Byrd — 0**

In a game plagued by fumbles and interceptions, the Woodlawn Knights came out of it with a thin edge in scoring over the Byrd Yellow Jackets. The strong Knight defense sustained a great effort to keep the inspired Byrd offense from breaking loose from their scoring stigma.

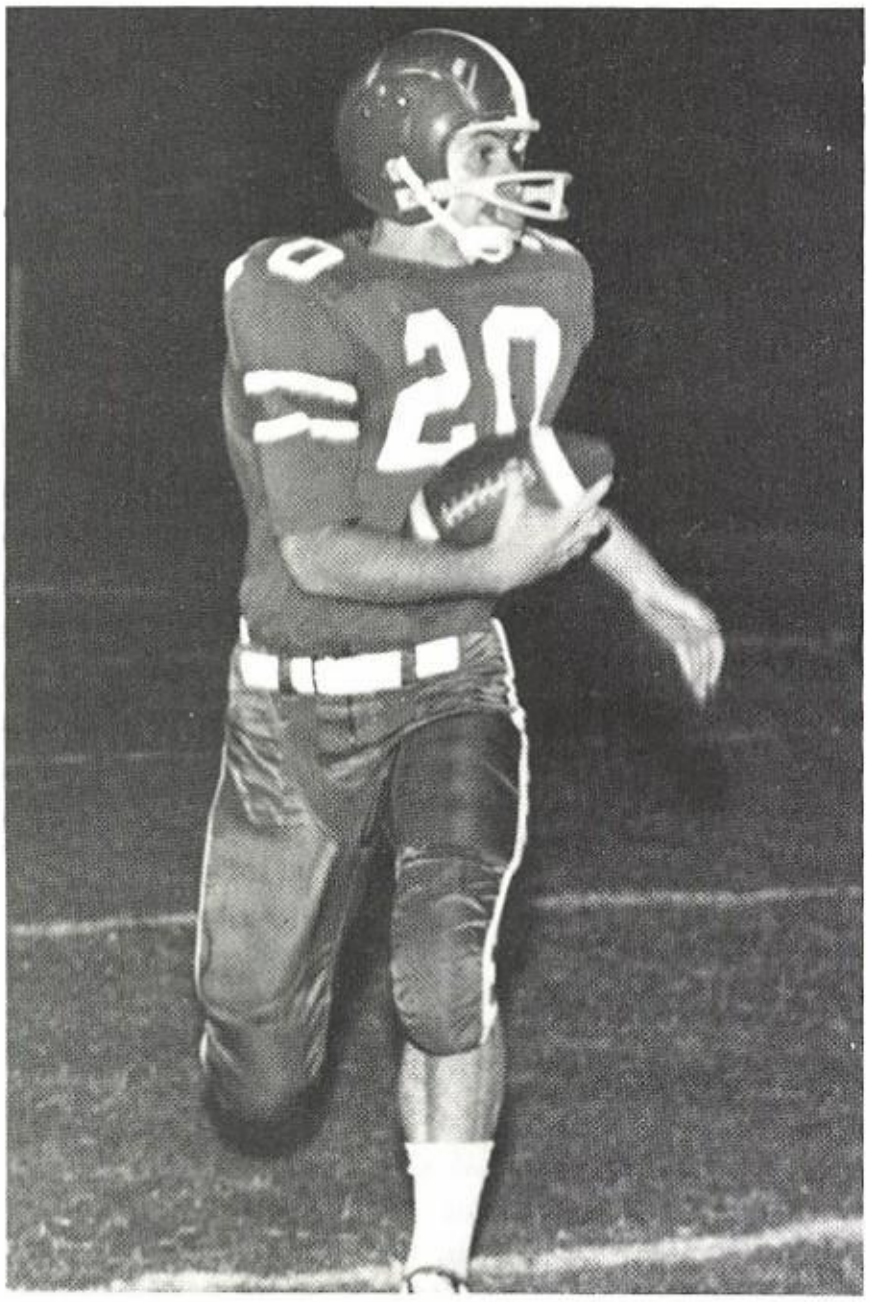
Several Woodlawn offensive drives were stopped by a fumble or an interception. One such drive in the second quarter did make it to the goal line, when Johnny Booty threw a twelve yard pass to fullback Steve Witte. The Knights tried a two-point conversion and completed it with a pass to end Richard Gertson. Hurt seriously by three fumbles and two interceptions, and bearing the brunt of a rampaging Byrd defense, the Knights could not muster another score.

Due to a strong Woodlawn defensive unit, though, the Yellow Jackets also suffered from mistakes. Bryan Serpas intercepted two passes, while Randy Parrish made off with another. This victory was the sixth straight win for the Knights since their loss to LaGrange.

Rebels and Jackets Fall to Woodlawn

Johnny Booty referred to Coach Williams for instructions.

Hard running often gave momentum to Knight drives.



Skipper Young runs with one of his interceptions.

Woodlawn — 41 **Ruston — 14**

Scoring was systematic and records fell when the Ruston Bearcats fell to the Knights. Two interceptions by Ricky Shirley and one each by Randy Parrish, Ronnie Procell, and Leslie Hall boosted the season total to one over the 1964 record of 25.

The second record was broken when Buzz James rambled 89 yards after receiving the kickoff to score the first touchdown of the night.

Ruston answered on a 6 yard scoring run by Steve Pyle and completed a 2-point conversion pass. Still in the first quarter, Woodlawn ended a 73-yard drive with a 19-yard touchdown run by James.

Ricky Shirley's first interception set up a Booty pass to Skipper Morgan in the end zone. Later, Booty bounced back again with a 70-yard touchdown pass to Morgan. A fumble, though, permitted Ruston to narrow the margin with a 33 yard pass to John Kavanaugh with two seconds left in the first half.

The Knights dominated the rest of the game, scoring on a pass to Gary Green, and a Mike Fuller run.

Knights Suffer Their Second Defeat

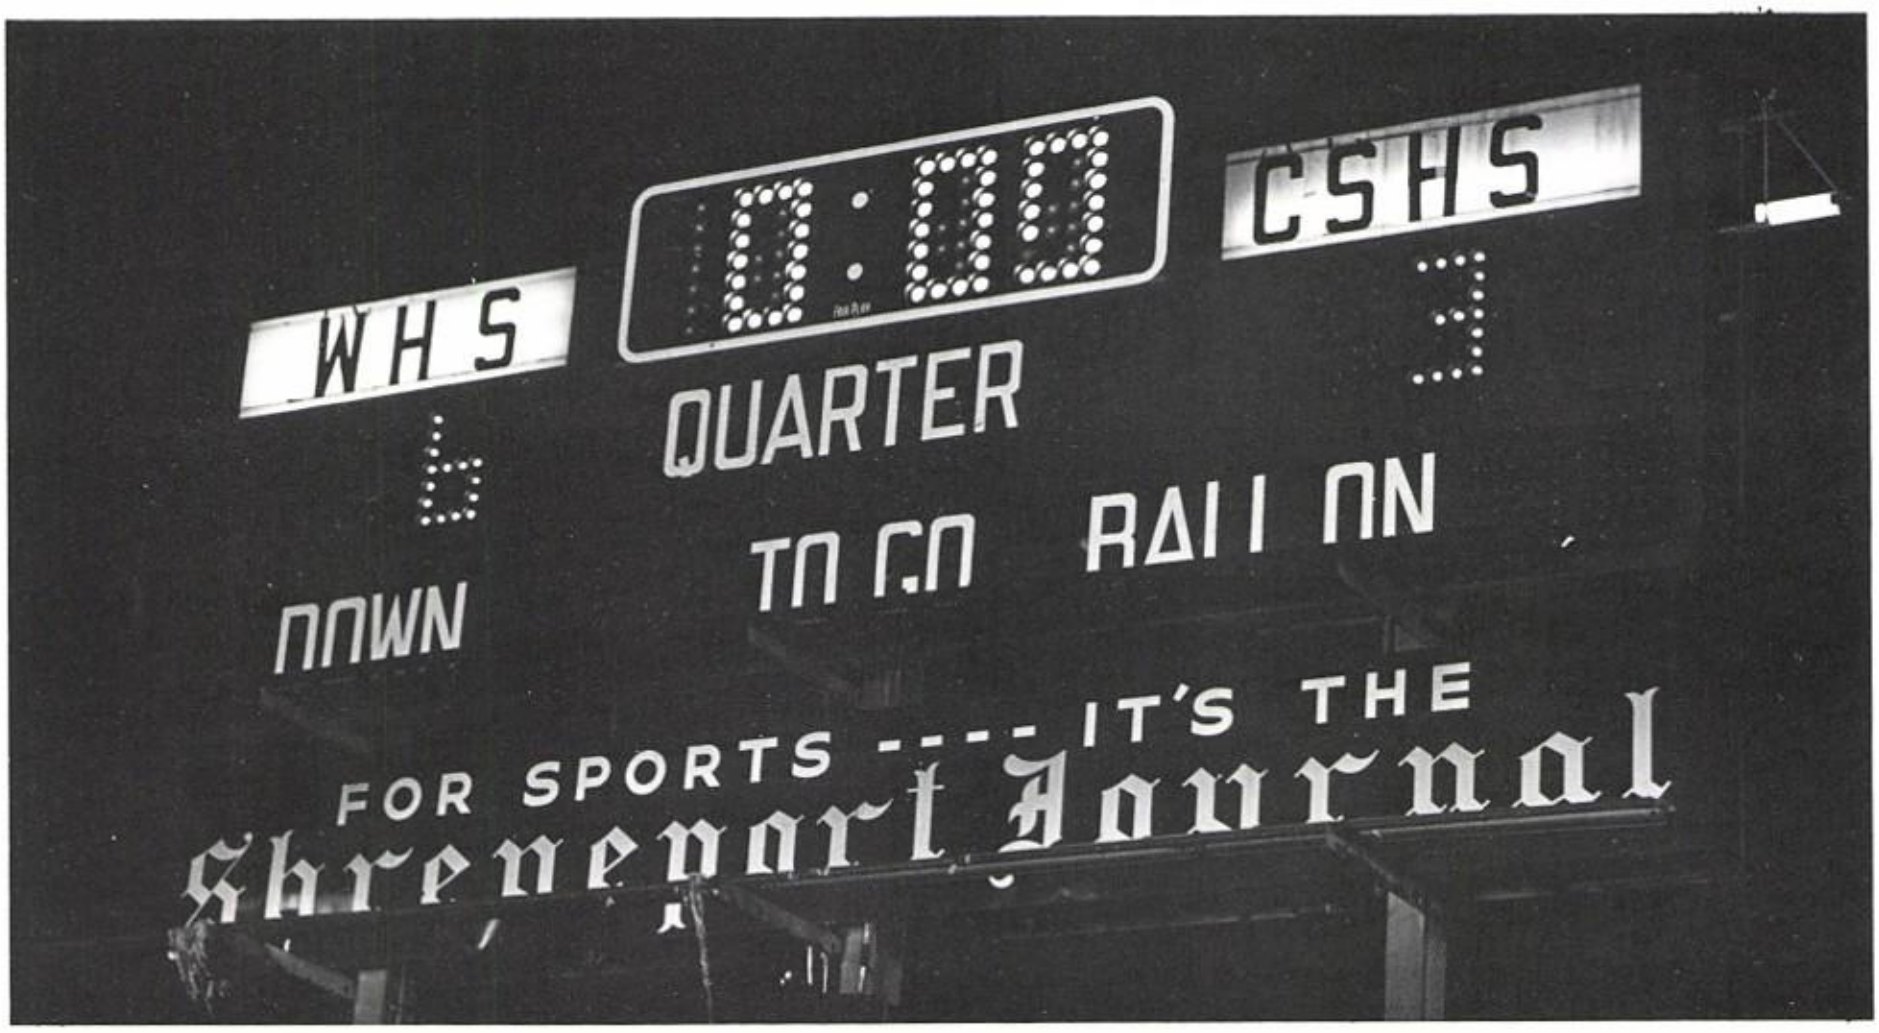
Woodlawn — 0 **Airline — 13**

The Woodlawn Knights had to settle for a tie for first place in District, finding it impossible to control a surging Airline Viking team.

The Woodlawn offensive advance was hurt by the Viking defensive line, who broke through a number of times to tackle the ball carrier. Woodlawn quarterback Johnny Booty rebounded with 24 completed passes for a total of 265 yards. Most of these yards were absorbed in five hopeful Knight drives, two past the Viking 20-yard line, and three past their 10. Several fumbles and yardage losses put an end to them, though.

The Viking's Ken Chaffin, after shaking a tackler behind the line of play, went 47 yards to score. They scored again with a short drive of 27 yards.

Ricky Simmons was an active part of the Knight rush.



ABOVE: The scoreboard tells the story as the Woodlawn Knights won over the Captain Shreve Gators by a 6-3 score.

"Big Red" Proves Fatal to Gators

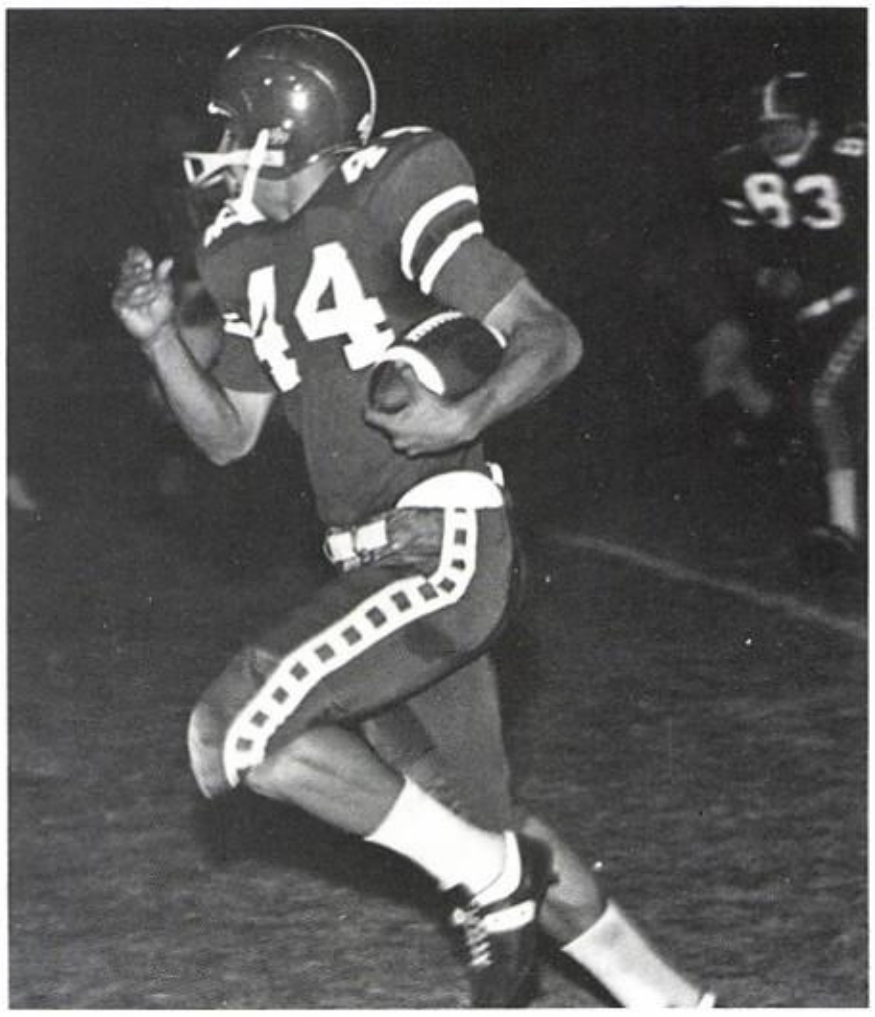
Woodlawn — 6 Captain Shreve — 3

With their first place district 1-AAA title in jeopardy, the Woodlawn Knights managed to stay on top of the Captain Shreve Gators in an exciting game. Due mostly to the outstanding defensive unit of Woodlawn, the inspired team of Captain Shreve could not deny the Knights their ticket to the State Playoffs.

Captain Shreve's only score resulted from a fumble on the Woodlawn 16-yard line. After several unsuccessful plays, Steve Brian made good a field goal for the Gators.

For the remainder of the game both teams launched many drives, and all but one was stopped by the opposing defensive unit. The Knights drove to the Gator 48, 49, 27, and 16-yard lines, thanks to a 62-yard run by Buzz James and a 53-yard punt return by Mike Etheredge. In one drive late in the final quarter, three successful plays put Woodlawn on the Gator 19 yard-line. Following three good blocks, Buzz James twisted and turned to the goal line, giving the Knights the lead in the game, and another district championship.

BELOW: Buzz James made the only score over the Gators.

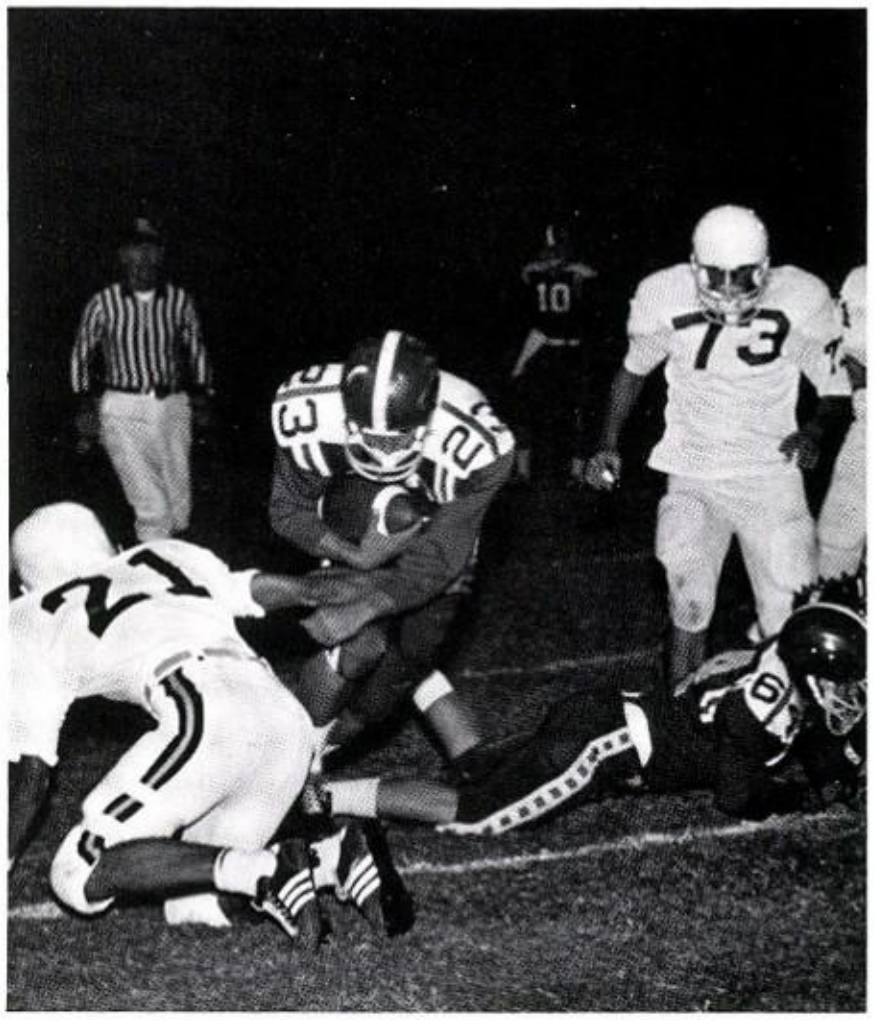


Woodlawn — 13 **New Iberia — 7**

A staunch Woodlawn defense was responsible for the 13-7 defeat of the New Iberia Yellow Jackets. The Knights' consistent effort to hold down the opposing offense coupled with two early touchdown scores to give Woodlawn this playoff victory.

The two scores for the Knights came quickly with both of them in the first quarter. On Woodlawn's second play Buzz James ran 18-yards for six points. Then Johnny Booty threw a touchdown pass 17 yards to Mike Etheredge. Mike Hodge added a point after touchdown. The rest of the game saw no more Woodlawn scores, as the Knights found it harder to move against the Yellow Jackets.

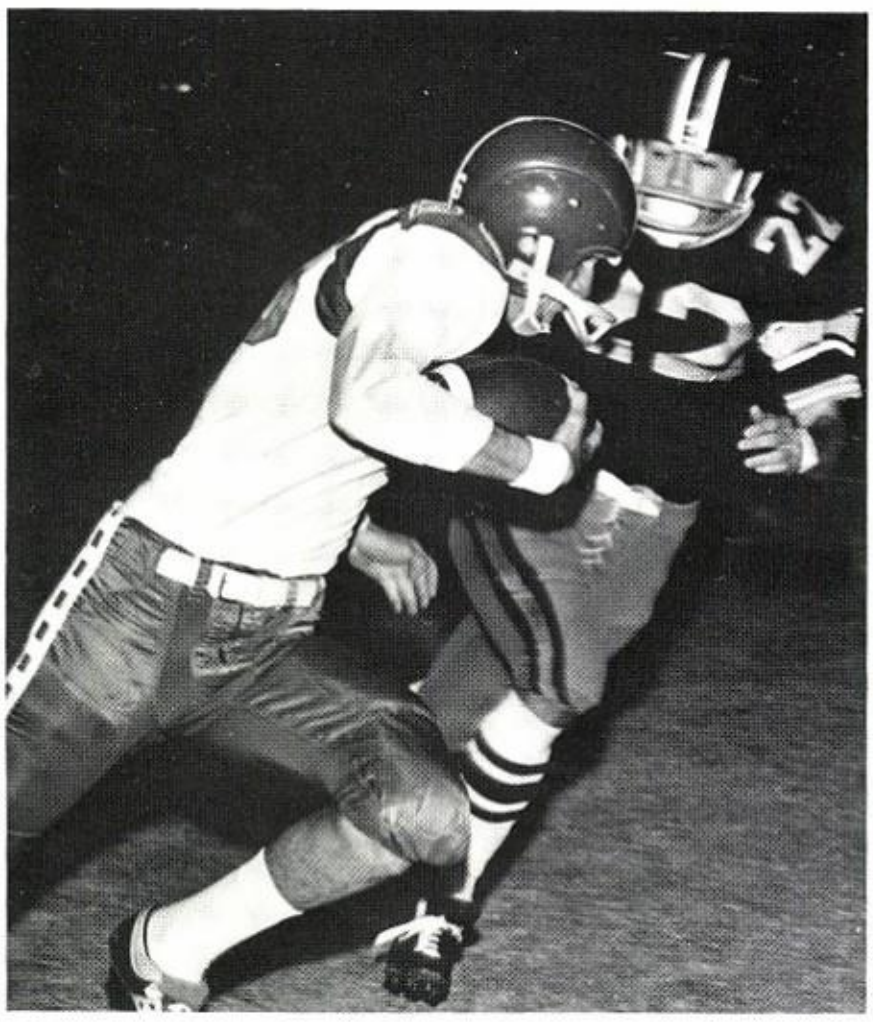
The Yellow Jackets, in turn, released several long-range drives after Woodlawn's last touchdown. New Iberia moved the ball down to the one foot line, but an important behind-the-line tackle by Ronnie Procell and Joe Thrash foiled this scoring attempt. With plenty of time left in the game, though, the Yellow Jackets scored a touchdown and made the extra point. A Procell tackle stopped another New Iberia drive late in the game.



The Knights met increased opposition from New Iberia.

Season Ends in Quarterfinal Defeat

Skipper Morgan accumulated many yards on pass carries.



Woodlawn — 6 **Bogalusa — 21**

The hard-hitting running game put forth by the Bogalusa Lumberjacks handed the Woodlawn Knights a 21-6 quarterfinals defeat.

Although they came out of it without the edge in scoring, the Knights were not standing still that night. They amassed 21 first downs to Bogalusa's 16. Quarterback Johnny Booty completed 24 out of 42 attempted passes for 336 yards in passing, almost 200 yards more than the unforeseen State Champions, Bogalusa. A 68-yard drive in the third period, topped with Booty's one-yard sneak over the goal line, gave Woodlawn its only score to represent their efforts.

Hurt by key Bogalusa defensive plays, they were greatly undone in rushing, however. Bogalusa's first score, one on a 25-yard pass, came less than two minutes after Woodlawn's. Don Smith of the Lumberjacks ran into the end zone on a fourth down play for their second third-quarter score. A 61-yard touchdown run made the last Bogalusa score.

Knights Finish Third in District

This year the Woodlawn basketball team made a spectacular effort to defend the State Championship title, which was won last year. When the season was over, they had won 24 of the 36 games they played. Besides winning such a high percentage of their games, several of the teams that defeated the Knights were later beaten by the Woodlawn Cagers.

The Knights did surprisingly well this season despite the loss of several key players from the previous year. A handful of varsity team players returning from last year combined with new, talented players to form this year's team. They came up with strong scores against the invitational and other district teams, regardless of the final scores. Their winning score of 105 over Northwood was the highest attained by Woodlawn or their opponents in the 36 games of the season.

Returning from last year's team, senior Wayne Barrett went on to become a member of the 1969-1970 All-City and All-District Basketball Teams. He was also a member of the Haughton and Airline All-Tourney Teams.

The Woodlawn basketball team went through this busy schedule of games under the leadership of Coach Dale Van Bibber and Coach Ken Ivy, now in his fifth year as head basketball coach. The season ended in a second place District AAA clash with Bossier, which Bossier won.

B Team Improves With Experience

The Woodlawn B Team, coached by Ken Ivy and Dale Van Bibber, compiled a very impressive season record of 17 wins and 6 losses this year. Playing before all the varsity contests, the B team continually gave exciting, action-packed performances in every game.

Many of the B Team players also played on the Varsity basketball team. Some playing on both teams were Kurtis Nelson, Harold Ray, Reggie Bell, Lew McClurg, Jim Woodruff, Danny Warren, Larry Mercer, Ricky Nichols, and Gary Green.

These players, because of their excellent showing and good sportsmanship, gave visions of things to come for the future basketball teams at Woodlawn. These boys will fill the positions left vacant by Senior varsity players next year.

Knights Take First Title in Baseball

Woodlawn wrapped up its first 1-AAA baseball title by defeating Byrd, North Caddo, Jesuit, Captain Shreve, and other district schools.

The Knights led an 11-2 record for the season with Robert Boddie, who threw the first no-hit shut-out to Jesuit. While Boddie pitched, sophomore Ronnie Johnston filled the catcher's position. Ronnie led the Knights in hitting with a .483 batting average.

The Knights infield was hard to beat with Tommy Dark at first base, Melethel Campbell at second base, Bryan Serpas at short stop, and Ronnie Johnston catching. The outfield consisted of Randy Barrish in left field, Randy Parrish in centerfield, and Kenny Thomas in rightfield.

The team won the district title and went on to the State AAA semifinals in Baton Rouge where they bowed to the State Champs, Holy Cross of New Orleans.

Coach Adams and Players Receive Honors

After the season was over, an All-City Baseball team was selected. Woodlawn led the way by landing the player and the coach of the year.

Jerry Adams, who was selected the coach of the year, directed the Knights to its first district AAA title and an 11-3 over-all mark.

Robert Boddie appeared on the mound in all but one of Woodlawn's games and was a unanimous choice for player of the year. The lanky righthander compiled a 10-2 record with a 0.35 earned run average.

Ronnie Johnston tied for the position of catcher on the first team while Melethel Campbell, Clinton Ebey, and Kenny Thomas were placed on the second All-City team.

Wayne Barrett and Bryan Serpas received honorable mention for being excellent players during the 1969 baseball season.

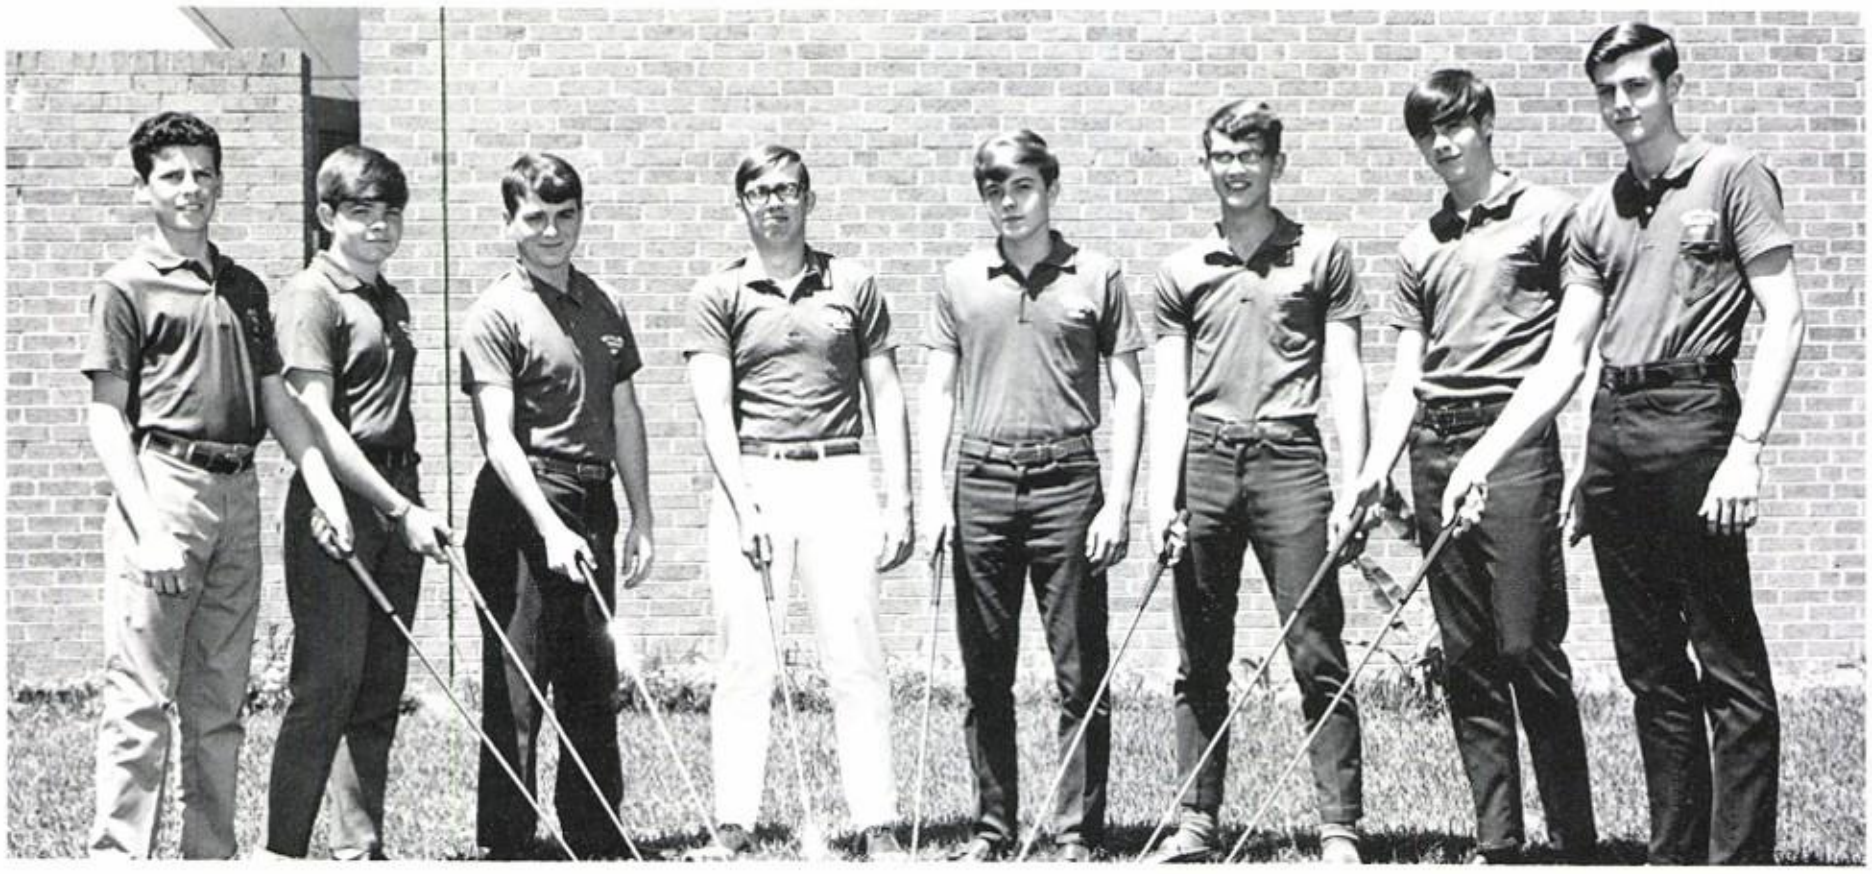
1968-69 Golf Team Post 2-12 Record



ABOVE: David Hall, Mark Stephenson, Herman Garner, Dick Bernard, Jarvis Renfro, Brent Vincent, Tony Belin, Martin Lentz.

The Woodlawn golf team for 1968-69 had a year of rebuilding. They posted a 2-12 record for the season under the coaching of W. B. Calvert.

Both of our team's victories were over Northwood High School. We won by scores of 302-358 and 285-320. Our team improved steadily with each match.

We were led by Junior letterman Mack Charping. Other members of the team were Buddy Dillman, Steve Adams, Jerry Bourne, and Gary Peal.

During the summer, junior Mack Charping competed in the State Juniors Meet. The meet was held at Palmetto Country Club in Shreveport. Mack tied for second place with a score of 228.

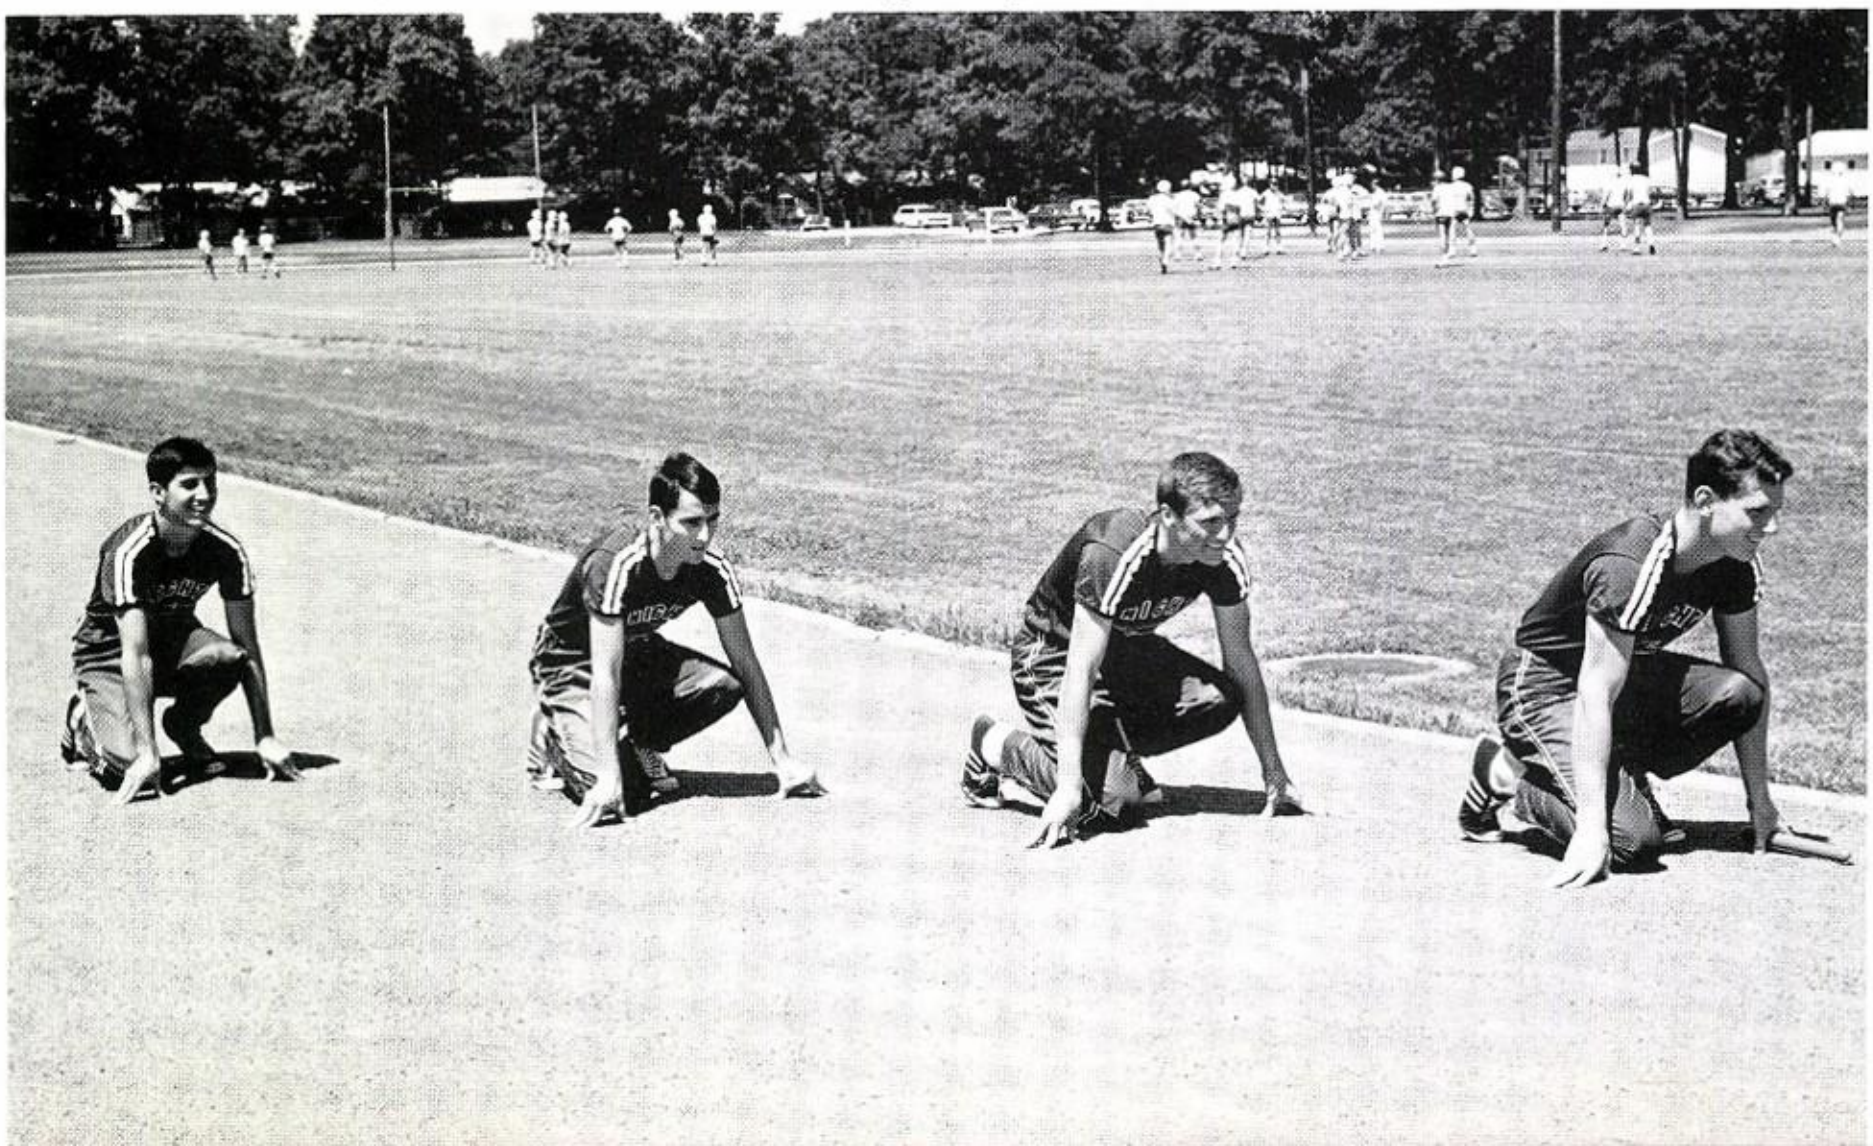
Woodlawn Track Team Wins District and

BELOW: The 880-Relay Team, Cliff Vandiver, Dan Hall, Skipper Morgan, and Frank Racine, was selected to the All-State Team.



The Woodlawn track team made it a clean sweep in athletics in 1968-1969 by scoring a 106-94 victory over Fair Park in the 1-AAA District Meet. This was the second district title for the cindermen. Coaches Lowell Morrison and David Lovell saw ten school records fall, and the team finished fourth at the State Meet in Houma.

The Knights took first place in six track meets including their own Invitational. The other first place wins came in the City Meet, the Haughton Invitational, the Ouachita Relays, the District Meet at Byrd and the Bossier Invitational which they had won earlier in the season for the fourth consecutive time. They placed second in the Indian Relays and third in the Shreveport Relays.

In the state meet the 880 yard relay team took second place. Skipper Morgan placed third in the 440 yard dash. Fourth places were garnered by John Davidson, mile run; Joe Thrash, shot put; Joe Ferguson, high jump; and Jim Hodge, pole vault. The Knights produced their first All-State relay team, the 880-yard quarter of Frank Racine, Skipper Morgan, Dan Hall, and Cliff Vandiver. Joe Ferguson, high jumper, was also on the All-State team.

The 1968-69 Woodlawn Tennis Team

Swinging tennis rackets during their P.E. hour and after school, the Woodlawn netters anticipate the matches ahead. Many hours are spent chasing, serving, and returning balls as the team prepares for their opponents.

The tennis team coached by Ken Ivy counted two victories over Fair Park and two victories over Airline. They tied a match with the team from El Dorado, Arkansas.

Lettermen for the 1969 team were Olivia Riley, Sandy Underwood, Deb Tynes, Kathy Buckner, Sissy Hodge, Tommy Harris, Tim Lacy, Jackie Vaughn, and Ernest Peek.

Vivacious Cheerleaders Boosted Spirit

Eagerly waiting to lead the Knights onto the field; yelling, clapping, jumping and screaming are these spirit-minded girls. Working out skits for the pep rallies, painting posters and most of all encouraging the student body and all the fans to participate in the excitement are only part of the duties and privileges of the cheerleaders of WHS. They have worked so that enthusiasm might direct our cheers with precision and fervor. Many activities kept the cheerleaders busy before football games but did not even begin to exhaust their endless supply of pep and spirit.

The WHS cheerleaders volunteered their services and many hours creating a playground and park from an abandoned field. Out of all this hard work came a park of barbecue pits, swing sets, tire swings, monkey bars, a baseball diamond, and a patio furnished with lawn chairs.

WHS is very proud to have cheerleaders who take such pride in their jobs and do their very best to stimulate the fans into cheering for the home team. They were more to WHS than just tradition; they were the sparks that ignited the school's fiery spirit.

Lancerettes Are Inspiration to All

Spirit is the purpose of the Woodlawn Lancerettes. This purpose has been fully accomplished this year as the Lancerettes have inspired the students of WHS in the support of our athletic events throughout the season.

Numerous, long, hot days of summer are spent in preparation for the new school year. Hours are filled with marching, painting posters, singing, and working with the cheerleaders. During the school year the Lancerettes can be seen sixth period practicing precision marching for the football games.

The Lancerettes, composed of junior and senior girls, attend all football and basketball games. Both in and out of the stands, the pep squad promotes the spirit and enthusiasm of the students and fans of WHS.

Approximately 198 girls wear the Lancerettes' uniform and cheer for the Knights. Miss Joyce Jordan and Mrs. Sandra Williford cooperate in sponsoring this large organization. All girls in pep squad must maintain a C average and meet faculty and sponsor recommendations for membership.

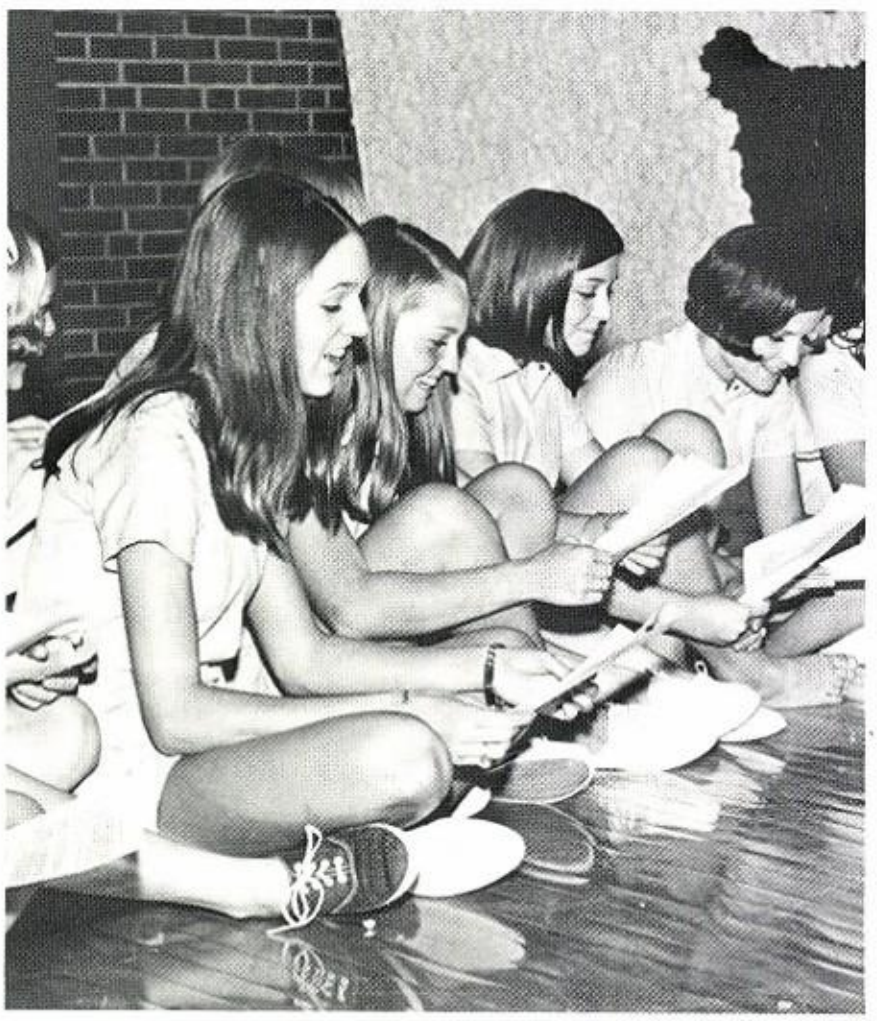
Girls' Physical Education Develops an Interest in Sports

Girls' Physical Education not only helps one in physical fitness, but also teaches sportsmanship. P.E. classes offer a variety of sports such as softball, tennis, archery, badminton and volleyball. In addition to learning the rules and fundamentals of the games played, the students are tested on their knowledge and their ability to play them. Along with these activities every year, a Physical Fitness Program is carried on in each class to test the girls in their skills. The girl's interest in developing skills make up a large portion of her grade.

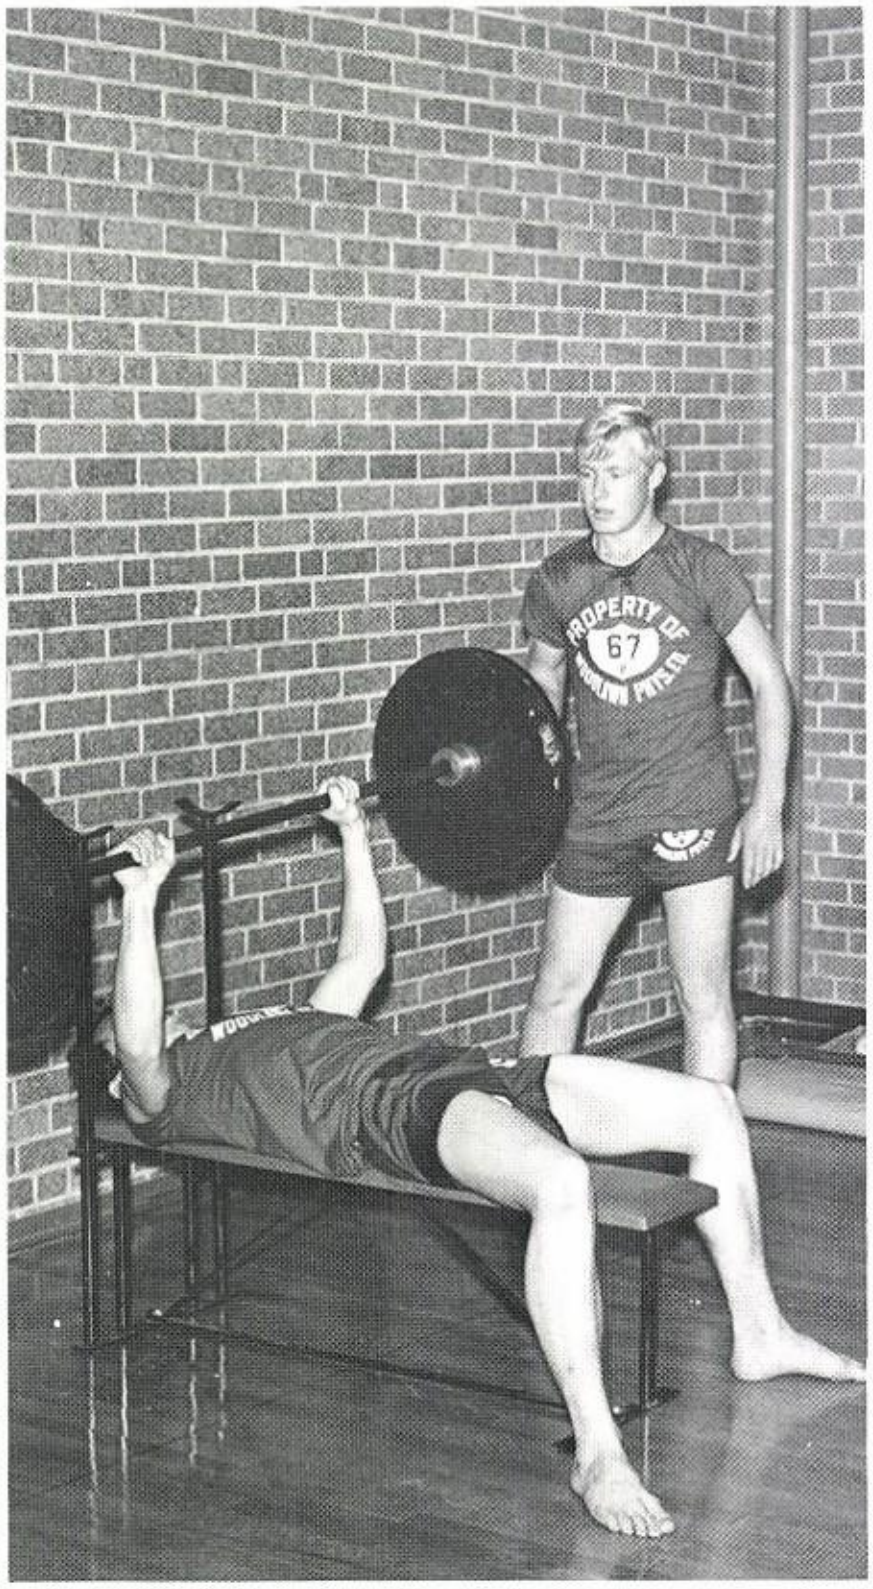


LEFT: Besides participating in sports, P.E. girls are required to take written tests.
BELOW: To start every day, the girls do exercises to get ready for their daily activities.

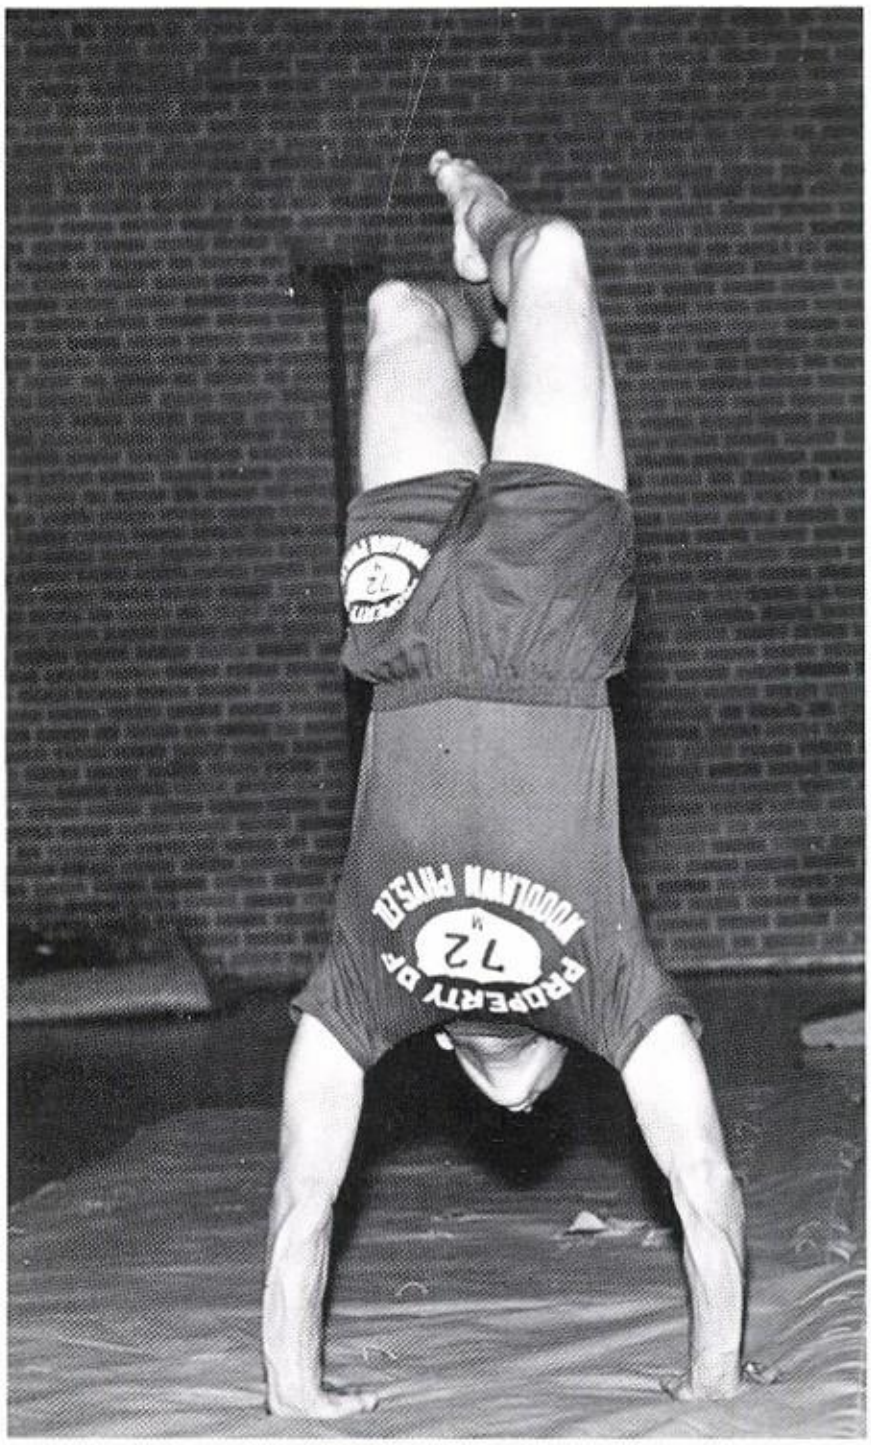
Girls' P.E. Class enjoys playing volleyball for it helps students to improve skill in passing and receiving the ball.

Tennis is a favorite sport of all P.E. girls but requires much skill and concentration in order to master the sport.

LEFT: P.E. girls enjoy their favorite sport, badminton.
BELOW: Basketball is an indoor activity in which most girls participate.

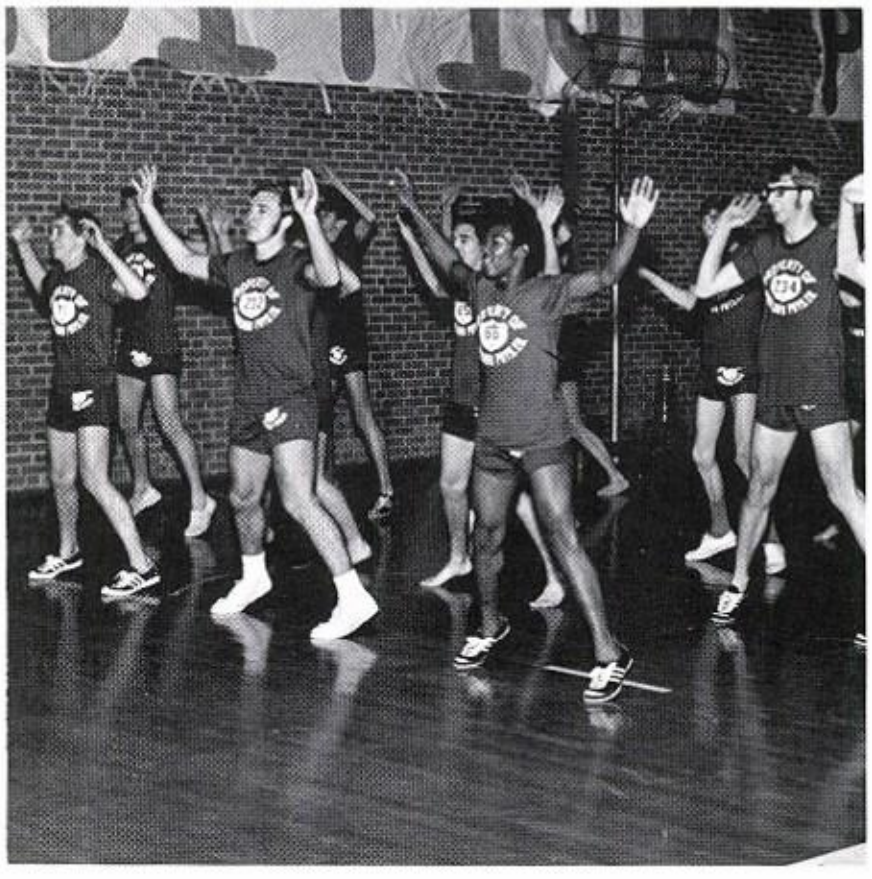


Weight lifting is one of the various activities held indoors during cold weather.



ABOVE: Boys help to build coordination and agility by taking courses in gymnastics.

BELOW: Exercising is a common activity of every boys' P.E. class.



Boys' P.E. Develops Many Different Skills

Boys' Physical Education Department plays a vital role in the activities of WHS. All boys not participating in a school-sponsored sport or ROTC are required to take a regular P.E. course each day of the week.

Boys learn techniques used in all of the major sports and are taught skills used in all of the other areas of recreation which help to build coordination. Besides participating in these sports, the boys are required to take part in a nation-wide physical test.

ABOVE: Students in Coach Ivy's physical education classes found the game of football to be a very interesting one.

Boys' P.E. Has Varied Activities

Legend of the Knight

Since earliest times the Knight has represented honor, valor, loyalty and chivalry. His armor was worn with pride. Each piece of it had a symbolic meaning. The golden spurs symbolized alertness, the lance, truth and strength; the helmet suggested modesty. The shield protected the Knight's body, as he in turn used his own body as a shield to protect his lord. The sword represented protection of the home. The Knight's charging horse, carrying him to battle, was a tireless and devoted friend. In tournaments he proved his athletic ability and sportsmanship in the challenges he took as he fought to win honors for his favorite lady.

Though [illegible] Knighthood is no longer in existence, the qualities that it represented are as applicable today as they were in the Middle Ages. These qualities of Knighthood — respect for Church, truth, bravery, obedience, courtesy, service, sports participation, and teachers, and a quest of knowledge — should be incorporated by the students into their daily being. When these things become a part of their life and actions, they will be prepared to accept with pride the accolade given as the final preparation for Knighthood. Then, they will be ready to accept the charge, "Be brave, ready, and loyal," as they officially become Knights of Woodlawn.

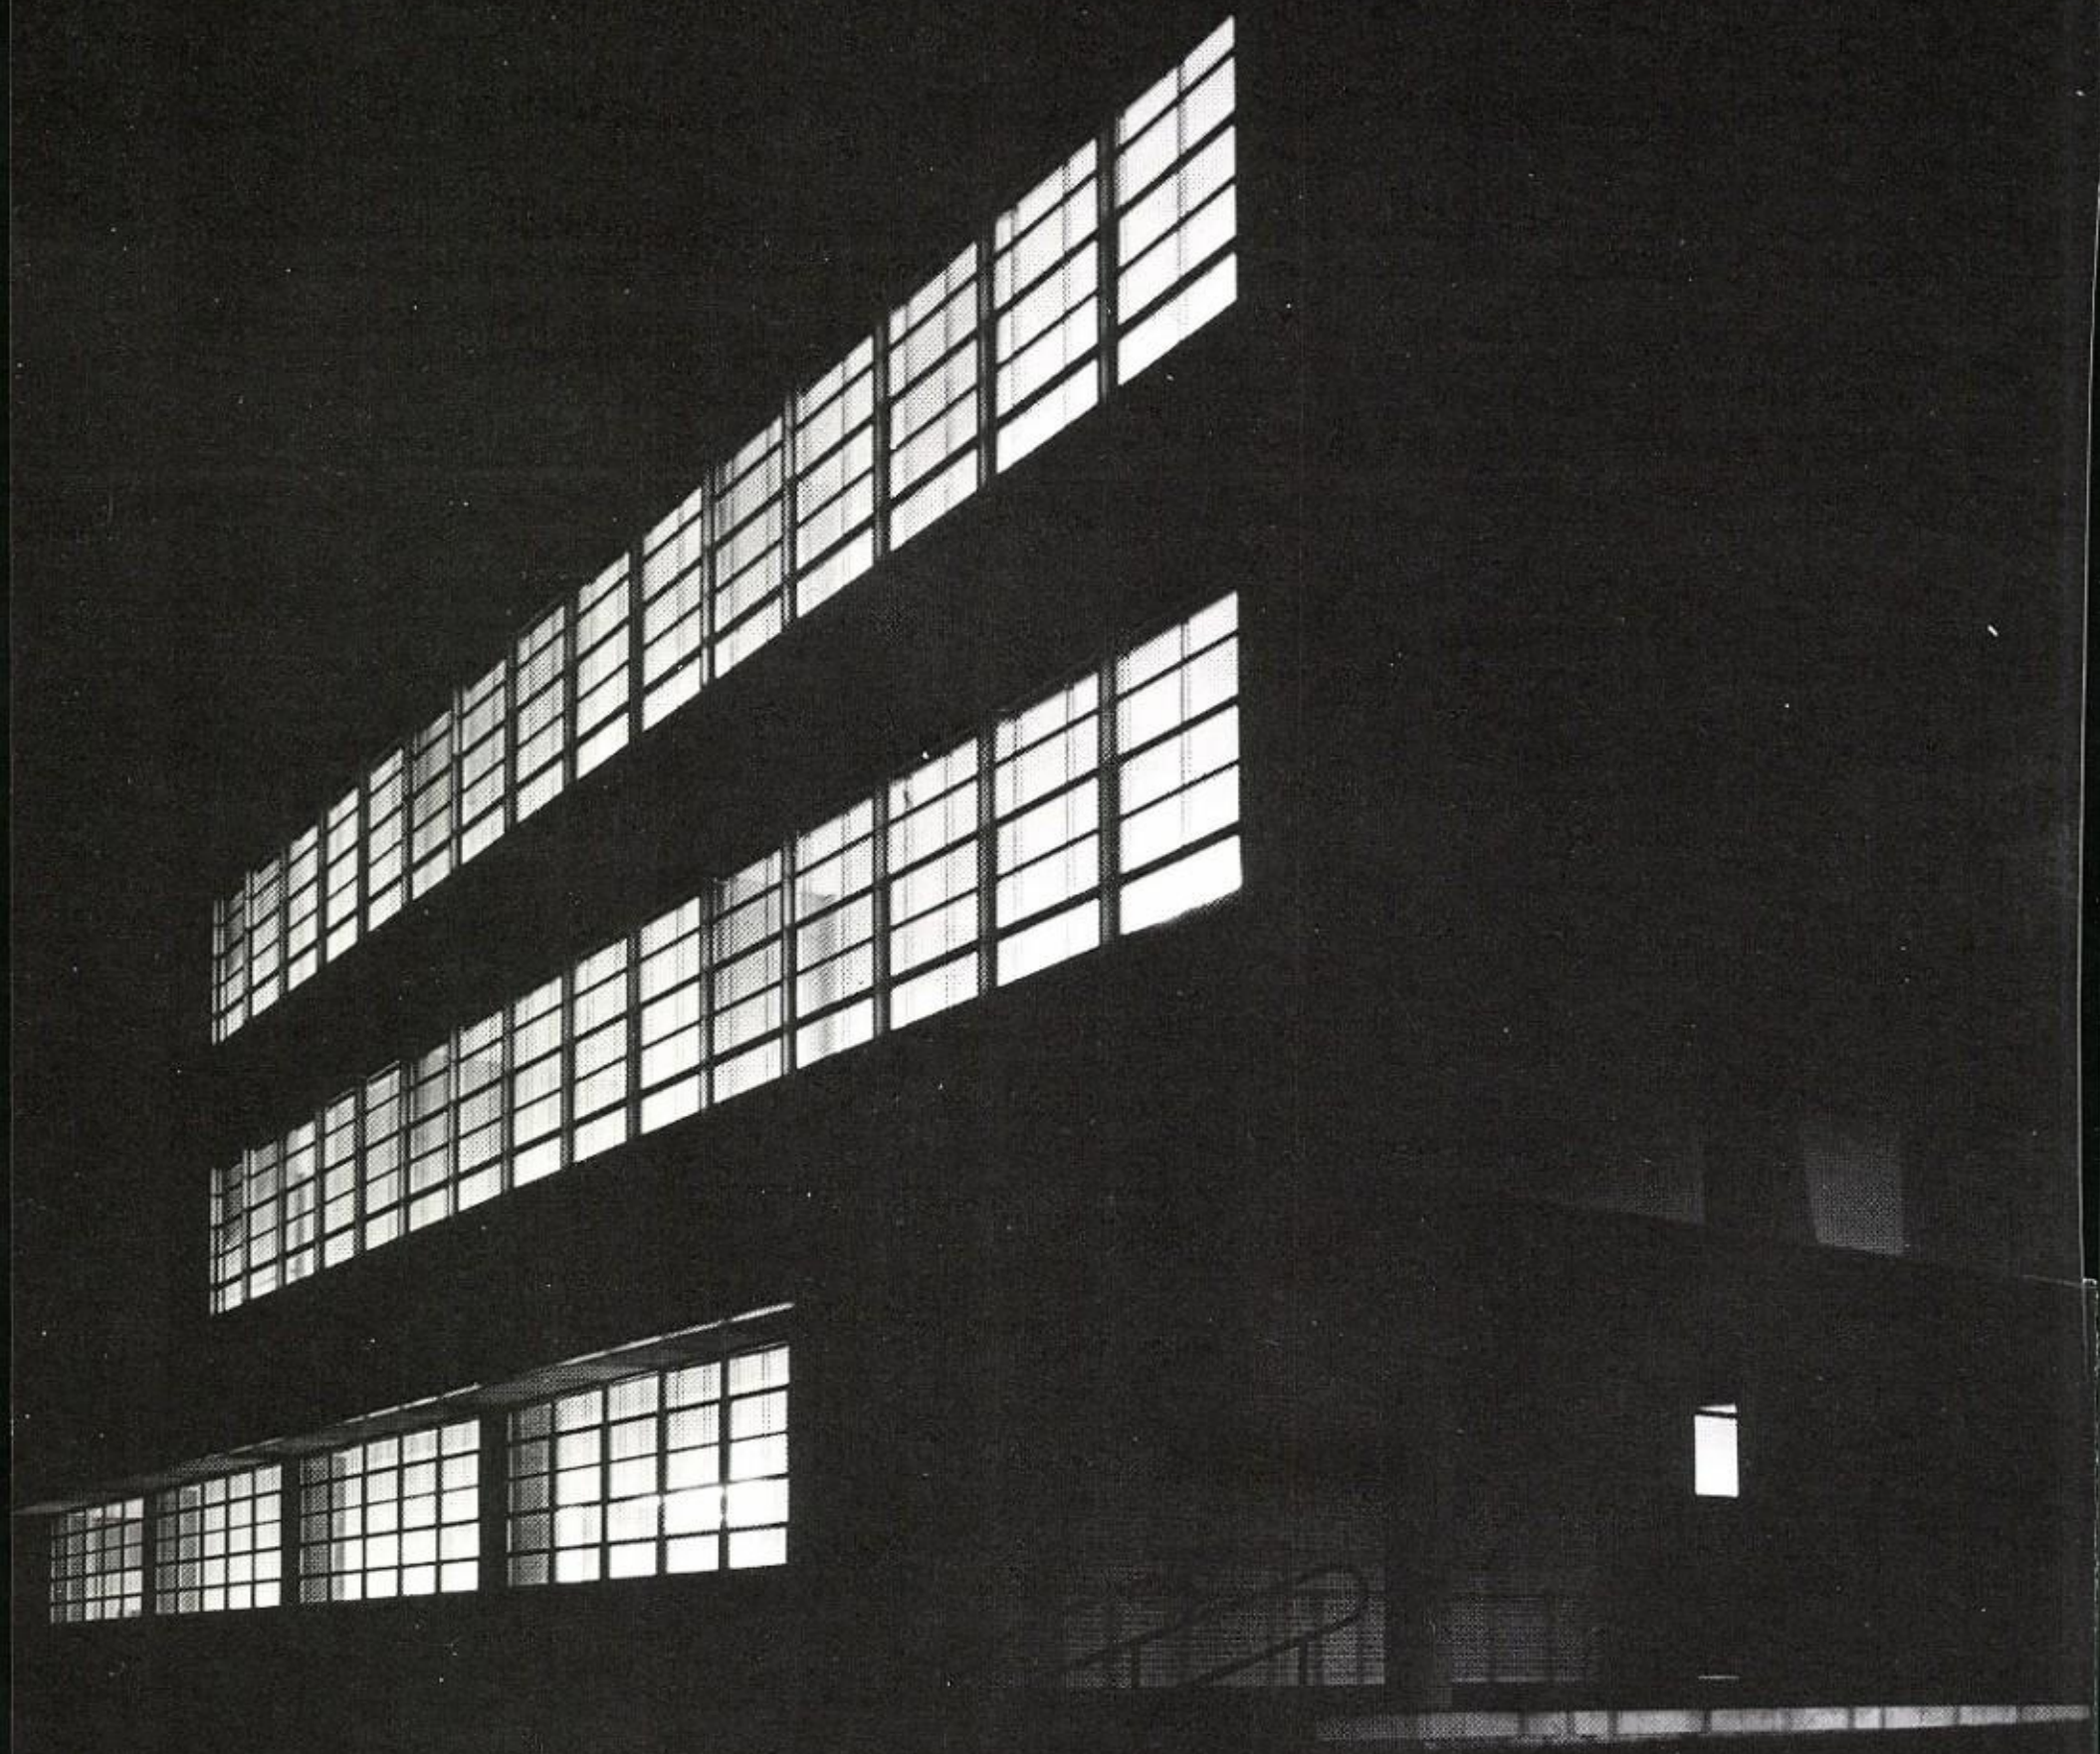
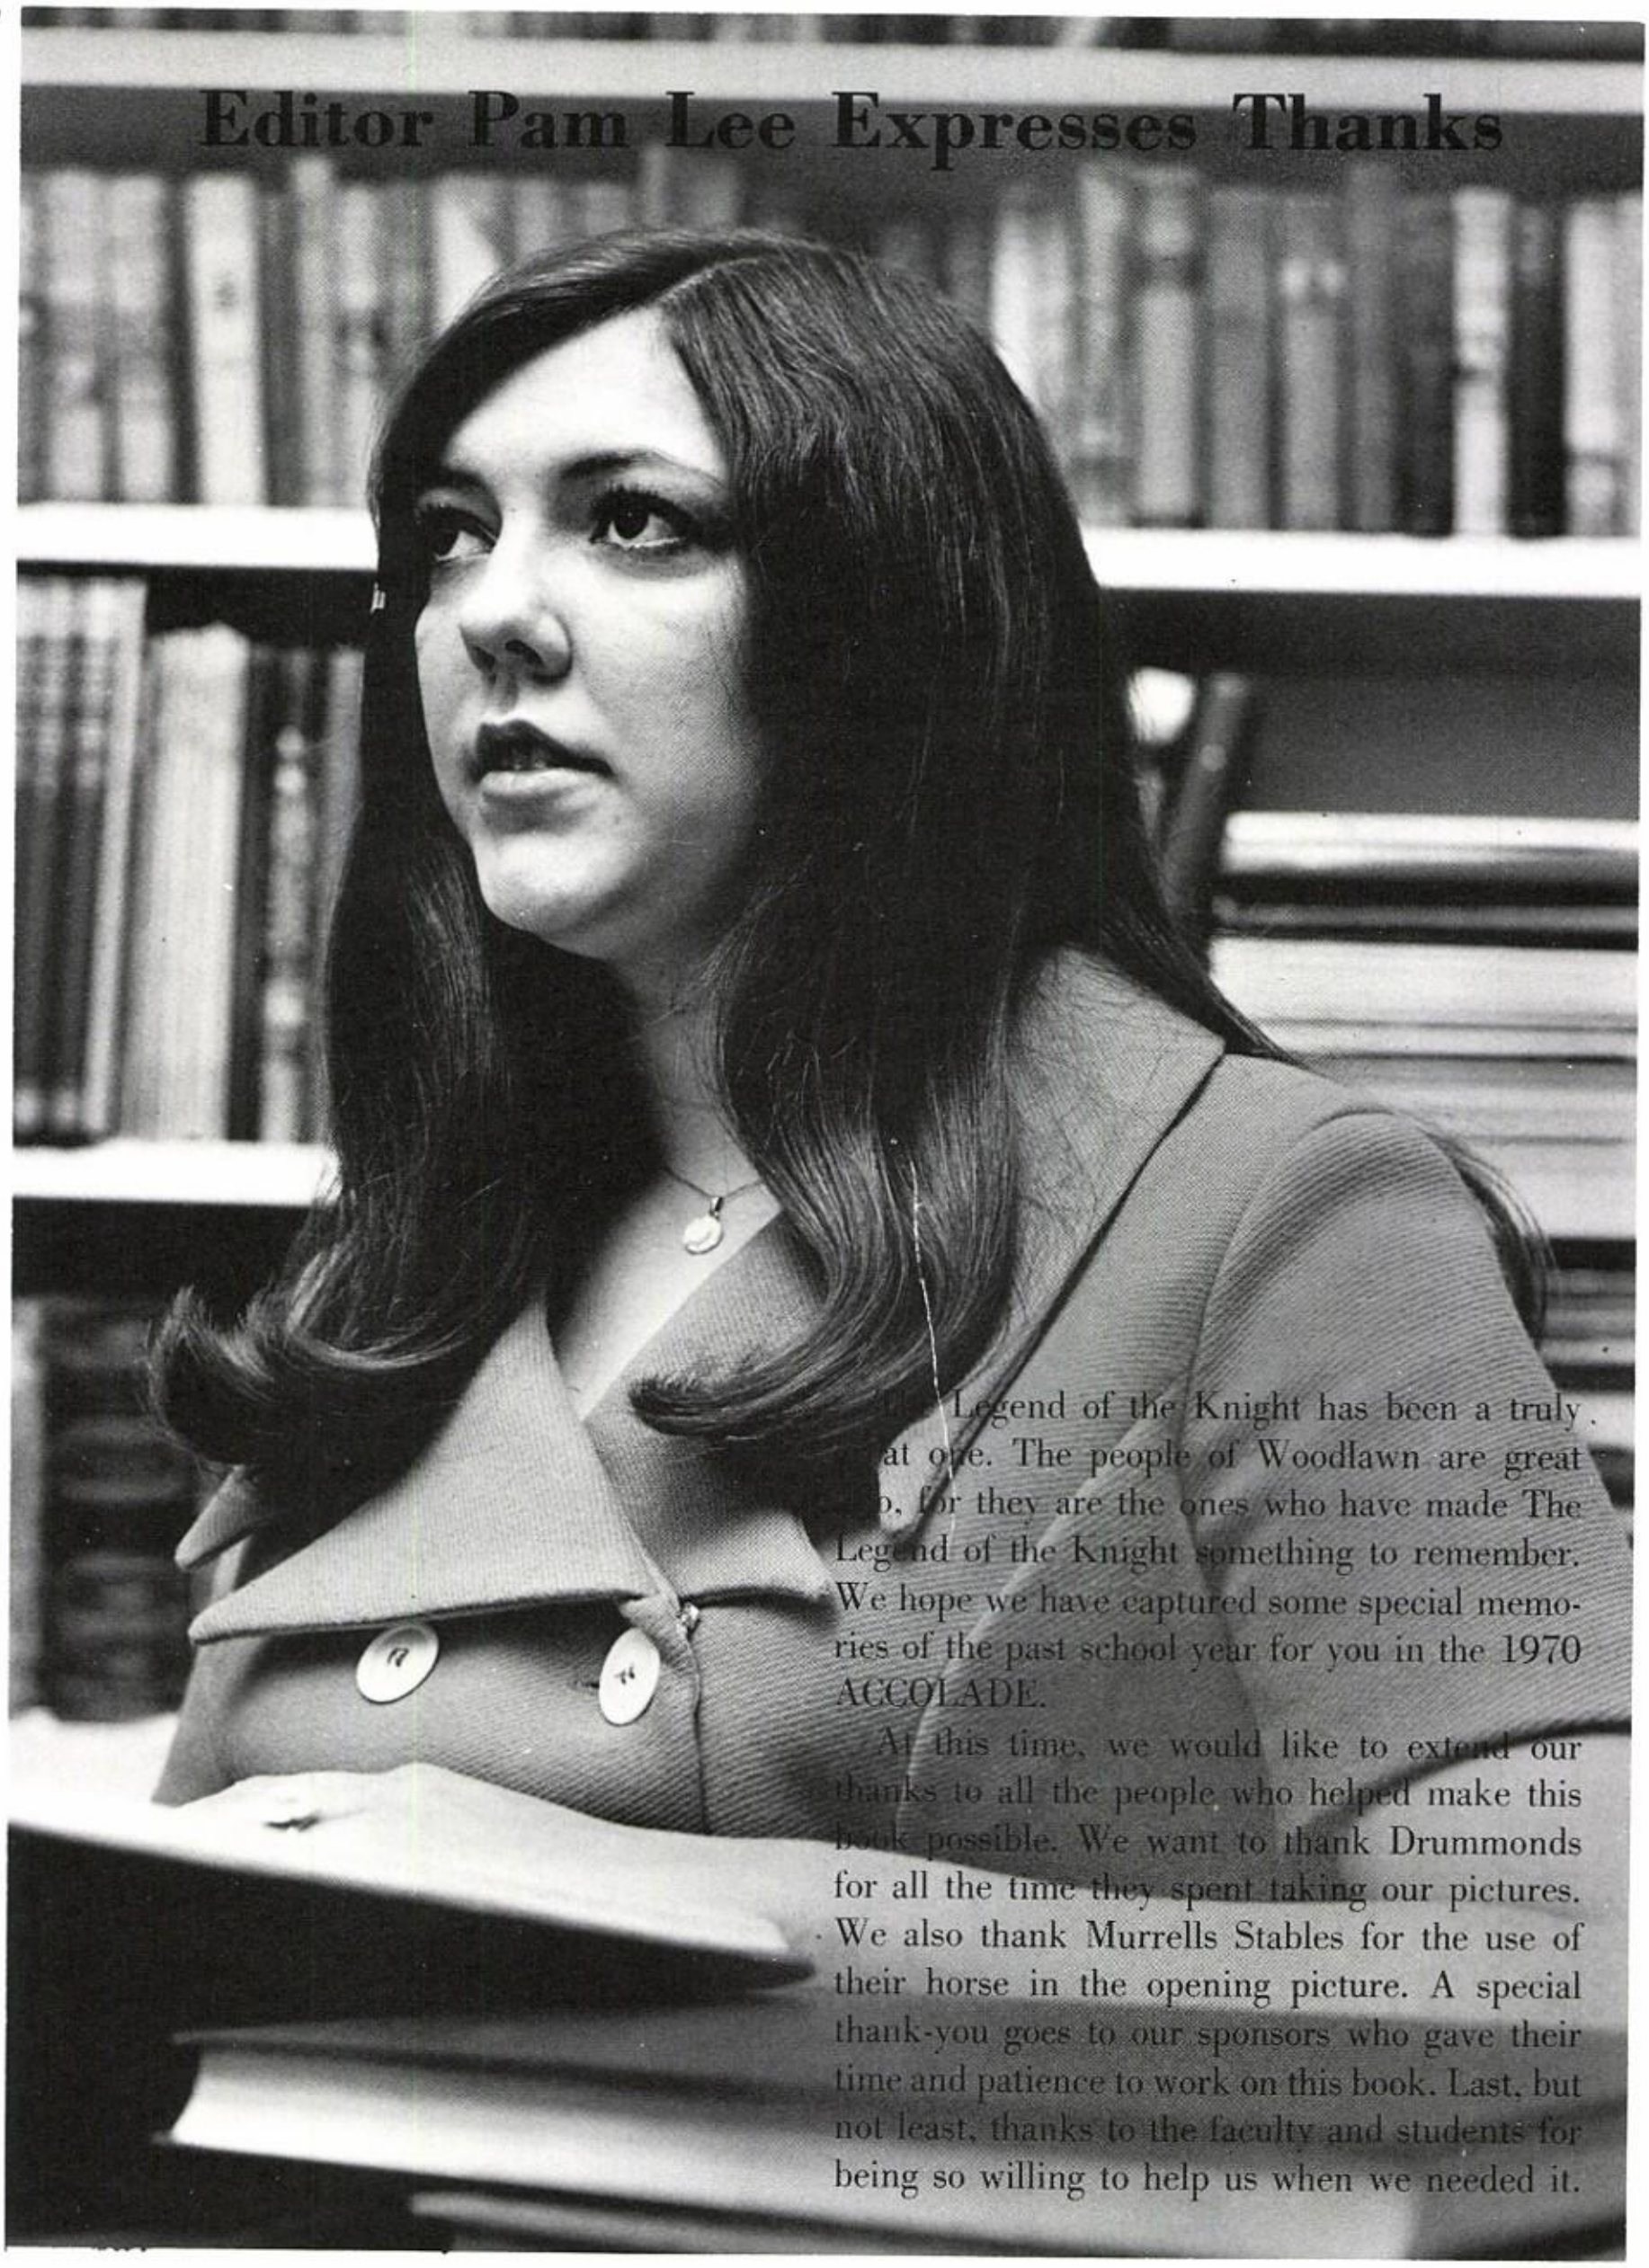
We Praise Thee Forever,
and Ever, Woodlawn.



Editor Pam Lee Expresses Thanks



Legend of the Knight has been a truly
at one. The people of Woodlawn are great
o, for they are the ones who have made The
Legend of the Knight something to remember.
We hope we have captured some special memories of the past school year for you in the 1970 ACCOLADE.

At this time, we would like to extend our thanks to all the people who helped make this book possible. We want to thank Drummonds for all the time they spent taking our pictures. We also thank Murrells Stables for the use of their horse in the opening picture. A special thank-you goes to our sponsors who gave their time and patience to work on this book. Last, but not least, thanks to the faculty and students for being so willing to help us when we needed it.
